SIG NEWS

Photo SIG

Meets 3:30 1st Sunday of the month.

General info:

PhotoSIG is a great way for photographers to learn more about fetish photography and how to more fully use their cameras.

It's also a great place for models, aspiring models, or scene people who just like dressing up (or down) to meet some of Houston's great photographers and get great shots of their shiny outfits.

The meetings consist of a photography topic discussion, a quick computer editing topic how-to/demo, and then time to apply what you've learned with varied (generally fetish-themed) shooting locations.

All photography will be agreed upon between models and photographers prior to any pictures being taken, except for occasions where the SIG provides a model. In those cases, it is understood that everyone at the SIG is welcome to participate and take pictures.

A map to Ward's house is provided in the files section of the PhotoSIG Yahoo group, or directions can be acquired by emailing the group leader at si_gentleman@yahoo.com

The yahoo group is here:

<http://groups.yahoo.com/group/PhotoSIG/>

The HPEP Poly SIG

Dragon's lady, Poly SIG Leader:

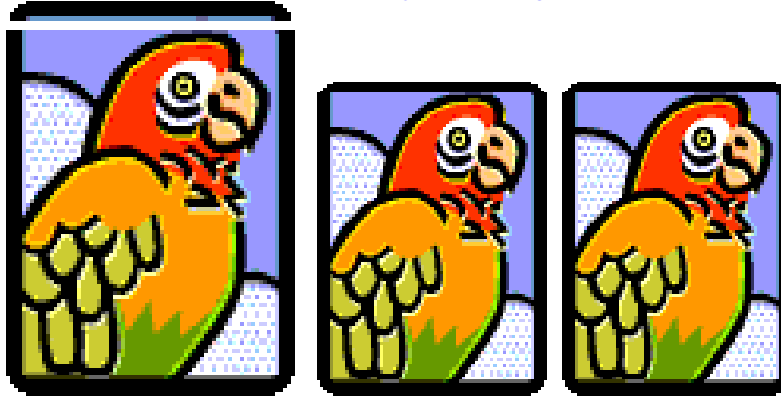

The HPEP Poly SIG is a wonderful discussion group for those who are in poly relationships, or are interested in the subject of Poly. It's usually an open topic forum where things have been discussed from coming out to family/children/parents, to what is your ideal poly family structure. You do not have to be poly yourself, or be in a Poly relationship to attend a meeting; just an interest in the topic of being Poly. As a side note we are not a swingers group, nor an orgy. You can visit us on our Yahoo Group at: http://groups.yahoo.com/group/HPEP_PolySIG

For any questions you can contact the SIG Leader at Poly@hpep.org

For any question you can contact the SIG leader at Poly@hpep.org.

(Poly Sig, get it? Hee hee)

The HPEP Age-Play SIG

The Age-play Sig usually held on the THIRD SATURDAY of the month, will meet at the Zoo this month for a picnic. Contact Scottie (painslut_mr@yahoo.com) .

The group has been very active with its meetings and discussions. In the up coming months there will be a pool party night, theme nights, movie nights, discussions and weekend outings. The meetings are being kept non-age specific so that everyone of age-play can come, enjoy themselves, and learn.

Age-play does not and will not involve real children/minors of any kind. But what it does do is involve us adults that act like and pretend to be children! Even if you're not into age-play but would like to find out what it is about, you are welcome to attend. So if you're a 'lil boy or girl, toddlers, teenagers, Mommies or Daddies, Aunties or Uncles, or just a bratty young one, you're all welcome to attend.

Hope to see you there and join in the fun and activities! ~ Scottie

DOMinion

Houston and surrounding area Doms and Domes have a meeting on the Friday before the Newcomers' meeting, at (7:30 pm) .

The purpose of the Dom/Domme meeting is several fold. The meetings serve as a time of social interaction and a good time of exchanging ideas. There are also scheduled educational presentations by members of the group. Frequently, Doms from around the state come and lead our discussions, so we get views a bit different than those of our local friends that we meet with all the time. So, find a comfortable chair, prop up your feet, and talk the talk of beautiful submissive females, doting slavish men, and the pleasures they bring us. Need directions or information: e-mail the [DOMinion](#)

.HPEP H.E.L.L.

(Houston Erotic Literature Lovers) Book & Movie SIG

<http://groups.yahoo.com/group/HELLbooksandmovies/>

HELL meets once a month at 7:00 p.m. every 2nd Friday night !

