SIG NEWS

Photo SIG

Meets 3:30 1st Sunday of the month.

General info:

PhotoSIG is a great way for photographers to learn more about fetish photography and how to more fully use their cameras.

It's also a great place for models, aspiring models, or scene people who just like dressing up (or down) to meet some of Houston's great photographers and get great shots of their shiny outfits.

The meetings consist of a photography topic discussion, a quick computer editing topic how-to/demo, and then time to apply what you've learned with varied (generally fetish-themed) shooting locations.

All photography will be agreed upon between models and photographers prior to any pictures being taken, except for occasions where the SIG provides a model. In those cases, it is understood that everyone at the SIG is welcome to participate and take pictures.

A map to Ward's house is provided in the files section of the PhotoSIG Yahoo group, or directions can be acquired by emailing the group leader at si_gentleman@yahoo.com

The yahoo group is here:

<http://groups.yahoo.com/group/PhotoSIG/>

The HPEP Poly SIG

Dragon's lady, Poly SIG Leader:

The HPEP Poly SIG is a wonderful discussion group for those who are in poly relationships, or are interested in the subject of Poly. It's usually an open topic forum where things have been discussed from coming out to family/children/parents, to what is your ideal poly family structure. You do not have to be poly yourself, or be in a Poly relationship to attend a meeting; just an interest in the topic of being Poly. As a side note we are not a swingers group, nor an orgy. You can visit us on our Yahoo Group at:

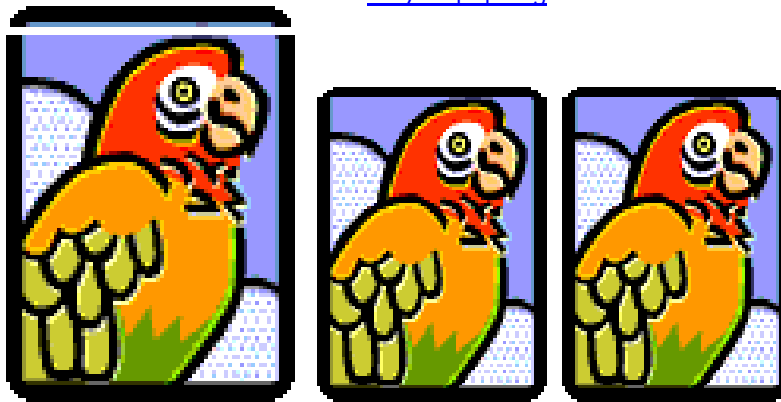

http://groups.yahoo.com/group/HPEP_PolySIG

For any questions you can contact the SIG Leader at Poly@hpep.org

!

For any question you can contact the SIG leader at Poly@hpep.org.

(Poly Sig, get it? Hee hee)

The HPEP Age-Play SIG

The Age-play Sig usually held on the THIRD SATURDAY of the month, is temporarily on hiatus. The group has been very active with its meetings and discussions. In the up coming months there will be a pool party night, theme nights, movie nights, discussions and weekend outings. The meetings are being kept non-age specific so that everyone of age-play can come, enjoy themselves, and learn.

Age-play does not and will not involve real children/minors of any kind. But what it does do is involve us adults that act like and pretend to be children! Even if you're not into age-play but would like to find out what it is about, you are welcome to attend. So if you're a 'lil boy or girl, toddlers, teenagers, Mommies or Daddies, Aunties or Uncles, or just a bratty young one, you're all welcome to attend. Hope to see you there and join in the fun and activities! ~ Scottie

DOMinion

Houston and surrounding area Doms and Dommies have a meeting on the Friday before the Newcomers' meeting, at (7:30 pm) .

