### **Bondage SIG**

At our June meeting, June 12, we will be fortunate to have Jean from EROS give us a presentation on her mummification techniques. In July, our topic will be non-rope bondage. So, get out your straitjackets, bondage gloves, body bags, leather straps, or any other technique you use for non-rope bondage and share it with us. In August we will explore using poles as props, where instead of bamboo poles, we will use PVC pipes to which we tie our bottoms.

Our SIGs are hands on. We tie people up. We explore a range of bondage techniques. Novice, intermediate and advanced players are welcome. Tops and bottoms have good times in a social environment. Come join us.

### **The HPEP Poly SIG**

Sir Ryan, the Dragon, HPEP Board of Directors, HPEP SIG Liaison / Poly SIG Leader:

The HPEP Poly SIG is a wonderful discussion group for those who in poly relationships, or are interested in the subject of being poly. It's usually an open topic forum where things have been discussed from coming out to family/children/parents, to what is your ideal poly family structure. You do not have to be poly yourself, or be in a poly relationship to attend a meeting; just an interest in the topic of being poly. As a side note we are not a swingers group, nor an orgy. You can visit us on our Yahoo Group at:

[http://groups.yahoo.com/group/HPEP\\_PolySIG](http://groups.yahoo.com/group/HPEP_PolySIG).

For any question you can contact the SIG leader at [Poly@hpep.org](mailto:Poly@hpep.org).

## **The HPEP Age-Play SIG**

The Age-play Sig is now being held on the THIRD SATURDAY of the month, but is CANCELLED for June. The group has been very active with its meetings and discussions. In the up coming months there will be a pool party night, theme nights, movie nights, discussions and weekend outings. The meetings are being kept non-age specific so that everyone of age-play can come, enjoy themselves, and learn.

Age-play does not and will not involved real children/minors of any kind. But what it does do is involve us adults that act like and pretend to be children! Even if your not into age-play but would like to find out what it is about, you are welcome to attend. So if your a 'lil boy or girl, toddlers, teenagers, Mommies or Daddies, Aunties or Uncles, or just a bratty young one, your all welcome to attend.

Hope to see you there and join in the fun and activities! ~ Scottie

## **DOMinion**

(Happens Friday before the HPEP meeting)

CANCELLED for June

Greetings, All!

The fantastic D/s SIG convenes this Saturday night my family homestead in Meyerland. The directions are posted to the D/s SIG Yahoo Group.

If you are interested in attending, please subscribe to the D/s SIG Yahoo Group by popping an email to DsSIG-subscribe@yahoogroups.com There's no set discussion topic for the eve, as we've discovered that we've had some of the most lively & active discussions without one.

See you all at 7:30! - Sir John ("Scottish Dom")

## **Subhaven**

**(Subhaven is on temporary hiatus until further notice)**

Every Friday before the regular monthly HPEP meeting, subHaven, a meeting for submissives is held. This is a chance for **submissives/slaves/bottoms/little girls & boys** or anyone who does not see themselves as a Dominant/Top/Master/Daddy/Mistress to meet, socialize, bond, discuss and exchange submissive thoughts, ideas and issues. This is a fun, social group, who enjoys getting together and talking amongst friends. A wide variety of topics are covered, from submission 101 to slavery. Switches are welcome as long as they are in bottom mode, but Doms, Tops, Daddies, Mistresses or Masters are strictly prohibited. (Please feel free to escort Your submissive to the meeting, and return to pick them up at the conclusion of the meeting. The Dom meeting is held at the same time, near by, for convenience.) This is not an attempt to be exclusive, and certainly is not intended to offend anyone, but rather to provide an opportunity for those in a submissive role to be open about their needs and concerns without fear, criticism or retribution. (Remember, everything you say here, stays here. This means that although the general topic of the meeting may be public knowledge, no will ever leave this meeting and run tell he said/she said, this is, as the name implies, a haven for submissives .)

## **D/s SIG**

Eric ([bigddy31@aol.com](mailto:bigddy31@aol.com))

To all who have an interest in the D/s SIG, I would like to take this opportunity to profusely thank Sir John for his help with the D/s SIG over the last few months and for graciously volunteering his home for the meetings.