Please contact me at mwvixen@swbell.net for directions. Please remember, these meetings are held in a private home so I will need to know who you are and we prefer you to have attended an HPEP Newcomer's Meeting prior to coming to the HELL meeting. Newcomer's meetings are held the first Saturday of the month and you can find the details at www.hpep.org .

We enthusiastically!!! welcome suggestions for books and movies related to ANY aspect of BDSM, alternative sexuality, erotica, erotic thrillers, D/s relationships, fetish, or alternative lifestyles, etc. Feel free to e-mail me with **YOUR** recommendations!

HELL is a group where those interested in reading about and watching books and movies dealing with all aspects of BDSM, Erotica and alternative Lifestyles can meet in a casual, non-academic environment. A typical HELL evening involves a bit of book discussion (anything anyone is reading or the selected HELL book) and general conversation and socializing. We usually have snacks and beverages on hand, provided by the host and the attendees, to enhance the "movie experience" which starts about 8:00, so the meetings usually go from about 7:00 - 10:00 or 11:00, depending on how much discussion ensues after the movie. You are encouraged to come to HELL if you have an interest in reading more about BDSM, both fiction and non-fiction, and/or viewing a variety of sexually-oriented movies: you do not have to read a book to enjoy HELL , (although the Mistress of HELL would strongly encourage you to do so. i and other members can be usually persuaded to lend out books for those who purchasing them is a problem...) Join the HELL mailing list by going to the HELL Yahoo group (address above) and keep up with the books and movies currently happening. We have a lot of fun and it is a good forum for getting to know other folks in the Community and engage in spirited conversation with your fellow perverts. So now, when someone tells you to "Go to HELL", it does not have to be a bad thing! :)

HPEP's HELL: BDSM/Erotica books and movies SIG - this is the address for the Yahoo Group: <http://groups.yahoo.com/group/HELLbooksandmovies/>

The H*E*L*L Reading/Movie group, a special interest group with Houston PEP, now offers an Yahoo List option for those interested in keeping up-to-date and discussing alternative-lifestyle, Erotic, Fetish & D/s-related books and movies. i am also occasionally including some information/links on Erotic artwork. Even if you cannot attend our meetings, we want your input and opinions, and would like to share our explorations of literary and cinematic Erotica with you. The range of discussion, and the nature of our club, however, leaves plenty of room for off-topic & humor posts. Movie and book recommendations are always welcome

Edge Play SIG - NEW!!!!

The Edge Play SIG is for anyone interested in learning or teaching techniques in specific forms of sadomasochistic play. This SIG will offer monthly gatherings where demonstrations of and instruction in these techniques and the safety measures needed in their use will be presented.

If you are interested in passing on your knowledge and expertise, learning new ways to inflict pain and pleasure, hone your own play techniques or you're just curious and want to watch something new and exciting then this is the SIG for you.

The Edge Play SIG will meet on the last Friday of each month. Meetings will take place in a private residence. The location will be disclosed to those that express an interest in attending prior to each gathering.

HPEP is a pansexual organization and so are our SIGs so no matter what your orientation or favorite kink, you are welcome here.

Houston-BondageSIG -

As of October 20, 2007, I have acquired ownership of the Houston-BondageSIG which was previously a Special Interest Group (SIG) of HPEP. It is now independent of HPEP, and will continue to be an active bondage group.

Since January 2005, we've had a successful format for the Houston-BondageSIG as a bondage tutorial/training group. The format has worked well, so, we won't change it. We will continue to meet on the second Sunday of the month, at 3:00 PM at Travis' house. We will continue to discuss and experiment with specific topics/themes at each meeting. From time to time, we will continue to have both local and out of town presenters lead a SIG meeting.

Houston-Shibari --

I set up Houston-Shibari as a possible replacement group for the Houston-BondageSIG. But, now that I have acquired ownership of Houston-BondageSIG, there is value in continuing with the Houston-BondageSIG group itself. And Houston-Shibari is not needed as its replacement as a training/tutorial group to explore basic and advanced bondage techniques.

However, many of us appreciate the art and beauty of bondage and photography. So, I've decided to use the Houston-Shibari group to explore those two combined interests.

In Houston, we are also fortunate to have a very good photography group, the Photo SIG, which explores basic and advanced photographic techniques with an emphasis on fetish photography. Its membership includes amateurs as well as professional photographers, and wonderful models. Neil, who runs the Photo SIG, also holds monthly meetings and brings his incredible expertise to the group. Anyone interested in photography can learn a lot by regularly attending the Photo SIG meetings.