The purpose of the Dom/Domme meeting is several fold. The meetings serve as a time of social interaction and a good time of exchanging ideas. There are also scheduled educational presentations by members of the group. Frequently, Doms from around the state come and lead our discussions, so we get views a bit different than those of our local friends that we meet with all the time. So, find a comfortable chair, prop up your feet, and talk the talk of beautiful submissive females, doting slavish men, and the pleasures they bring us. Need directions or information: e-mail the [DOMinion](#)

Subversity

This is so exciting... the HPEP Board has approved subversity as an HPEP SIG... a wonderful private home has been made available for the group, just a few blocks from Dominion. subversity is for all subs, slaves, switches in bottom mode, bois/boys, girls/girlie sissy girls, puppies, kittens, ponies. The group is for ALL Genders... so please don't shy away... There will be planned topics of discussion at the meetings, as well as having a mentoring group to assist anyone who has issues they wish to discuss privately. This group belongs to you... it is here to meet your needs, and interest. Directions will be sent to you privately if you will email me at lyenakay@yahoo.com in order to protect the privacy of the homeowner. Like all HPEP SIGs the meeting place is smoke free, an area will be provided for the smokers.

Meetings will be held the Friday before the Newcomers' meeting, either the last Friday of the month, or the first Friday, according to how the calendar falls. In order to attend a subversity meeting you must first attend the HPEP Newcomers Meeting, held the 1st Saturday night of each month, at the West Gray Cafe. (which, by the way is this evening, so what a good time to come get acquainted) the exception being the long standing HPEP members who already qualify to attend.

The e-group is also available for discussions, and suggestions. The rules are simple, you must have an age on your profile, and no flaming . . . The group is open for any and all discussions, just keep the debating friendly... Feel free to join the group .

Please let me know any ways subveristy can better meet your needs.. did i mention.. this is your group!!

If there is a topic or demo you would like to see at the meetings please write me!

Thanks and Hugs to all!

(Houston Erotic Literature Lovers) Book & Movie SIG

<http://groups.yahoo.com/group/HELLbooksandmovies/>

Please Note: Schedule Change:

HELL will be meeting once a month at 7:00 p.m. every 2nd Friday night !

Please contact me at mwvixen@swbell.net for directions. Please remember, these meetings are held in a private home so I will need to know who you are and you will *have* to have attended an HPEP Newcomer's Meeting prior to coming to the HELL meeting. Newcomer's meetings are held the first Saturday of the month and you can find the details at www.hpep.org.

In *November* we watched and discussed the movie "Maitresse".

As many of you may have heard by now, one of our own community, Fetish Agent V has had a book published called "Stars of Antrana", part of a Science Fiction/BDSM Trilogy.

You can read more about this book (and order it) here:

<http://www.amazon.com/Stars-Antrana-Book-Erskan-Trilogy/dp/1934625000>

I am pleased to announce the availability of my **second** erotic sci-fi novel, "Seas of Antrana, Book Two of the Erskan Trilogy."

"The Erskan Trilogy blends science-fiction to an erotic journey of dominance and submission.

Once-defeated enemies again threaten the Erskans. Sworn to protect her civilization, Vercella Tural enlists the aid of Alexi Malind in a daring plan to capture the Earth criminal responsible for great losses. Tural finds herself at the front of a massive invasion wrought with dangers never before faced by the Erskans. Alexi is compelled to assist the Erskans while he struggles to properly serve his Mistress in the female-dominant, warrior society."

We enthusiastically!!! welcome suggestions for books and movies related to ANY aspect of BDSM, alternative sexuality, erotica, erotic thrillers, D/s relationships, fetish, or alternative lifestyles, etc. Feel free to e-mail me with **YOUR** recommendations!

HELL is a group where those interested in reading about and watching books and movies dealing with all aspects of BDSM, Erotica and alternative Lifestyles can meet in a casual, non-academic environment. A typical HELL evening involves a bit of book discussion (anything anyone is reading or the selected HELL book) and general conversation and socializing. We usually have snacks and beverages on hand, provided by the host and the attendees, to enhance the "movie experience" which starts about 8:00, so the meetings usually go from about 7:00 - 10:00 or 11:00, depending on how much discussion ensues after the movie. You are encouraged to come to HELL if you have an interest in reading more about BDSM, both fiction and non-fiction, and/or viewing a variety of sexually-oriented movies: you do not have to read a book to enjoy HELL , (although the Mistress of HELL would strongly encourage you to do so. i and other members can be usually persuaded to lend out books for those who purchasing them is a problem...) Join the HELL mailing list by going to the HELL Yahoo group (address above) and keep up with the books and movies currently happening.

