HPEP Bondage SIG

Because of member scheduling conflicts, the **non-rop**e bondage theme for our July SIG is postponed until September. For that meeting, get out your straitjackets, bondage gloves, body bags, leather straps, or any other technique you use for non-rop

In July, our theme will be poles as props. We'll use PVC pipe/tubing instead of typical bamboo poles. We'll explore spreader and spacer bars, poles to fasten limbs and to restrain the bottom in unusual positions. Our meetings are on the second Sunday afternoon at 3:00 at Travis' house. Our meetings have different themes and are Hands On. We tie people up. We learn something. We socialize. Tops and bottoms always have a good time. Mark your calendars and plan to join us. The next meeting is July 10.

The HPEP Poly SIG

Sir Ryan, the Dragon, HPEP Board of Directors, HPEP SIG Liaison / Poly SIG Leader:

The HPEP Poly SIG is a wonderful discussion group for those who in poly relationships, or are interested in the subject of being poly. It's usually an open topic forum where things have been discussed from coming out to family/children/parents, to what is your ideal poly family structure. You do not have to be poly yourself, or be in a poly relationship to attend a meeting; just an interest in the topic of being poly. As a side note we are not a swingers group, nor an orgy. You can visit us on our Yahoo Group at:

http://groups.yahoo.com/group/HPEP_PolySIG.

For any question you can contact the SIG leader at Poly@hpep.org.

The HPEP Age-Play SIG

The Age-play Sig is now being held on the THIRD SATURDAY of the month. The group has been very active with its meetings and discussions. In the up coming months there will be a pool party night, theme nights, movie nights, discussions and weekend outings. The meetings are being kept non-age specific so that everyone of age-play can come, enjoy themselves, and learn.

Age-play does not and will not involve real children/minors of any kind. But what it does do is involve us adults that act like and pretend to be children! Even if you're not into age-play but would like to find out what it is about, you are welcome to attend. So if you're a 'lil boy or girl, toddlers, teenagers, Mommies or Daddies, Aunties or Uncles, or just a bratty young one, you're all welcome to attend.

Hope to see you there and join in the fun and activities! ~ Scottie

DOMinion

(Happens Friday before the HPEP meeting)

Greetings, All!

The fantastic D/s SIG convenes this Saturday night my family homestead in Meyerland. The directions are posted to the D/s SIG Yahoo Group.

If you are interested in attending, please subscribe to the D/s SIG Yahoo Group by popping an email to DsSIG-subscribe@yahoogroups.com

There's no set discussion topic for the eve, as we've discovered that we've had some of the most lively & active discussions without one.

See you all at 7:30! - **Sir John** ("Scottish Dom")

Subhaven

(Subhaven is on temporary hiatus until further notice)

Every Friday before the regular monthly HPEP meeting, subHaven, a meeting for submissives is held. This is a chance for submissives/slaves/bottoms/little girls & boys or anyone who does not see themselves as a Dominant/Top/Master/Daddy/Mistress to meet, socialize, bond, discuss and exchange submissive thoughts, ideas and issues. This is a fun, social group, who enjoys getting together and talking amongst friends. A wide variety of topics are covered, from submission 101 to slavery. Switches are welcome as long as they are in bottom mode, but Doms, Tops, Daddies, Mistresses or Masters are strictly prohibited. (Please feel free to escort Your submissive to the meeting, and return to pick them up at the conclusion of the meeting. The Dom meeting is held at the same time, near by, for convenience.) This is not an attempt to be exclusive, and certainly is not intended to offend anyone, but rather to provide an opportunity for those in a submissive role to be open about their needs and concerns without fear, criticism or retribution. (Remember, everything you say here, stays here. This means that although the general topic of the meeting may be public knowledge, no will ever leave this meeting and run tell he said/she said, this is, as the name implies, a haven for submissives .)

D/s SIG

Eric (bigddy31@aol.com)

To all who have an interest in the D/s SIG, I would like to take this opportunity to profusely thank Sir John for his help with the D/s SIG over the last few months and for graciously volunteering his home for the meetings.