The intent of Houston-Shibari is to combine and implement the knowledge and techniques learned in both of these other groups through discussions, exchanges of ideas, and photo shoots.

Members of Houston-Shibari are encouraged to share tips and techniques about bondage and/or photography on its egroup. We'll have a photo shoot every couple of months. I think regular monthly meetings/photo shoots would be too frequent considering all the other activities in Houston.

We've got enough expertise and equipment among our members to produce really nice photographs. In the past, when we had private photo shoots, we've also generated very nice portrait as well as bondage/fetish photographs. It's all good. We'll do it all again.

March Houston Bondage SIG Report:

At the March SIG meeting, we enjoyed nice social interactions, welcomed new members and out of town visitors, and had several members show each other how to construct different ties.

We hosted Jon and his girl, Cindy, who visited with us from Baton Rouge, and we welcomed new members Amanda, James, and Traci. I hope our new members become active in our group, and Jon and his girl can come back and visit us again.

We started out discussing blindfolds and gags. Suzanne SxySadist had placed a thorough discussion of them on the AdultRopeART yahoo group, which I had referenced in my meeting announcement. After some brief discussion of different types that we use, several members taught different techniques for creating rope gags. Did you know the basic techniques used to create a hangman's noose are also used to tie a rope gag?

Although we've covered chest and breast harnesses a lot in previous SIGs, I demonstrated how to tie Jean's Harness for the benefit of our new members and visitors. (I've been invited to do a workshop on the Jean's Harness techniques at ShibariCon 2008.

<http://www.shibaricon.com/schedule.html>)

Since a major support point for suspensions is hip harnesses, we also experimented with a hip corset wrap, gun slinger, and drum harness.

And finally - our ... "We can do that!" ... segment. We displayed pictures of interesting bondage positions on Travis' big screen TV and reverse engineered them vocally. We talked about their construction, but did not have time to actually recreate them at this SIG.

This was a good SIG.

We all send special thanks to Travis and Mel for again hosting this SIG in their house.

Mark your calendar - our next Houston-BondageSIG meeting will be Sunday, April 13. Don't miss it. We're going to learn some things and have fun.

Gary

ClintEman77380@Yahoo.com

Houston, Texas

"We can do that!". We are going to apply bondage techniques we've learned. We'll display pictures of interesting bondage positions on a big screen TV and have our group reverse engineer them. We'll pick favorites, analyze their construction, discuss the bondage ties and workflow required to create the positions, and then we'll try to recreate them at the SIG.

If you find a picture of a bondage position that appeals to you - for its artistic appearance, complexity, or good use in a play scene, please bring it or send it to me in an email so I can bring it to the SIG. (We can display pictures on the big TV screen for all of us to see if they are in a format on a disk that will play on an ordinary DVD player.)

This approach offers all levels of riggers, novice, intermediate, and advanced, the opportunity to see bondage techniques are actually used in different positions, and to ask and learn from each other how to do that. You'll be delighted to learn ... "We can do that!"

And we'll see if we can talk Jake into telling us about his experiences at "Atlanta Bound 2008" where he was a featured presenter in March, and is already booked for a repeat performance next year.

Our Houston Bondage SIG is HANDS ON with members demonstrating their techniques, offering advice to each other and answering questions that may arise.

If you are a novice, this will be a great opportunity to learn how to construct basic ties. If you are more advanced, practice combining the basic ties into more complex positions.

If you are a bondage bottom, let us entertain you with pleasurable positions. If you are a bondage top, learn how to create these interesting ties.

All levels of expertise are welcome. Bring your questions and/or suggestions.

Make your plans and mark your calendars. The next meeting of the Houston Bondage SIG will be on Sunday, April 13, 2008, at 3:00 PM in Travis' house in Houston, Texas. Directions to Travis' house are in the File Section in the Houston Bondage SIG egroup (<http://groups.yahoo.com/group/Houston-BondageSIG/>).

If you wish, bring something to munch on and share with others. We're going to learn something and have fun with each other.

See you there.

COMMUNITY NEWS

CHARITY COMMITTEE

Ok, I don't intend to post about everything we do with this new Houston Charity group on each email group. I especially don't intend to do it on SAF's regular email list, as they have a forum on their website for this sort of thing. But I did, this one time, want to get this out to folks as widely as possible so that anyone with an interest will know where to contact the people they want to contact. And if this email does not make it to a list you want to send it to, then feel free to forward it.