We have a lot of fun and it is a good forum for getting to know other folks in the Community and engage in spirited conversation with your fellow perverts. So now, when someone tells you to "Go to HELL", it does not have to be a bad thing! :)

HPEP's HELL: BDSM/Erotica books and movies SIG - this is the address for the Yahoo Group: <http://groups.yahoo.com/group/HELLbooksandmovies/>

The H*E*L*L Reading/Movie group, a special interest group with Houston PEP, now offers an Yahoo List option for those interested in keeping up-to-date and discussing alternative-lifestyle, Erotic, Fetish & D/s-related books and movies. I am also occasionally including some information/links on Erotic artwork. Even if you cannot attend our meetings, we want your input and opinions, and would like to share our explorations of literary and cinematic Erotica with you. The range of discussion, and the nature of our club, however, leaves plenty of room for off-topic & humor posts. Movie and book recommendations are always welcome

A new magazine came out in January called Power Exchange Magazine

<http://www.powerexchangemagazine.com/> edited by Robert Rubel (See this site for local availability)

You will recognize many of the names of the contributors - it will be available by subscription or in stores. Check it out!!! Each issue has a theme to it, the first one was Master /slave relations, the second one was Female Masters, the third was Boot blacking, then Fem Doms. They will also be doing issues on Pony Play, Toys, and Power Exchange. **Editor's note:** Starting in June I began writing monthly movie reviews for PEM - my first review ("Closetland") is in the Daddy/boy issue.

Houston-BondageSIG -

As of October 20, 2007, I have acquired ownership of the Houston-BondageSIG which was previously a Special Interest Group (SIG) of HPEP. **It is now independent of HPEP**, and will continue to be an active bondage group.

Since January 2005, we've had a successful format for the Houston-BondageSIG as a bondage tutorial/training group. The format has worked well, so, we won't change it. We will continue to meet on the second Sunday of the month, at 3:00 PM at Travis' house. We will continue to discuss and experiment with specific topics/themes at each meeting. From time to time, we will continue to have both local and out of town presenters lead a SIG meeting.

Houston-Shibari --

I set up Houston-Shibari as a possible replacement group for the Houston-BondageSIG. But, now that I have acquired ownership of Houston-BondageSIG, there is value in continuing with the Houston-BondageSIG group itself. And Houston-Shibari is not needed as its replacement as a training/tutorial group to explore basic and advanced bondage techniques.

However, many of us appreciate the art and beauty of bondage and photography. So, I've decided to use the Houston-Shibari group to explore those two combined interests.

In Houston, we are also fortunate to have a very good photography group, the Photo SIG, which explores basic and advanced photographic techniques with an emphasis on fetish photography. Its membership includes amateurs as well as professional photographers, and wonderful models. Neil, who runs the Photo SIG, also holds monthly meetings and brings his incredible expertise to the group. Anyone interested in photography can learn a lot by regularly attending the Photo SIG meetings.

The intent of Houston-Shibari is to combine and implement the knowledge and techniques learned in both of these other groups through discussions, exchanges of ideas, and photo shoots.

Members of Houston-Shibari are encouraged to share tips and techniques about bondage and/or photography on its egroup. We'll have a photo shoot every couple of months. I think regular monthly meetings/photo shoots would be too frequent considering all the other activities in Houston.

We've got enough expertise and equipment among our members to produce really nice photographs. In the past, when we had private photo shoots, we've also generated very nice portrait as well as bondage/fetish photographs. It's all good. We'll do it all again.

November Bondage SIG Report:

Our theme was the takate kote tie, which is basic to many (probably the majority of) Shibari positions.

We explored techniques to compensate for lack of flexibility in bottoms, and techniques to use to help avoid circulation and nerve constriction problems.

We practiced basic single and double limb cuffs, which are an important part of constructing the takate kote tie. I demonstrated the Kurioser cuff, a very nice double limb cuff I learned from Mark Yu at his Rope Resurrection seminar in October.