There has been so much that I have wanted to do to my own home (where the D/s SIG used to be held) that I have been much more able to accomplish since it now doesn't have to be ready and safe for guests once a month. My banister was rickety enough without my sending you all up the stairs to the restroom without one at all during renovations. LOL Using John's home lets us not have to bounce you all around to varying locations depending on what else is happening. John has also been kind enough to lead excellent discussions on the nights that I am unable to be there and has done a fantastic job. He is quite a guy and I just wanted to take this chance to recognize him for his many contributions to this situation. His many contributions to HPEP in general would take much longer and I'll try to do that in a separate post.

I look forward to future D/s SIGs where, even if my house is covered in sheetrock dust, I can shower it off, grab the ladies, and head over to John's for an evening of the great D/s discussions that we've always had.

Also, for the new or newer folks who haven't had the chance to attend a SIG and have an interest in D/s, please come out and enjoy. I'm certain that you'll have fun and be glad you came since John is an absolute sweetheart and I only bite when it's been previously negotiated (unless you look like Angelina Jolie, then all bets are off). Email me for any info you need and be sure to join the D/s SIG list as John suggested so that you can get all the info first hand.

Best regards,

Eric AKA 'Big Daddy Eric' AKA 'Eric of Eric and Sharon' AKA.. (How many aliases does this guy have for heaven's sake? ;)

HPEP H.E.L.L. (Houston Erotic Literature Lovers) Book & Movie SIG

<http://groups.yahoo.com/group/HELLbooksandmovies/>

HELL meets on the 2nd and 4th Wednesday each month at 7:00 p.m. Movies usually start no later than 8:00 p.m.! Contributions of snacks and beverages are appreciated, but not required. And there'll always be popcorn available (great to throw at the TV during cheesy scenes using fake whips!)

We enthusiastically welcome suggestions for books and movies related to any aspect of BDSM, alternative sexuality, erotica, erotic thrillers, D/s relationships, fetish, or alternative lifestyles, etc. Feel free to e-mail me with **YOUR** recommendations! Better yet, post them to the NEW Yahoo! List:

HELLbooksandmovies@yahoogroups.com

HELL is a group where those interested in reading about and watching books and movies dealing with all aspects of BDSM, Erotica and alternative Lifestyles can meet in a casual, non-academic environment. A typical HELL evening involves a bit of book discussion (anything anyone is reading or the selected HELL book) and general conversation and socializing. We usually have snacks and beverages on hand, provided by the host and the attendees, to enhance the "movie experience" which starts about 8:00, so the meetings usually go from about 7:00 - 10:00 or 11:00, depending on how much discussion ensues after the movie. You are encouraged to come to HELL if you have an interest in reading more about BDSM, both fiction and non-fiction, and/or viewing a variety of sexually-oriented movies: you do not have to read a book to enjoy HELL ,

(although the Mistress of HELL would strongly encourage you to do so. i and other members can be usually persuaded to lend out books for those who purchasing them is a problem...) Join the HELL mailing list by emailing me at mwvixen@swbell.net or joining the HELL Yahoo group (address above) and keep up with the books and movies currently happening. We have a lot of fun and it is a good forum for getting to know other folks in the Community and engage in spirited conversation with your fellow perverts. So now, when someone tells you to "Go to HELL", it does not have to be a bad thing! :)

On June 8th we watched "Caligula" and on the 22nd "The Story of O". In July and August we will be watching "Story of O" the ten-part series, two chapters a meeting, and have a chance to compare it to the original book.

~Toymakers' SIG~

Hello All,

As some of you may or may not have notice the Toy Maker's SIG has not met in a few months. We apologize for the inconvenience to anybody

but David and ann who have been running it have informed me that they are no longer able to run the SIG due to personal issues. In light of these events the HPEP Board is looking for a new leader and/or host for the Toy Maker's SIG. If anybody is

interested in taking on this SIG please e-mail me or any of the other Board members and we can give you more information on what being a SIG leader and/or host entails. If nobody steps up we will have to put the Toy Maker's SIG on hiatus indefinitely till someone does want to take it over.

