Greetings All,

This is from the leaders of **The Next Generation group**. They are a BDSM organization for kinksters ages 18-35 and are a wonderful group of people. They are looking for people to help them plan and organize events for their organization and if you've ever done this sort of work you know that after a while it can become a heavy load if done alone. So if you are in this age bracket and have been wanting to get more heavily involved in the BDSM scene here is a great way to go about it. Helping plan and coordinate events gives you the chance to met folks you other wise may not get the chance to know and get to know them on a deeper level.

Brad
HPEP Board Chairman
Switch SIG Leader

Hello everyone! We are looking for some new leaders for **TNG**. This includes website/domain hosting, scheduling monthly meetings, planning social events, and organizing periodic play parties. Please keep in mind this group is for 18-35 year olds, so you will need to be in that age range as well. Interested parties can send an email to kink@belindaf.net or cattails4me@yahoo.com. If no one steps forward, we will be forced to disband the Houston branch of TNG. Feel free to pass this on to anyone who might be interested.

Thanks!

Leigh

Great New Venue for HPEP Meeting!

My fellow HPEP'ers,

I am delighted and excited to announce that HPEP is back in what was formerly known as Club Chicago. Club Chicago is now known as Club Earth, but is the same building, which is located at 6305 Skyline Dr., Houston, TX. So for all you long time life-stylers who remember this great venue come out and enjoy the venue you so fondly remember; and for newcomers or relatively new folks, such as my self, come out and enjoy a place of legend in the local Houston BDSM scene.

Our regular meetings will have a \$5 cover but will be BYOB so that you can save money that way and set-ups will be available.

As to the location and parking, it isn't one of the nicest of neighborhoods in Houston but HPEP will have DM's in the parking lot as well as patrolling inside the club. These DM's are available to walk members to and from their cars and will be watching over everybody's vehicles.

We will also need help with the setting up and tearing down of equipment before and after the party. If anybody is interested in volunteering please speak to me or any other board member. Any and all help is greatly appreciated!

Club Earth is being billed as an "after-hours" club so we will have to vacate the premises by mid-night, but any member wishing to stay may re-enter at the club's regular cover. The demographic the club is shooting for is off work strippers, bar tenders and alternative industry professionals who won't be surprised or taken aback by our activities. In other words it won't be mostly rave kids.

Best Regards in Leather

P.S.

As some of you may or may not know there are some rumors going around that this year's HPEP S&M Ball has been cancelled. It is with great regret that I must confirm this to be the truth of the matter. There will be no 2006 HPEP S&M Ball and this is simply because HPEP does not have the financial wherewithal to put the Ball on this year.

I know this disappoints a lot of you as it disappoints me, but we will be replacing the Ball this year with two play parties before the end of our term as the HPEP Board. We will have more information forth coming on both of these parties in the very near future so keep you're eyes peeled. The board and myself apologize for any inconvenience or disappointment.

HPEP Bondage SIG

Our meetings are on the second Sunday afternoon at 3:00 at Travis' house.

Our meetings have different themes and are hands on. We tie people up. We learn something. We socialize. Tops and bottoms always have a good time.

Mark your calendars and plan to join us for future meetings.

Report on The February Bondage SIG

Our very own Calvin and Rena did a great job leading this SIG on cock and ball bondage with demonstrations of several basic rope ties, several non-rope techniques like leather cock cages & straps, rubber sleeves and ring toys, etc. They discussed techniques that work for day wear (under clothes, etc.), as B/D control techniques and for sexual enjoyment/prolongation/torture, etc. Rena and Scott enjoyed showing one of her favorite penis vacuum devices and cock ring techniques.

Several other folks quickly got into the act as active participation and experimentation spread throughout the SIG. Meanwhile, I blended into the background, far into the background, with my hands crossed in my crotch, protecting my assets. Yes -- I asked -- "Calvin, how do you know so much about this topic?"

My thanks to Calvin and Rena for leading this interesting SIG, and to all who participated. And special thanks again to Travis and Mel for hosting our SIG in their home. (BTW -- Travis covered the window of his front door with a drape. I don't remember seeing him do that at any other SIG before. Gosh Travis -- it was only a lot of pretty women tying up cocks and balls on some naked guys. Geeez.)

It was a good SIG.

Don't forget ...

March Bondage SIG

At our next regular SIG meeting on March 12, 2006, our theme will be classic Detective Magazine cover poses from the 50s and 60s. Most people smile when they think about those magazine covers. I will bring copies of some of those covers and ask SIG participants to recreate the bondage poses. This will be an opportunity for bottoms to enjoy being tied in those poses, and it will be an opportunity for us to review some basic knots and bondage techniques.

Ropes on the Road in April

We will host the second "Ropes on the Road" trip over the second weekend in April. This will be another fun

weekend as we Houston folks continue to make friends with and play with our kinky neighbors from Austin, Dallas and San Antonio. Those of us who participated had a great time on our first "Ropes on the Road" trip to Austin in the January.

Oz will make presentations for us on managing/enhancing sub space and trances, and constructing bondage ties using acupressure points to enhance the bondage experience. We'll have a group dinner, a play party, and a brunch. Don't miss this weekend – April 8 and 9. It will be a lot of fun. Make your plans to join us.