Jeff demonstrated a very nice harness he constructed using the techniques I described in my Jean's Harness tutorial (in the Houston-BondageSIG Files section). It looked very good, Jeff.

Jake created a hojojutsu tie from which Wally could not escape. Jake used a custom made rope he wove from jute thread. The combination of his frizzy/sticky rope and the nice hojojutsu tie overpowered the incredible escape abilities of our Super Eel, Wally. I could not believe it. You did a very nice job, Jake. And thanks Wally for again letting us try to tie you so you can't escape. That's the first time in three years that I've seen you unable to escape! That hojojutsu stuff definitely works!

In December's SIG meeting, we're going to combine the takate kote tie with other classic ties to create

interesting and useful bondage positions. In the Edo period in Japan, they combined the takate kote tie with other ties to create bondage positions used for torture, humiliation and/or sex. Sound interesting?

We had another good Houston Bondage SIG, with nice social interaction. People learned things and there were lots of smiles all around. My thanks to all who attended.

We all send special thanks to Travis and Mel for again hosting this SIG in their house.

Houston Bondage SIG meets Sunday afternoon, December 9, at 3:00 PM

In Japanese bondage, the takate kote is a classic tie used in positions designed for sex, humiliation, or torture. Which theme interests you most? Turn your imagination loose! We are going to explore how the takate kote can be incorporated with other relatively simple ties to create bondage positions designed for sex, humiliation, or torture.

In this SIG meeting, we will concentrate on "floor positions". In a future SIG, we'll explore the use of the takate kote in suspensions.

Here are a couple of basic tutorials for the takate kote --

... for inspiration -

Tatu includes a lot of information and good tutorials on his sites. Here are some tutorials -

<http://www.japaneseropeart.com/RopeArt/tutorials.html>

And, "Highlander" includes some very interesting articles on his Brazilian web site --

http://www.immortalshibari.com.br/en_artigo.asp?ID=11

http://www.immortalshibari.com.br/en_artigos_main.asp

http://www.immortalshibari.com.br/en_historia_main.asp

In future SIG meetings, we will continue to build upon the techniques we learn here. Don't miss this SIG meeting.

Our Houston Bondage SIG is HANDS ON with members demonstrating their techniques, offering advice to each other and answering questions that may arise. If you are a novice, this will be a great opportunity to learn how to construct basic ties. If you are more advanced, practice combining the basic ties into more complex positions.

If you are a bondage bottom, let us entertain you with pleasurable positions. If you are a bondage top, learn how to create these interesting ties.

All levels of expertise are welcome. Bring your questions and/or suggestions.

Make your plans and mark your calendars. The next meeting of the Houston Bondage SIG will be on Sunday, December 9, at 3:00 PM in Travis' house in Houston, Texas. Directions to Travis' house are in the File Section in the Houston Bondage SIG egroup (<http://groups.yahoo.com/group/Houston-BondageSIG/>).

If you wish, bring something to munch on and share with others. We're going to learn something and have fun with each other. See you there.

BOUDOIR BIZARRE: GOTH AND GHOSTS

"FETISH CLUB IN AMSTERDAM"

Boudoir Bizarre fulfilled its promise as one of the best fetish clubs in Amsterdam. This Halloween turned out to be a fitting theme for this Fetish Event. A "Burlesque Twist" fully satisfied the "Bizarre" element in "Boudoir Bizarre."

The usual picturesque look of the Waakzaamheid Venue had undergone a little change for this occasion. In front was a nice and warm tent, posing as an extra wardrobe. Apparently the number of tickets sold made it obvious that the regular wardrobe wouldn't provide enough dressing space for all the people attending. No more stressing on a square foot per person. It was enough space for a complete Fetish-morphosis. So once you were inside, being handed the welcome-shots by the door-bitches. After encountering the first life-

size Halloween Ghost at the entrance you will be surprised again by Halloween masks, skeletons, gravestones, and all sorts of other items of doom on the walls and ceiling, giving the place a genuine creepy atmosphere.