Thank you

Fifth Angel Weekend

As most of you know, Travis (along with sponsorships and donations from most of the local clubs) arranged for the nationally renowned Fifth Angel to visit us here in Houston for a weekend full of presentations, demonstrations and a general good time for the whole community. The following reports and e-mails tell the story of one heel of a great weekend...

OMG

By Argent's Opal (sent to the New Club e-group)

Good Evening All,

Some of you here know me and my Daddy, and some probably don't. I am not "really" a New Group member (but I could play one on TV!)

I am opal and my Daddy is Argent, and we live over close to Blanco. We came over to Houston for the Fifth Angel weekend. I cannot for the life of me recall which part exactly y'all sponsored, but it really doesn't matter, because no one part was any better than the next one - they were all outstanding.

Travis asked if I might post something I wrote about last week end here for y'all to get an idea of how an "almost outsider" felt about the weekend. We have been to several things in Houston and know many wonderful folks there, so we do not quite feel like total outsiders! Anyway we drove over from Blanco, got

stuck you Houston's amazing traffic and got to the Friday night munch later than we had hoped and thus arrived back at Travis' house later than hoped for ... but ...

omg

omg

omg

I am still trying to write my thank yous to Travis(and melody) and Dale and slave leslie and my words come up so short!

I am trying to process what happened this weekend, and i am still in a fog about some of it, in some sort of subbie space about part of it, in lust about part of it, and in awe of all of it. I am trying to write a sort of trip report so i don't forget any of it.

And Travis doesn't even know about Sunday afternoon and the sword!

On Friday night we were kinda pouting cause it was soooo crowded that we did not get to see much of the actual demo. However - later, we were just sitting in the den when Fifth Angel and a beautiful, i mean amazingly hot beautiful girl came right there and spread a sheet on the floor. He did a "pressure points" take down and right there, literally at our feet, we watched the most lust filled, power filled, heat driven, thing we have either ever been witness to. It was not a scene (well it was) but it was something so powerful and intense and raw that I was shaking at times. Having it end this beautiful and almost innocent looking girl rubbing this white viscous liquid all over her body ... gawddamm.

(if this gorgeous lady reads this list - you are beyond description! I do not know what your relationship is with your SO, so I will just call Him "Sir" and hope it does not offend - but thank you Sir for sharing with the rest of us!)

Saturday evening I sat before Fifth Angel in Travis home with my Daddy there and Travis near by and Fifth Angel placed the cheek spear through my face. I did not realize how much I was crying, not from the pain at all ... it was the most awesome powerful experience I have ever had. I did not go to the "warrior place" that Travis describes. I went inside. There is a lot about that night that I do not remember. The gun play was awesome and I do remember that (damn that girl, what was her name ... in the black dress ... with the gun ... she was sooo hot!!!!) I had the spear from about 8 until about 1 AM when my Daddy said we were getting ready to leave and he was going to take it out. I cannot even think about that without crying. Yes, that hurt and wow, the adrenalin rush was awesome and lasted for over 24 hours ... but it was Daddy, looking into his eyes and feeling him doing it to me / for me / being part of it with me. I cannot even describe it. It still makes me shake to just think about it. I do not look physically at all like the lady in the gun scene or the lady on Friday and I have had some really negative body image issues, even when I was young and a size 9 w big tits and long legs, I had negative issues, and I have never in my life felt beautiful.

I stopped in front of a mirror in Travis hallway and looked at myself that night and thought --- I am beautiful. It was overwhelming to me, and I can touch the spots on my cheeks and get back there in my head.