There has been so much that I have wanted to do to my own home (where the D/s SIG used be held) that I have been much more able to accomplish since it now doesn't have to be ready and safe for guests once a month. My banister was rickety enough without my sending you all up the stairs to the restroom without one at all during renovations. LOL Using John's home let's us not have to bounce you all around to varying locations depending on what else is happening. John has also been kind enough to lead excellent discussions on the nights that I am unable to be there and has done a fantastic job. He is quite a guy and I just wanted to take this chance to recognize him for his many contributions to this situation. His many contributions to HPEP in general would take much longer and I'll try to do that in a separate post.

I look forward to future D/s SIGs where, even if my house is covered in sheetrock dust, I can shower it off, grab the ladies, and head over to John's for an evening of the great D/s discussions that we've always had.

Also, for the new or newer folks who haven't had the chance to attend a SIG and have an interest in D/s, please come out and enjoy. I'm certain that you'll have fun and be glad you came since John is an absolute sweetheart and I only bite when it's been previously negotiated (unless you look like Angelina Jolie, then all bets are off). Email me for any info you need and be sure to join the D/s SIG list as John suggested so that you can get all the info first hand. Best regards,

**Eric AKA 'Big Daddy Eric' AKA 'Eric of Eric and Sharon' AKA.. (How many aliases does this guy have for heaven's sake? ;)**

## **HPEP H.E.L.L. (Houston Erotic Literature Lovers) Book & Movie SIG**

<http://groups.yahoo.com/group/HELLbooksandmovies/>

HELL meets on the 2nd and 4th Wednesday each month at 7:00 p.m. Movies usually start no later than 8:00 p.m.! Contributions of snacks and beverages are appreciated, but not required. And there'll always be popcorn available ( great to throw at the TV during cheesy scenes using fake whips!)

We enthusiastically welcome suggestions for books and movies related to any aspect of BDSM, alternative sexuality, erotica, erotic thrillers, D/s relationships, fetish, or alternative lifestyles, etc. Feel free to e-mail me with **YOUR** recommendations! Better yet, post them to the NEW Yahoo! List:

[HELLbooksandmovies@yahoogroups.com](mailto:HELLbooksandmovies@yahoogroups.com)

HELL is a group where those interested in reading about and watching books and movies dealing with all aspects of BDSM, Erotica and alternative Lifestyles can meet in a casual, non-academic environment. A typical HELL evening involves a bit of book discussion ( anything anyone is reading or the selected HELL book) and general conversation and socializing. We usually have snacks and beverages on hand, provided by the host and the attendees, to enhance the "movie experience" which starts about 8:00, so the meetings usually go from about 7:00 - 10:00 or 11:00, depending on how much discussion ensues after the movie. You are encouraged to come to HELL if you have an interest in reading more about BDSM, both fiction and non-fiction, and/or viewing a variety of sexually-oriented movies: you do not have to read a book to enjoy HELL , (although the Mistress of HELL would strongly encourage you to do so. i and other members can be usually persuaded to lend out books for those who purchasing them is a problem...) Join the HELL mailing list by emailing me at [mwixen@swbell.net](mailto:mwixen@swbell.net) or joining the HELL Yahoo group ( address above) and keep up with the books and movies currently happening. We have a lot of fun and it is a good forum for getting to know other folks in the Community and engage in

spirited conversation with your fellow perverts. So now, when someone tells you to "Go to HELL", it does not have to be a bad thing! :)

On April 27<sup>th</sup> we watched "Slaves" and May 11<sup>th</sup> "Wife to be Sacrificed" ( Reviews to follow) June movies TBA.

## Fifth Angel Weekend

Dear Group

Ok, for the next month or so you will be getting lots of email from me updating you on this great weekend. As a reminder, Fifth Angel is probably the most "in demand" presenter in the United States right now. He is a featured presenter at Thunder in the Mountains this coming July, and is pretty much asked to present every place there is a place to present. He and his slave Leslie are just wonderful people, and I consider myself so lucky that they are friends. He has hung me from trees, pierced my cheeks several times with cheek spears, and been a great friend in other ways. I am thrilled to have him come and let the rest of you from Houston find out how great he is.