First off, WOW, what a meeting. This whole thing started when Mistress Krista came back from Chicago. She saw what they were doing as far as charitable outreach, and she wanted to do something like that in Houston. So she started posting. I jumped in, but I jumped into her show. I am just thankful for that chance.

We had over 30 folks show up for a first meeting. Every one of them enthused about the concept of what we wanted to do, and energetic and ready to work. Here is sort of the setup.

Mistress Krista, Safari Mike, and I will be Co-Chairs, and as the saying goes, we are all equal, but Krista is a little more equal, at least in my mind.

We set up some committees and that is the real reason I wanted to get this note out and about. If you

want to contact one of the committees, please do it on the new list they have set up (info below) or contact the specific contact person for that committee. (info below)

1. Charity committee. Chairperson: Mistress Krista. Email address:

MistressKrista@mistresskrista.com

This committee is the one to contact if there is a charity you think we would all want to "adopt". The sense of the meeting last night seemed to be that we wanted a charity that was at least in some way touching on the alternative life communities. And small enough that what monies we raised would have an impact on them that mattered. We all love the National Heart Association, or National Cancer Association, but our money will not make or break those folks or make a huge impact in human terms.

Charities that were already discussed and that will already be investigated are;

1. Camp Hope (summer camp for children with Aids)
2. NCSF (National Coalition for Sexual Freedom)
3. Woodhull Freedom Foundation (similar to NCSF but at a different level, less "immediate response" more "long term legal")
4. Stone Soup in Houston

this will be a "working committee". It will be folks really talking to these charities, actually going out and investigating the charities that are close enough to Houston. We want to make sure that monies that are raised really do go for a good purpose and are things that we can all be very proud of.

2. Fund Raising committee. Wow did this one get folks enthusiastic with ideas out of this world.

Co-chairs: Pebbles, Nancy, Jamie, and Carol. To send them email, contact Nancy at :

sirwingzbaby@yahoo.com

This may be "the fun" committee. Just listening to these women come up with ideas last night was fun. They want small events, medium size events, and large ones. Watch out folks, these ladies mean business.

3. Money. Co-Chairs: Mistress Krista and Marla. Email for Mistress

Krista is : MistressKrista@mistresskrista.com

These are the folks that will help organize us and handle the money. We have already been contacted by representatives of leather clubs that are incorporated to help with this sort of thing and they have offered to help get us going. NEVER trust me with money, but the folks on this committee are professionally trained to deal with funds and keep us on the right and legal path.

4. Communications. Chairperson: Travis. Email is Travisw@pdq.net. It is my job to get the word out when we are doing things and when anyone of the committees needs help.

5. From now on, please join the yahoo group: Houstoncharitycommittee

you can find them at

<http://groups.yahoo.com/search?adult=1&query=Houstoncharitycommittee>

lets try and post committee work stuff as much as possible on that list. For things that we need to send out to the "world" lets use the SAF website forum and not their regular email list, or feel free to post to the Safari club yahoo list. Or give info to me and i will get it out on my list.

We had folks there that were from the SFA, Safari, NLA-Houston, HPEP, and offers of help from the Colt 45's. This was a GREAT start. Thanks to all of you that made last night so much fun and so exciting as a beginning for something special in the Houston community - Travis

The Safari Club

For information I, (Safari42s), will be the contact. Safari42S@aol.com
thesafariclub-subscribe@yahoogroups.com

The Safari Club is an alternative lifestyle group dedicated to playing and having fun with as little politics as possible. We believe in enjoying ourselves to the fullest extent possible while maintaining respect for everyone's personal protocols and preferences. The Safari Club welcomes people who are new to the lifestyle as well as the experienced. We put principles before personalities. Members must be 21 years of age or older and have an active yahoo profile listing their age.

Regular play parties are held the first Saturday of the month at a members home. Parties are by invitation only or by a member of the Safari Club.

Gulf Coast

Power Exchange Group (PEG)

In the light of the demise of the TNC Group, I decided to start another group, independent of everyone else. This is strictly an online E-group that is designed to be an outlet for all things related to BDSM in the Houston area and all over this Southeastern section of the state of Texas.

I am fondly (or sadistically) referred to as Ironass because I've been in the Lifestyle for many years and like to be played very heavy, as many can attest. I belong to Pink Dragon Lady (Trellen Russey), who is also a veteran of the Lifestyle. Herself and the late Art Russey (the Toy Maker) used to have the Gulf Coast Power Exchange Group, the original PEG, in Pasadena, Texas for several years until his death.