Sunday morning Daddy gave me a hard hard spanking and I just started to cry, and cry and cry and it was .. I still have to think of the right words to describe it, but I could "see" these dark waves like you see heat in waves and they were going out of my body and I was crying and thinking ... "that's what bad things look like." I thought of some people I have been unkind to, even just had unkind thoughts about and it was like "why? I don't need to feel that way about anyone, ever." I do not have to love everyone, but all that negativity only hurts me and it was like it was just all going away from me. I cried for a long time, and all afternoon there were times i just realized i was crying again.

Back to Travis home for one more seminar and some time to talk with Fifth Angel and eat BBQ and stuff.

We asked Fifth Angel a few questions, one of them was about his Katana. So he went and got it, he took my hand and held it palm up and pressed the point into my palm ... let me tell you, it was sharp!!! Then he took my hair and pulled my head back and ran the blade over my neck ... and yes my head is still attached, but it was pretty awesome anyway! Daddy was watching pretty wide eyed, but then we do play with knives, so he has some that are edge-dull as well. So, then, Fifth Angel looks at me and says "Do you frighten easily?" and (silly me) I say "no." If he ever asks you that question ... trust me here - say YESYESYES I AM A HUGE CHICKEN!!!!

He placed his left hand at the base of my neck to hold my head still and he said "Do not blink, Do not move." in a voice that meant DO NOT EVEN TAKE A BREATH. Then he lifted the sword and placed the sharp point in the interior corner of my right eye and held it there. After a moment as I relaxed a bit, he began to press it in. His hand was firm on my neck and i was very very still, but omg i was shaking. It was so powerful and amazing. He did some more pressure point stuff after he put the sword down, and Daddy learned a couple of them weg!

I was honored to part of the group that witnessed *Travis Father's Day* gift that afternoon, it was a deeply moving thing to have been a part of.

We stayed much later than we intended, but it was such and awesome weekend in the very true sense of the word. Fifth Angel is an amazing man, a powerful person - you can feel the energy around him, even just sitting by the pool! We all know how amazing Travis is ... no joking here, I owe so much more to him than he will ever know. Fifth Angel, getting the chance to talk with him some privately, to see his "intense" workshops, to hear him talk - I have nothing to compare it to.

I wanted to thank both Travis and Melody for having us into their home the entire weekend and making it all so great.

This weekend was an important step in my spiritual journey, and an important one in my life with Daddy. It helped me really relax about the big changes we are hoping are about to happen for us, and to know, beyond any doubts, that it is all good, that my Daddy is an amazing man also and that I trust him beyond anything I can put into words, and that our life here, in this group of people is so very very special.

Thank you to The New Club and everyone who worked hard to make the weekend special.

Was Scott (darn it, was that the right name...??? the gentleman doing all the cleaning up all weekend????) part of your group? He was awesome as well! How great to be able to serve in that way and make everyone's evening - weekend so much nicer and easier! Thank you!

big kudos and warm Blanco hugs to everyone in that wonderful Houston community!

sincerely,
opal (and Daddy Argent had a great time too!)

Travis' Father's Day Gift

By Travis

What happened between Scott and I was not a "scene" in the S*M sense. It was much more like a tribal tradition / journey sort of thing. It was what is called a "hook pool".

Think of the movie "A man called horse" where the hero had hooks put in his chest and was then suspended from a tree from those hooks. That is close to what happened.

It was Father's Day and Scott had gotten to know Fifth Angel well. It was Fifth Angel who suggested this as a very special way for Scott and I to share this Father's Day.

(to those who do not know my son, he is 23).

The first thing that happened was that Fifth Angel pierced my cheeks with a cheek spear. This is incredibly awesome for me, and allows me to really move on to most anything else in a powerful way. I then moved aside to enjoy the feeling of that, and Fifth Angel moved to Scott. He placed two 10 gauge "fish hooks" in the upper part of Scott's chest. He then did the same to me. He attached cords to both of our sets of hooks.

he then attached Scott's cords to mine so that we could "pull" against each other, and let us go. This was a marvelous point of spirituality and connection between Scott and I. There was not silliness or attempts at hurting one or the other. It was constant gentle pressure, each of us pulling back. We then joined one hand, and finally both hands so that we were giving each other mutual support at the same time we were "pulling apart". That was simply about as marvelous a feeling of connection as one can imagine, and an awesome analogy to how we try and live our own lives as he has grown and our lives necessarily "pull apart". Supporting each other through that pain, staying connected through that pain of separation.