Here is the current schedule:

1. **Friday June 17th.** Safari Club is graciously sponsoring the Fifth Angel Friday night.

7:00 pm. Fifth Angel will do a **"Pressure Point" workshop** at my home. This workshop changed the way I play. It may not sound like much, but martial artists use this sort of thing frequently and it can be immensely painful, or it can be soothing and sensual. It has been the only thing I have found that can get some bottoms that "disassociate" to come back to the scene and be more "present", as the pain can be some intense and so precise that they can not move away from it. This is powerful stuff.

9:00 pm ( or whenever the Presentation on pressure points ends) , the **Safari Party** starts. This will be open to Safari members and those who attend the presentation or just want to come meet Fifth Angel and Leslie. The party rules will be Safari party rules, which I believe to be pretty open to all sorts of sexuality as well as normal play.

2. **Saturday June 18th**

a. EROS Saturday afternoon. Fifth Angel and Leslie will present on **Medical play** Saturday afternoon. We will need a "victim" for this. here is what Fifth Angel said about his potential demo victim. If you think you would like to do this, let me know as soon as possible. If you are a bottom, this will be an experience you will always remember, playing with one of the really great tops, in an area where he is truly an expert.

b. Ok, I ain't got Saturday night totally figured out yet, but am working on it. So sue me. There will be a demo and a **party**, sponsored by TNC and possibly another group that I am working with right now. The demo will probably be "Gun play". Yup, Fifth Angel is teaching that at Thunder and I want him to do it here. This is maybe "the " controversial form of play, even ahead of Breath Play. I think it is hot, and I think having him present it here will be hot. Times and location will be announced soon.

3. **Sunday June 19th**

**Barbecue and presentation** at my house Sunday starting at 1:00pm (I pick that time so we can all wake up and you church folk can get back from church). The presentation will be on something like "processing pain", but that is being talked about with Fifth Angel right now. I am letting him decide on that subject. There will be, like we did for Barbara Nitke, a big barbecue. So bring your favorite barbecue side dishes. Go out of your way, bring great stuff. Those of you who do your own barbecue, bring meats. I will do a brisket or two, and have some sausage here. But we need more, much more. Bring FOOD.

Bring your swim stuff, towels, your violins, cellos, harps, guitars, and fun attitudes, because we want this to be a fun afternoon of light hearted talk and heavy handed eating.

Travis  
P.S.

Just a note to say that we will need various forms of helpers for the Fifth Angel weekend, June 17-19.

First, we will need folks to help set up and tear down for the various functions, at my home and elsewhere.

lots of set up and clean up help will be needed for the parties and barbecue.

And here is the fun part. Fifth Angel will need demo bottoms for his workshops. Pressure points, medical play, gun play, needle play, etc, all will need willing, excitement seeking folks.

If you are desirous of helping one of the really great Tops in our community on a really great weekend, write to me and let me know and we will try and work it to where you have a great weekend.

Here is what Fifth Angel said about the Medical play demo bottom.

One request Sir, please find me a bottom that I can make into a patient. I would like to do the following:

Urinary Catheter, Stapling, Suturing, Naso-gastric Tube, injections (shots of saline) and an IV. The bottom will get to dress like a patient also which will include the booties, a gown and cap.

If this, or any of the other "classes" sounds like fun to you, reply and let me know. If you are willing to help with the other stuff, set up and clean up, let me know on that as well.

Travis

## Masters' Retreat VIII

Hi Folks, I am passing along the following from **Master Z** regarding Masters' Retreat VIII. I have been to Masters' Retreat three times and each time I get so much out of it, FYI is not just for Masters it is geared for all Dominants.

In Leather Spirit,  
Ces Williams

Dear Brothers and Sisters in Leather,

Just wanted to take the opportunity to let everyone know that the details for Masters Retreat VIII have been finalized for June 24-26, 2005 and it is being held in Dallas, Texas.