If you have a BDSM group you are invited to post your activities here. However, this is not a place for SPAM. We are not here to sell anything – there are other groups for that – but to share our experiences with one another as it relates to the BDSM lifestyle.

This group will be moderated by me and will not answer to the demands of any other group. We will honor everyone and are here to pass judgment upon no one. However, there are a few rules:

1. First and foremost, NO SPAMMING! Anyone who tries to spam on this list will be blocked as soon as I discover it, no questions asked and no appeals. By SPAMMING, I mean commercials of any kind for any product or service and asking for money.

If someone is in need or in the hospital, please feel free to post a request. If you wish to announce a play party or an event of your BDSM group, please feel free to do so. If you have a website you wish to share with us relating to the Lifestyle, please feel free to post.

2. I will not tolerate any flaming on this list. Arguing about things is one thing and can be done civilly, but we are not here to pass judgment on anyone or to run anyone down. If I see that on this list I will deal with it in whatever manner seems fair. It is OK, however, to talk about Travis (LOL).

I have found the BDSM community to be one of the most caring and giving communities in the city, but we can be quite vicious at times. I simply ask that we all show some respect for one another and remember that we do not know what anyone is going through at any given moment. It is better to err on the side of humanness than to rip one another's throat out!

3. As to the posting of pictures, please be discreet. We have to be careful of showing private body parts on a public forum such as this. As a member, the pictures you put in a post for this group are at your discretion, but let's try not to make Yahoo nervous – well, more nervous – than it already is.

At the moment, that's the rules, other than to honor the Yahoo guidelines for groups. Post, talk, announce, have fun.

Your Moderator,
Ironass

When you join this group please remember that Yahoo requires you to have your age posted in your profile or they can bump the whole group. They want to know that everyone is over the age of 18. PLEASE REMEMBER THIS!

Gulf Coast-Touch of Leather

A new group is forming on the south east side of town and is having a munch this evening at 7 PM at Noahs Ark Grill in Baycliff. I am forwarding the following with their permission since we have a number of folks who may be interested:

Forwarded Message:

Gulf Coast-Touch of Leather is happy to invite you to our inaugural munch. We'll be getting together at Noah's Ark (located on the water at 4438 Boulevard St, Bacliff). Look for a white stuffed dog on the table and you will know you have found us. Noah's Ark is famous for their burgers and friendly staff. They are really looking forward to having us for our first munch, and hoping we'll become regulars. If you need directions or more information visit www.noahsarkgrill.com

Meeting time is 7:00. Weather permitting, we've asked to be grouped on the side porch, outside. If it's rainy just keep an eye out for the white plush pup on the table. We encourage you to dress comfy. Jeans and T's are fine. The bar has pub food for us to munch on and drink to help beat the heat. (Anytime we can beat something, it's bound to be a good time.) At this munch we just plan to get to know each other and try to find out what some of the folks from the Coastal region of TX would like to see happening in our Community.

Gulf Coast Touch of Leather is an Alternative Choice gateway organization. The club is hoping to meet some of the needs of the south Houston-to-Galveston corridor residents (though anyone is welcome to attend). As things get rolling we're planning on regular munches, educational forums and demos, and local parties and a yearly weekend retreat. We welcome folks who walk the different paths of our diverse lifestyle, and hope that by being given the chance to share in our diversity we'll become a stronger and more aware Community. The e-list for Gulf Coast Touch of Leather can be found at http://groups.yahoo.com/group/Gulf_Coast_TOL/ And information for our annual camping retreat can be found at <http://groups.yahoo.com/group/WyldFyre> We hope that you'll surf by and stay a while.

Gulf Coast TOL very happy to be holding this munch and taking these first steps of growth. We hope that you'll join us at the munch and give us your input so that we can get the club charted on a steady course for education, awareness, and fun, among the like-minded of our Gulf Coast Community.

See you there,

Stan

Travis's Houston BDSM & Fetish Page * New URL!

www.houstonbdsm.net

It is the purpose of this Web Site to document this growth, and to be a simple page for Houston fans of fetish to find out what's happening in and around the Houston area in the world of BDSM/FETISH. Check here often to find out about your favorite organization, and to check on upcoming events. So I threw together a website that I will be trying to keep updated as regular as time allows. If you have any details on any events, parties, and groups around Texas please feel free to add them to the site. Travis