then separately we were "strung up" by those cords to the hooks in my den ceiling. So it was now very much like the Indian Sundance Ceremony depicted in Man Called Horse. Wow, I I cannot describe that feeling, but intense and powerful are words that would sure would have to be part of it. If it was not a party time where others were around, Scott and I both swear that we would have stayed there until the hooks pulled out, the sensation was so powerful.

anyway, Scott and I got hooked and pierced, Melody had two cheek spears, one Friday, one Sunday. Ruby got prodded and pushed and pierced and played with guns, and crossed so many piercing boundaries with those incredible hooks (Not just needles) in her back. Caron is still flying from her piercings. Max looked even more regal and powerful in her new cheek spear piercing. So did Gracie, so did Opal from the Austin area.

All in all Sunday there were more than 20 people pierced, most of them "virgin" at piercings who had long held this as a great fear and a boundary never to be crossed.

So many tears of joy and tears of accomplishment and of "hills that got climbed".

Lots more happened, just as special, at the Pressure points workshop on Friday, the med play on Saturday, and the Gun play on Saturday night. (Fifth Angel is sending us a special note on his gun play class), but suffice it to say there were several orgasms from sex with double barreled 12 gauge shot guns, and some people declared deep and abiding love for glock handguns and ak 47 assault rifles.

it was one of the most educational, joyful, hot, intense, powerful weekends that I have ever been a part of in the BDSM world, here or any place else. It was special. It was so special, not just to us, but to Fifth Angel and Leslie that they asked if they could extend their stay so they could be here all night Sunday (and we had enough money come in from the parties that we were able to cover the increased air fare to do it) and continue to help any and all that wanted it for as long as anyone wanted to talk, share, learn or experiment. Fifth Angel started teaching Friday at 8:00 pm after joining us for Third Friday dinner. He quit with his last play on someone who really wanted to be played by Fifth Angel at 1:00 am Monday morning.

my guess is that a lot of "play" in Houston will change because of this weekend. Watch for all the pressure point stuff, and watch for the number of medical staple guns you see in the future play around here. Many folks learned more then how to pierce, but how to take folks that are afraid of it, and take them way out there and make them fly with much more then they ever thought they could do.

Great weekend. I think we got our money's worth out of this guy and his slave, and personally I had an incredible time with my son, with hundreds of friends that shared the parties and seminars, ate barbecue and swam together, and increased a great friendship with Fifth Angel and Leslie. An awesome weekend for me.

A Letter From 5th Angel (apparently the Houston community made an impression on Fifth Angel too...)

Hi Everyone,

First I would like to put a few minds at rest. During my gun play class I had stated my weapons were loaded at times. Yes, they were, but with bullets that had no primers or powder in them. Additionally, all the weapons I used had the firing pins removed. I had to maintain this illusion for the sake of demonstration assistances and for those I played with that night. I think we can all see the impact that guns can have even when they are completely safe in a physical manner. And I hope all of you know I would never trust Mel to point a loaded working firearm at me.(at Travis, yes, .but never at me :) Oh, even after Ruby knew the weapons were useless, she still had orgasms with them.

On to the long list of thank you notes, first and foremost is Travis for bringing me out there and sharing his home. Next comes Ruby and Measly for their outstanding ability to hold up under the pressures of being a demonstration bottom. I must say that Ruby stepped far outside of what I would call a bottom and into the realm of a spiritual traveler. I am happy that we were able to share that with all of you. You brought tears to my eyes Ruby, I am very proud of you.

I would like to thank all of the others kind folks who stepped up and let me press, poke and stab them. Without your help I would not have been able to teach my classes.

Safari Mike, a man who literally gave me the shirt off his back, you are one of a kind. Next time we play at your house too.