Guests danced a little to the great sounds by DJ Distorted Boy. And that this is not the same "standard" music you hear at most parties, but a very welcome change with his added "Gothic Twist" -- a great way to get into the mood. In the meantime the place was filling up with all party fiends and spend a lot of time hugging and chatting, before finding the time to make a trip through the venue. Seeing all the different spaces from earlier editions of Boudoir Bizarre and it is possible to overlook the darkest corners before -- but this time when you climb the stairs to the Balcony and the playroom behind, you will find another little set of stairs leading to a dungeon-like space acting as the Darkroom. Not easy to get to, though. Even for a darkroom, this was dark! But fortunately you could navigate it by sound.

One thing you will notice is that the Boudoir Bizarre organization managed to use every square inch of this venue to the fullest. From the outside it looks like a quaint little building, but inside it's set up with a friendly entrance, a small bar, with stage and lounge in the back, a large ambient main room with podium and bar and a inviting play and dark room. Everything the demanding party crowd could want. Guests watching the Princess of Darkness crawl out of her coffin and brutalize herself with a crucifix, the *Exorcist* way... Scary!

A little later in one's adventuring you will find the show by "I ris et Moi", on the small stage. But... uhh... wasn't that the little Latex nun from earlier reviews. In the setting of a real Halloween wedding, loved watching the Bride and her master. It was their first official show and they were great. You will look forward the next. Back to the dance floor, getting crazy to the sounds of DJ.Allen from Torture Garden, London. As far as guests know, this was a first for Holland and a very enjoyable set it was. He turned out to be a really nice guy. Friendly, down to earth and relaxed. As were the remarkably sweet, but somewhat chilly Restroom ladies and the friendly bar staff.

A lot of the guests had adjusted their outfits to fit the Halloween theme. There were spooky painted faces, spider webbed outfits, lots of Goths, witches with real pointy hats, a Bride of Chucky, and many beautiful fetish getups. The Host and Hostess did their best as well; both clad in black feathers, they drew a lot of attention.

On the main stage it was yet again time for the next acts. The Vivid Angel slowly removed the robes attached to her body with needles, which she -- for lack of a better place -- stuck through her lip for safe-keeping. These tiny details were hard to see, though, because of distance and lighting, which, however, did bring out the beautiful decor. Impressive it was however, with two silver figures, caught in a spider web, in black light. Closing the acts this night was the almost once-a-year traditional suspension act by Dr. Mad and the Flying Dutchman, assisted by Dizzy D. and (Dr. Mad's) Popje. Pierced and chained together the dangled high above the stage and with an unexpected musical twist at the end of the show wished us all a Happy Halloween.

In between is "the Naked and the Dead" act: a beautiful looking scarecrow. This spooked everyone so much they quickly dove back into the party crowd, so didn't see too much of that act. The party was in highest gear by that time and on all floors everybody was doing their thing. Dancing, lounging, chatting, playing, or getting more serious in the darkroom. In short, it was a great relaxed and at the same time exciting party to the max. The time flew by and before you know it, it's time to leave.

Don't forget to check out [Boudoir Bizarre's website](#).

Gulf Coast

Power Exchange Group (PEG)

In the light of the demise of the TNC Group, I decided to start another group, independent of everyone else. This is strictly an online E-group that is designed to be an outlet for all things related to BDSM in the Houston area and all over this Southeastern section of the state of Texas.

I am fondly (or sadistically) referred to as Ironass because I've been in the Lifestyle for many years and like to be played very heavy, as many can attest. I belong to Pink Dragon Lady (Trellen Russey), who is also a

veteran of the Lifestyle. Herself and the late Art Russey (the Toy Maker) used to have the Gulf Coast Power Exchange Group, the original PEG, in Pasadena, Texas for several years until his death.

If you have a BDSM group you are invited to post your activities here. However, this is not a place for SPAM. We are not here to sell anything – there are other groups for that – but to share our experiences with one another as it relates to the BDSM lifestyle.

This group will be moderated by me and will not answer to the demands of any other group. We will honor everyone and are here to pass judgment upon no one. However, there are a few rules:

1. First and foremost, NO SPAMMING! Anyone who tries to spam on this list will be blocked as soon as I discover it, no questions asked and no appeals. By SPAMMING, I mean commercials of any kind for any product or service and asking for money.