The purpose of the Master's Retreat is to bring together a diverse group of people who have a sincere interest in the Dominant/submissive lifestyle. The Retreat will offer an open and safe environment where participants will engage in an exchange of knowledge and information. Knowledgeable and experienced facilitators will be in each of the scheduled sessions to present information and to facilitate discussion among participants. The Retreat is open to anyone who identifies as Daddy, Master, or Mistress, regardless of sexual orientation or gender, and who desires to be served by a boy, boi, submissive, or slave. Experience with or possession of a submissive is not a requirement for attending. Since space is limited, applications will be reviewed in order to assemble a group that is diverse in terms of experience, gender, sexual orientation, and geography.

These sessions are dynamic and we are proud to announce that this year, our keynote speaker and member of the faculty is Master Skip Chasey.

We will be hosting this inspiring weekend event at the Crowne Plaza Market Center in Dallas with a fantastic room rate of \$63.00 per night.

For additional information and to register, please go to [www.leathernetwork.com](http://www.leathernetwork.com)

Again participant space is limited so get those applications in early.

If you have questions, please feel free to contact me.

[superb@airmail.net](mailto:superb@airmail.net)

Also, I would appreciate it if you share this with any other groups you may be on.

In Leather Heart and Spirit,

Master Z  
International Master 2004  
Co-Producer of Masters Retreat

## **START GETTING READY NOW FOR MR. WORLD LEATHER 2006!**

2006 will be the inaugural year for Mr. World Leather. Will the contest make the man or will the man make the contest?

Who will be the first man to wear the Mr. World Leather shawl of service? If you are thinking about running next year or would just like to come out and see what makes World a different kind of contest ... start making plans now to attend this year's Ms. World Leather 2005 event, which will be held in Las Vegas, Nevada, August 26-28, 2005.

You'll see seasoned and experienced leather women promoting their causes before the audience and judges. You can expect well-developed presentations and inspiring speeches. Each woman also competes for the right to name the cause that will be in the spotlight for the following year. Get to know each contestant at "Ms World Glo," a talk show-like format where each contestant will be introduced and tell more about herself. And don't forget Crossfire, a Ms. World tradition in which contestants face the press for an intense five minutes of provocative questions and answers.

Community, commitment and compassion are the qualities that characterize Ms World Leather. It will take a special man to show his heart to the world. Is that you?

The host hotel is the Boardwalk Casino, located in the heart of the Vegas Strip, between the Bellagio and the Monte Carlo, at 3750 Las Vegas Blvd South. The Boardwalk offers a convenient location and size, with all the amenities of the "Mega" resorts, plus a 24-hour buffet restaurant, a café that serves breakfast and lunch, a 24-hour deli, a coffee shop, and even a sushi bar. The casino includes a plethora of slots and table games, and the Lighthouse Lounge features live entertainment. Guest rooms are spacious, with all the amenities you'd expect. To learn more about this year's host hotel, visit the accommodations page of the Ms World Leather web site at [www.MsWorldLeather.com](http://www.MsWorldLeather.com).

We've arranged for special rates for Ms. World Leather attendees: Thursday and Sunday night rates are \$59.00/night, plus tax, and Friday/Saturday rates are \$119.00, plus tax. To qualify for this special rate, just call the hotel's reservation number, at 1-800-635-4581, tell them that you're attending Ms. World Leather, and make your reservations no later than July 25, 2005.

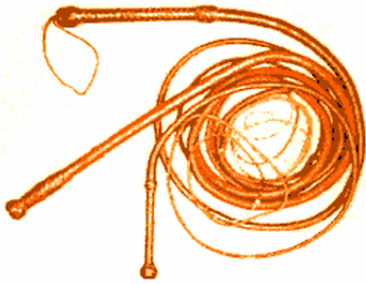

Gambling, fun and sun aren't the only reasons to attend this year's event. So mark your calendars and join Ms World Leather and their sponsor Folsom Street Events for a weekend that promises education, excitement and maybe a win at the gaming tables!