Hmm. Texas Pride. What an understatement when it comes to gift giving. From post-it notes to lawn furniture, you all are very proud of your community and it shows. Never have I received such generosity and kindness. Shoot, I think I am ready to move there, I love you people :) One draw back, I think I gained 10 pounds in three days from eating all the great food.

This email and the words contained in it seems trivial to what you all gave me, which are memories that will last a lifetime. Some of you may not know this, but I changed my flight and work schedule on Sunday afternoon so I could spend an extra night in Houston. I felt as though I was at home already.

Sincerely,

Dale (Fifth Angel)

A Letter from Slave leslie

Hello All,

Though Master has already asked Travis to post a "thank you" to the list, I would also like to express my appreciation personally. I had a wonderful time in Houston, and I was totally blown away by the warm hospitality, openness, and friendliness of everyone we met. I am delighted to have met you all; I feel I have made some new friends. Extra big thanks to those who traveled so far to attend Master's workshops and to spend time with us. As Master mentioned, we did rearrange our schedule so we could spend an extra day in Houston, and it sure was worth it - Travis made me swear out loud and that's not a common occurrence. The gift basket was a total surprise with lots of great stuff -- Y'all do things BIG in Texas. I've already used "The Tex-Mex Cookbook" to make Chili Gravy, Larry's Cheese Enchiladas, and Los Tios Mexican Rice - all of which Master survived :-)

A personal thank you to Measly for bottoming to the NG tube - that's one of those "better you than me" scenes.

We very much look forward to coming out to visit again. If y'all only had mountains right there to climb... it could be more than a visit. Thank you all again so much, for everything.

Take care,

START GETTING READY NOW FOR MR. WORLD LEATHER 2006!

2006 will be the inaugural year for Mr. World Leather. Will the contest make the man or will the man make the contest?

Who will be the first man to wear the Mr. World Leather shawl of service? If you are thinking about running next year or would just like to come out and see what makes World a different kind of contest ... start making plans now to attend this year's Ms. World Leather 2005 event, which will be held in Las Vegas, Nevada, August 26-28, 2005.

You'll see seasoned and experienced leather women promoting their causes before the audience and judges. You can expect well-developed presentations and inspiring speeches. Each woman also competes for the right to name the cause that will be in the spotlight for the following year. Get to know each contestant at "Ms World Glo," a talk show-like format where each contestant will be introduced and tell more about herself. And don't forget Crossfire, a Ms. World tradition in which contestants face the press for an intense five minutes of provocative questions and answers.

Community, commitment and compassion are the qualities that characterize Ms World Leather. It will take a special man to show his heart to the world. Is that you?

The host hotel is the Boardwalk Casino, located in the heart of the Vegas Strip, between the Bellagio and the Monte Carlo, at 3750 Las Vegas Blvd South. The Boardwalk offers a convenient location and size, with all the amenities of the "Mega" resorts, plus a 24-hour buffet restaurant, a café that serves breakfast and lunch, a 24-hour deli, a coffee shop, and even a sushi bar. The casino includes a plethora of slots and table games, and the Lighthouse Lounge features live entertainment. Guest rooms are spacious, with all the amenities you'd expect. To learn more about this year's host hotel, visit the accommodations page of the Ms World Leather web site at www.MsWorldLeather.com.

We've arranged for special rates for Ms. World Leather attendees: Thursday and Sunday night rates are \$59.00/night, plus tax, and Friday/Saturday rates are \$119.00, plus tax. To qualify for this special rate, just call the hotel's reservation number, at 1-800-635-4581, tell them that you're attending Ms. World Leather, and make your reservations no later than July 25, 2005.

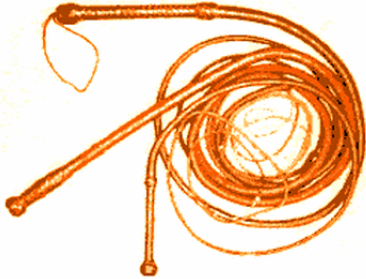

Gambling, fun and sun aren't the only reasons to attend this year's event. So mark your calendars and join Ms World Leather and their sponsor Folsom Street Events for a weekend that promises education, excitement and maybe a win at the gaming tables!