If someone is in need or in the hospital, please feel free to post a request. If you wish to announce a play party or an event of your BDSM group, please feel free to do so. If you have a website you wish to share with us relating to the Lifestyle, please feel free to post.

2. I will not tolerate any flaming on this list. Arguing about things is one thing and can be done civilly, but we are not here to pass judgment on anyone or to run anyone down. If I see that on this list I will deal with it in whatever manner seems fair. It is OK, however, to talk about Travis (LOL).

I have found the BDSM community to be one of the most caring and giving communities in the city, but we can be quite vicious at times. I simply ask that we all show some respect for one another and remember that we do not know what anyone is going through at any given moment. It is better to err on the side of humanness than to rip one another's throat out!

3. As to the posting of pictures, please be discreet. We have to be careful of showing private body parts on a public forum such as this. As a member, the pictures you put in a post for this group are at your discretion, but let's try not to make Yahoo nervous – well, more nervous – than it already is.

At the moment, that's the rules, other than to honor the Yahoo guidelines for groups. Post, talk, announce, have fun.

Your Moderator,
Ironass

When you join this group please remember that Yahoo requires you to have your age posted in your profile or they can bump the whole group. They want to know that everyone is over the age of 18. PLEASE REMEMBER THIS!

Gulf Coast-Touch of Leather

A new group is forming on the south east side of town and is having a munch this evening at 7 PM at Noahs Ark Grill in Baycliff. I am forwarding the following with their permission since we have a number of folks who may be interested:

Forwarded Message:

Gulf Coast-Touch of Leather is happy to invite you to our inaugural munch. We'll be getting together at Noah's Ark (located on the water at 4438 Boulevard St, Bacliff). Look for a white stuffed dog on the table and you will know you have found us. Noah's Ark is famous for their burgers and friendly staff. They are really looking forward to having us for our first munch, and hoping we'll become regulars. If you need directions or more information visit www.noahsarkgrill.com

Meeting time is 7:00. Weather permitting, we've asked to be grouped on the side porch, outside. If it's rainy just keep an eye out for the white plush pup on the table. We encourage you to dress comfy. Jeans and T's are fine. The bar has pub food for us to munch on and drink to help beat the heat. (Anytime we can beat something, it's bound to be a good time.) At this munch we just plan to get to know each other and try to find out what some of the folks from the Coastal region of TX would like to see happening in our Community.

Gulf Coast Touch of Leather is an Alternative Choice gateway organization. The club is hoping to meet some of the needs of the south Houston-to-Galveston corridor residents (though anyone is welcome to attend). As things get rolling we're planning on regular munches, educational forums and demos, and local parties and a yearly weekend retreat. We welcome folks who walk the different paths of our diverse lifestyle, and hope that by being given the chance to share in our diversity we'll become a stronger and more aware Community. The e-list for Gulf Coast Touch of Leather can be found at http://groups.yahoo.com/group/Gulf_Coast_TOL/ And information for our annual camping retreat can be found at <http://groups.yahoo.com/group/WyldFyre> We hope that you'll surf by and stay a while.

Gulf Coast TOL very happy to be holding this munch and taking these first steps of growth. We hope that you'll join us at the munch and give us your input so that we can get the club charted on a steady course for education, awareness, and fun, among the like-minded of our Gulf Coast Community.

See you there,

Stan

Travis's Houston BDSM & Fetish Page * New URL

www.houstonbdsm.net

It is the purpose of this Web Site to document this growth, and to be a simple page for Houston fans of fetish to find out what's happening in and around the Houston area in the world of BDSM/FETISH. If you have any details on any events, parties, and groups around Texas please feel free to add them to the site. Travis

HUMOR

... a tragic death

Police today reported finding a body in San Jacinto River. The victim apparently drowned due to excessive alcohol consumption. He was wearing black fishnet stockings, a red garter belt, a strap-on dildo and a Tennessee Titan's jersey. He also had a cucumber stuffed up his bottom.

The police graciously removed the Tennessee Titan's jersey to spare the family unnecessary embarrassment.