For more information about Ms. World Leather, visit our Web site, at: [www.MsWorldLeather.com](http://www.MsWorldLeather.com) , e-mail us at: [info@MsWorldLeather.com](mailto:info@MsWorldLeather.com) , contact us by phone at: 910-350-8866 or write to us at: World Leather Organization, P.O. ## Bullwhips in the Backyard!

Every other Saturday is time for Bullwhips in the Backyard.

10 a.m. 'til 11:30 a.m.

Every other Saturday

( Email [masterwh@swbell.net](mailto:masterwh@swbell.net) for exact dates)

If you are just learning or are a seasoned pro just come on out. We'll have folks who can give hands on demo's and others who want to learn and yet others who get a sexual thrill from hearing the crack of the whip. ( Whip groupies welcome!)

Remember, if we get rained out we have several bullwhip videos we can watch. We discuss topics such as care of the whips, whips websites that are available on the Internet etc. So, there will always be something to do.

Beverages, in the form of coffee, water, sodas etc will be available. If you feel like bringing something, go ahead, we won't turn it down.

Come on out and we will crack some whips, have fun and discuss what we want to get out of these practices.

And if you are interested and want to know more, e-mail me Ken, a.k.a. *Masterwhip at...*

[masterwh@swbell.net](mailto:masterwh@swbell.net)

Also, vixen and others convinced me that the right thing to do is form a Yahoo Group for all the folks interested in bullwhips, so here is the link to the new Bullwhips in the Backyard Yahoo Group:

<http://groups.yahoo.com/group/Bullwhipsinthebackyard>

This event is open to all Single tail Enthusiasts regardless of Club orientation, yada yada, and all the usual disclaimers. Eye protection and hats are strongly encouraged ☺!

## **The Open Door**

<http://groups.yahoo.com/group/TheOpenDoor-Houston/>

The Open Door meets at 7:30 p.m. at Travis' house ( email for directions). It is a D/s discussion and mentoring group. A pot-luck or themed dinner precedes the evening's topic.

Hi Folks,

June is going to be a busy month since Fifth Angel is coming in on the third weekend and Travis and I will be in Dallas for Masters Retreat the 4th weekend of the month. So we are canceling the Open Door meetings for June. I figure folks might like to save their money for the play party and all that stuff that will take place at Travis's house and elsewhere.

For those of you who have never seen Fifth Angel you are in for a real treat. For the masochist in our midst the chance to bottom for this man is an opportunity of a lifetime. I had the privilege of meeting Fifth Angel at Tribal Fire about 3 years ago in Oklahoma City his workshops were packed.

Of course it could be I really like this man because he hung Travis from a tree!! <g>

In Leather Spirit,

Ces Williams

You don't stop laughing because you grow old, you grow old because you stopped laughing.

## **New Fetish/Swingers Club: Club Cave**

Dear Group

**Club Cave**, the new club that is in the same building that Club Chicago (the old meeting space of years ago for HPEP), over just south of Richmond and between Hillcroft and Fountainview, is becoming a bit more Fetish. They had been doing Fetish Night on Wednesday, but they have moved that to Friday. And this coming Friday is Friday the 13th, and mean, how much more Fetish do you want. These people are trying hard to make something special, so why not go try them out.

Travis

**FETISH FRIDAY** - Okay, it's Fetish Friday, but what does that mean? It's still couples and single females only. All the same Club Rules still apply. The difference is that we've dropped Friday's Cover for members to \$25.00 and we even take \$5.00 off of that if you bring in your Fetish Gear or Fetish Wear! The cover can be as low as \$20 for member couples! Also, we will have demonstrations earlier in the evening, sometimes in one of our 2 dungeons, or sometimes on the dance floor if more room is needed. Please see the Website for more details!

**Saturday June 4th - Sexiest Thong Contest.** Ladies, wear your sexiest thongs and receive door prizes and participate in our contests.

**Saturday June 11th - Dirty Doctors and Naughty Nurses.** Guys be sure to pick up a pair of Scrubs and ladies pick up a Nurse Outfit for this Tremendous theme party.