For more information about Ms. World Leather, visit our Web site, at: www.MsWorldLeather.com, e-mail us at: info@MsWorldLeather.com, contact us by phone at: 910-350-8866 or write to us at: World Leather Organization, P.O. Box 12871, Wilmington, N.C., 28405-7727.

Bullwhips in the Backyard!

Every other Saturday is time for Bullwhips in the Backyard.
10 a.m. 'til 11:30 a.m.
Every other Saturday
(Email masterwh@swbell.net for exact dates)

If you are just learning or are a seasoned pro just come on out. We'll have folks who can give hands on demo's and others who want to learn and yet others who get a sexual thrill from hearing the crack of the whip. (Whip groupies welcome!)

Remember, if we get rained out we have several bullwhip videos we can watch. We discuss topics such as care of the whips, whips websites that are available on the Internet etc. So, there will always be something to do.

Beverages, in the form of coffee, water, sodas etc will be available. If you feel like bringing something, go ahead, we won't turn it down.

Come on out and we will crack some whips, have fun and discuss what we want to get out of these practices.

And if you are interested and want to know more, e-mail me Ken, a.k.a. *Masterwhip at....*
masterwh@swbell.net

Also, vixen and others convinced me that the right thing to do is form a Yahoo Group for all the folks interested in bullwhips, so here is the link to the new Bullwhips in the Backyard Yahoo Group:

New Fetish/Swingers Club: Club Cave

Dear Group

Club Cave, the new club that is in the same building that Club Chicago (the old meeting space of years ago for HPEP), over just south of Richmond and between Hillcroft and Fountainview, is becoming a bit more Fetish. They had been doing Fetish Night on Wednesday, but they have moved that to Friday. And this coming Friday is Friday the 13th, and mean, how much more Fetish do you want. These people are trying hard to make something special, so why not go try them out.

Travis

FETISH FRIDAY - Okay, it's Fetish Friday, but what does that mean? It's still couples and single females only. All the same Club Rules still apply. The difference is that we've dropped Friday's Cover for members to \$25.00 and we even take \$5.00 off of that if you bring in your Fetish Gear or Fetish Wear! The cover can be as low as \$20 for member couples! Also, we will have demonstrations earlier in the evening, sometimes in one of our 2 dungeons, or sometimes on the dance floor if more room is needed. New BDSM Women's Group: Just Us

Max Rulz has started a new group for ALL females in the community regardless of orientation, that will meet once a month on Sunday afternoons for a demo, or presentation, discussion and potluck meal. JustUs Women's group is going to be an informal meet, greet and eat so to speak. It will be a relaxed gathering of the women in the Houston BDSM community. There will be No play just discussion and support. There will be no Top or bottom hats worn though we will discuss issues relating to both. JustUs will be an environment where we can share our experiences and educate in hopes to keep our minds stimulated and our asses safe! There will be workshops. In addition to tapping into the wealth of experience many of the Women have here, I plan on bringing in women I have had the opportunity to meet and learn from over the years for instance Vi Johnson in September--It should be a blast--please come and join us. We will be meeting on the fourth Tuesday of the month. For information please contact; memistress@themistressrulz.com
<http://www.smartgroups.com/groups/JustUsTexas>

A special announcement from Max Rulz.