**Saturday June 25th - Tantric Hearts Workshop.** "Snake Charming" - Secrets of Touch for Arousal and Intimacy. \$85 per couples, please visit the Tantric hearts website to register for classes! [www dot Tantrichearts dot com](http://www.dotTantrichearts.com) (moved back one week from June 19th).

## ( New BDSM Womens' Group)

### Just Us

**Max Rulz** has started a new group for ALL females in the community regardless of orientation, that will meet one a month on Sunday afternoons for a demo, or presentation, discussion and potluck meal.

JustUs Women's group is going to be an informal meet , greet and eat so to speak. It will be a relaxed gathering of the women in the Houston BDSM community. There will be No play just discussion and support. There will be no Top or bottom hats worn though we will discuss issues relating to both.

JustUs will be an environment where we can share our experiences and educate in hopes to keep our minds stimulated and our asses safe! There will be workshops. In addition to tapping into the wealth of experience many of the Women have here, I plan on bringing in women I have had the opportunity to meet and learn from over the years for instance Vi Johnson in September--It should be a blast--please come and join us.

We will be meeting on the fourth Tuesday of the month .For information please contact me

[mistress@themistressrulz.com](mailto:mistress@themistressrulz.com)

<http://www.smartgroups.com/groups/JustUsTexas>

### **A special announcement from Max Rulz.**

I am so excited about this. **Vi Johnson** has agreed to come to Houston the weekend of September 23<sup>rd</sup> to meet with JustUs ( the Women's group)

I would like as many people as possible to be able to meet this amazing woman. Listening to her experiences over some 25 years is something that should not be missed."

Now, so there is no confusion. Vi is coming to Houston to meet with the JustUs group, but that is not all she is coming for. Vi will be here for 4 days, that will include the JustUs Women's meeting, a meeting open to the community Friday night, talks on Saturday, a party Saturday night, and a barbecue at my home Sunday.

Vi's coming is something that Max has put together for the whole community and I am so thrilled she is doing this. For those of you who do not know her, Vi was the very first person that I wanted to bring in as a presenter when the Houston S&M Ball started having presenters. To me, she was "The best". The one you wanted to talk to if you could only talk to one person in the scene. She is absolutely universally loved and respected by every one who meets her. Just ask any of the folks who met her at that S&M Ball weekend in Houston.

She is the author of [To Love, To Obey, To Serve](#), and has been a lifetime slave to her life partner, Jill. (and when she says "slave", believe me that is what she means. Read that book to find out what it was like for her "in the good old days". (and if you have any "vampire" thing, you really need to talk with her. )

So whatever club affiliation you have, I strongly suggest that you come to meet Vi. You will be impressed, and you will love her, the way all of us that know her do. She has a website at <http://www.iron-rose.com/vijohnson/>

## **Book/Movie Reviews**

### **BOUND: *Shibari Style Impressions***

By David Lawrence

Reviewed by Steve Indands

It's easy to like David Lawrence's new book, BOUND Shibari Style Impressions, at 168 pages there's a lot to like. The cover is gorgeous, and only hints at the banquet to come.

Although text is sparse, in the book's Forward, Sensuous Sadie writes about David Lawrence's work: "For the first time [she] saw the beauty and magic of Shibari bondage, created not only by someone who loves rope for it's own mysteries, but someone who also loves the lens."

I had a similar moment of zen when I first saw Lawrence's work. Most of it, like that of a few other true rope artists like Osada Steve, Midori, Lew Rubens, Master K, Lochai, M. Yu, Elle the Nomad, Mark of DV8 House, Bridgett Harrington, Ds par, Clair Adams (rigging), Lynn Grant, Jim Tatu, Drachenmann, Emma Hui, and of course Randa Mai and a few others, motivates me to strive to be better at it, and to work hard to learn more.

The work is a feast for the eyes, and can easily be appreciated by anyone, not just a ropeaholic like me. And while I've seen many of the pictures on the various rope lists, and have in fact learned by studying them and those of the other artists and masters, they still strike a chord in me. Some I've not seen before and they resonate as well. Had I seen them all before, I'd still want the book, as I consider it both a complement to my craft and an essential work for my library.

The pictures are gorgeous and well laid out, some in a sort of montage, overlapping background photos in a highly stylized way. The rope work is beautiful and speaks of art, style, finesse, and power. The photography is well eyed and crafted, with interesting focal points and impeccable lighting. The rope bottoms are beautiful, well known, and look like they fully appreciated and enjoyed the exciting rope craft employed.

All in all, when you leave the table after the book has embraced you, you leave well sated.

**Tribal Fire**  
**By Philip the Foole**

The event was (April 29 - May 1.)

Here is a link to their website:

<http://www.tribalfireokc.com/>

Tribal Fire (in Oklahoma City) was great fun. I started out Friday by bottoming for Stephanie's single-tail demo. Steph is the lesbian top from Los Angeles who (according to urban legend) nailed my cock and balls to a board last month in Tulsa. She specifically asked the Tribal Fire organizer to get me for a crash test dummy. I am honored to stand out as being exceptionally perverted at a pervert's convention. As promised, she cut my back up pretty good with her whips. She took me down into my non-verbal "growling and snarling" headspace. Either the transformation is getting easier, or I'm playing with meaner tops. Maybe a bit of both.

MaddMonk and TeachMe2Nyt from Seattle and Bladerunner from Portland came down to visit. Monk is a top. Teach, Blade and I all switch, so there were lots of possible perv-mutations for us to experiment with. We tried all of them.

I volunteered to bottom for a deaf gay bodybuilder called "SPO" (Sadism, Pain Ouch!) His specialty is a combination of hot wax and rough body play. Unfortunately, he spent most of his workshop time topping a cute gay boi titleholder, the shameless slut. Not that I blamed him. The hot wax / punching combination produces a very interesting blend of sensations. It also splatters a bit. The ceiling of that hotel meeting room won't need to be waxed again for months.

Sebastian from Houston, one of the best whip tops around, challenged me to a whip duel. He said "Only a FOOLE would accept such a FOOLE-ISH challenge. I don't have any illusions about being able to survive a whip duel with a guy at his level of skill. Still, in view of his crafting such a personalized challenge, I accepted. The crowd was soon all abuzz and quite looking forward to our match. Unfortunately, as he was preparing his matched set of dueling whips, he damaged the "fall" (the part the cracker connects to) on one of them, and he didn't have a replacement with him. Just as well. He's \*way\* better with whips than I am.

TeachMe2Nyt said to me "Do you realize that you just accepted a whip duel with one of the best whip guys in the country, using his whips? You \*do\* understand that he's going to kill you, don't you? It's because he's hot, isn't it?" I said "You know my methods, Watson."

Dan Azevedo and David Henry are two hunky gay musclemen who did a "rough body play" workshop. They asked if anyone from the audience wanted to participate. Dan said "Come on up, Philip, you know you want to." Curse my inability to ever say "no" to an invitation to be a stunt bottom. I got to play "monkey in the middle." They both pounded on me at the same time, front and back, for a while, then I exchanged a series of chest punches with David. I think I managed to jolt him a teensy bit once or twice. Lots of growly, primal, "manly man" fun stuff.

Bladerunner put on a great knife-play demo. She used TeachMe2Nyt's lovely nude body for a food carving table, and then used me for the victim in a knife snuff fantasy scene. The audience enjoyed it. \*I\* certainly enjoyed it.

Flamedancer presented a great workshop on "Bratting." Her partner X maintained his usual quiet demeanor of loving tolerance for her antics. Well, most of them, anyway. The audience was like a lynch mob. "Are you going to let her get away with that?" Heh. Real domly dudes don't have to make a big point of always acting the way other people think that domly dudes \*ought\* to act.

Stephanie's partner, the Rev. Pat, presented an interesting workshop on spirituality. It's neat to see a preacher who doesn't mind getting out on the dungeon floor with her wife and doing some \*very\* hot co-topping.

There were a great many more workshops and activities than I was able to attend, so this report barely provides a taste of the "Tribal Fire" experience.

All in all, a very enjoyable weekend.

Your Humble Jester,

Philip the Foole