I am so excited about this. Vi Johnson has agreed to come to Houston the weekend of September 23rd to meet with JustUs (the Women's group) I would like as many people as possible to be able to meet this amazing woman. Listening to her experiences over some 25 years is something that should not be missed. Now, so there is no confusion. Vi is coming to Houston to meet with the JustUs group, but that is not all she is coming for. Vi will be here for 4 days, that will include the JustUs Women's meeting, a meeting open to the community Friday night, talks on Saturday, a party Saturday night, and a barbecue at my home Sunday. Vi's coming is something that Max has put together for the whole community and I am so thrilled she is doing this. For those of you who do not know her, Vi was the very first person that I wanted to bring in as a presenter when the Houston S&M Ball started having presenters. To me, she was "The best". The one you wanted to talk to if you could only talk to one person in the scene. She is absolutely universally loved and respected by every one who meets her. Just ask any of the folks who met her at that S&M Ball weekend in

Houston. She is the author of To Love, To Obey, To Serve, and has been a lifetime slave to her life partner, Jill. (and when she says "slave", believe me that is what she means.) Read that book to find out what it was like for her "in the good old days". (and if you have any "vampire" thing, you really need to talk with her.) So whatever club affiliation you have, I strongly suggest that you come to meet Vi. You will be impressed, and you will love her, the way all of us that know her do. She has a website at:

Daddy of Montrose 2005

For those of you who know this wonderful individual, you will not be surprised to hear of another title notch on that belt. I am pleased to announce that the new Daddy of Montrose 2005 is none other than our own Shameless.

Shameless is only the second female to ever have held this title, and I know that it will be well represented in both the leather and LGBT community.

That makes two of the Darksyde family members to hold this title, Sir Korwin being Daddy of Montrose 2003.

The Kinky Girls Guide to Dating

When the guy your mother warned you about is exactly the guy you're looking for, the usual rules of dating aren't going to help you out much. Learn from one girl's mistakes and she's made some doozies as you find out what life is like for a single woman today in the world of dominance, submission, BDSM, fetish and kink. The personal ads and the chat rooms, the fetish clubs and the leather conferences for the single woman whose sexual fantasies run toward the unconventional, the options are bewilderingly numerous. The rewards are tantalizing love, excitement, unparalleled sexual thrills. But the risks loneliness, sorrow, even violence are real and frightening. These are hilarious, sexy and often very touching stories.

The Lazy Crossdresser

Studies show that as many as 5% of American men crossdress regularly - but not all of them want to crossdress fully or publicly. Charles Anders, a writer and crossdresser of many years' experience, gives you the skills and confidence you need to crossdress as much - or as little - as you want: embarrassment-free clothes shopping, doing your makeup, making decisions about your head and body hair, and much more. Unlike crossdressing manuals that insist on nothing less than perfect passable femininity, 'The Lazy Crossdresser' gives you permission to experiment: 'The moment you put on a dab of lipstick or a pair of panties, you've stepped outside the magic circle. There are no rules.' Hints, ideas, stories, emotional support, and illustrations to help you become the creature you've dreamed of being!

The Whole Lesbian Sex Book

Highlights include descriptions of sex writer Tristan Taormino's private consultation with Betty Dodson, the author of Sex for One described as "the mother of masturbation": "I was so excited about this adventure that I nearly peed in my pants," recalled Taormino, "I was going to touch myself for Dr. Betty

Dodson!" (In the end, Newman reports, "Tristan earned an A+ in pelvic thrusting, but got a big 'needs improvement' in the breathing department.") Although it sometimes skimps on the details, especially with regard to women's health, *The Whole Lesbian Sex Book* is so rich, inclusive, and authoritative that it invites challenge. Now inventive lovers can ask each other: "Is it in *Whole Lesbian*?"

Macho Sluts

This is the book for the bad girl – or boy – in everyone. Unrepentant dykes, good and bad cops, modern mistresses and latter-day vamps all vie for the ultimate hook-up in this re-released classic BDSM anthology. Califia's writing and knack for telling a good story are featured in tales such as contemporary vampire's search for love, and a lesbian gang-bang as the ultimate test of devotion.

Best Bondage Erotica

Get tied up in the best bondage fiction available. From the publishers of the best-selling Best Erotica series come these steamy, thought-provoking stories of sexual adventuring by M. Christian, Cara Bruce, and Mitzi Szereto among others. Whether tied up with rope or bound by a lover's command, these authors probe the erotic spectrum of desire.