HPEP Bondage SIG – Tentative Schedule for 2006

March 12, 2006

Second Sunday – HPEP Bondage SIG

Theme – We'll create some of the bondage ties/poses from the covers of the classic Detective Magazines of the 50s and 60s.

April 8 and 9, 2006

Second Weekend

Ropes on the Road Trip to Houston

We'll participate in Prairie's "Ropes on the Road" road trip to Houston. Our friends from Austin and Dallas will travel to Houston for a full weekend of activities. On Saturday, EROS will co host a presentation by OZ of Dallas at Rudz. His topic will be "Subspace and Trance", a discussion on enhancing and managing Subspace. On Sunday Oz will lead our SIG with a presentation on – "AcuBondage – The Use of Acupressure Points in Rope Bondage". These techniques can help a Top enhance the bottom's bondage experience.

We'll also attend a play party Saturday night and socialize at a brunch on Sunday.

May 14, 2006

Second Sunday – HPEP Bondage SIG

Theme – Bondage Brain Dump. We will share with each other ideas and techniques we learned from our kinky neighbors at the "Ropes on the Road" weekend activities in January and April.

June 11, 2006

Second Sunday – HPEP Bondage SIG

Theme – "Different Bondage Scenes". We'll share with each other some themes or techniques we use during our bondage scenes. Some of us prefer suspensions (full or partial), some prefer bondage ties along with other activities, spanking, forced orgasms, etc., some prefer elaborate bondage ties that allow the bottom to fly just enjoying the bondage. Some incorporate interesting toys. This should be fun learning how others play with bondage, which will probably help each of us in our own bondage play.

Sometime from July to December –

1. -- We'll participate in Prairie's "Ropes on the Road" road trip to Dallas. We Houston folks will travel to Dallas for a weekend of fun and games with our kinky neighbors from Austin and Dallas.
2. -- Krist, a professional photographer and occasional actor in Felix Dartmouth's bondage videos, will lead one of our SIGs. He will bring a professional bondage model, and discuss what happens from the model's perspective during a professional bondage shoot.
3. -- Senor Jaime who runs Austin Rope, is a licensed hypnotherapist. He will lead one of our SIGs with a presentation on BDSM Hypnotism. (Probably in August)

We enjoyed our first "Ropes on the Road" trip, organized by Prairie and wonderfully hosted by Senor Jaime and his Austin Rope group.

On Saturday, we met for dinner and then attended the GWNN play party. This was my second visit to a GWNN play party, which are well organized and well attended. There were lots of fun people doing kinky things in a large, comfortable play space accompanied by good music and a light and slide show projected on the upper stage. If you have not been to a GWNN play party, you should make a serious effort to attend. They are a lot of fun.

On Sunday, Jaime hosted us at his house for a brunch and his Austin Rope meeting. He put out a spread for brunch that is going to be hard to beat. And then there was his meeting - Wow! Lot's of rope work. Lot's of different things to do with ropes! As the rope work developed, there were subbies everywhere, flying in

sub space. Have you seen what a bondage tie and manipulation of acupressure points can do to a subbie? Have you ever seen a subbie stimulated to an orgasm by manipulating her toes and feet while in a BDSM Hypnotic trance? Have you ever seen what percussion caning does to a subbie while her labia were bound to her toes? Have you seen the smiles on the face of a "bondage virgin" when she is placed in a bondage tie for the first time? Or, from the Top side, have you ever seen the expression on the face of a bottom, who is a new

switch, as she constructs her first hog tie?

There were plenty of fancy ties and knots for the intricate rope work junkies. There even was a rope making demonstration.

And, most important of all, there were the personal interactions. We all enjoyed meeting old and new friends from Austin, Dallas, Houston, and San Antonio.

Wow! What a party!

Thanks Prairie and Jaime for organizing and hosting this event, and thanks to all you wonderful people who attended and made it a very special weekend.

Mark your calendars, folks. Our HPEP Bondage SIG is going to host the second "Ropes on the Road" trip when these wonderful people visit us in Houston on the second weekend of April. Come play with us.

The HPEP Poly SIG

Sir Ryan, the Dragon, HPEP Board of Directors, HPEP SIG Liaison / Poly SIG Leader:

The HPEP Poly SIG is a wonderful discussion group for those who in poly relationships, or are interested in the subject of being poly. It's usually an open topic forum where things have been discussed from coming out to family/children/parents, to what is your ideal poly family structure. You do not have to be poly yourself, or be in a poly relationship to attend a meeting; just an interest in the topic of being poly. As a side note we are not a swingers group, nor an orgy. You can visit us on our Yahoo Group at:

http://groups.yahoo.com/group/HPEP_PolySIG.

For any question you can contact the SIG leader at Poly@hpep.org.

(Poly Sig, get it? Hee hee)

The HPEP Age-Play SIG

The Age-play Sig is now being held on the THIRD SATURDAY of the month. The group has been very active with its meetings and discussions. In the up coming months there will be a pool party night, theme nights, movie nights, discussions and weekend outings. The meetings are being kept non-age specific so that everyone of age-play can come, enjoy themselves, and learn.

Age-play does not and will not involve real children/minors of any kind. But what it does do is involve us adults that act like and pretend to be children! Even if you're not into age-play but would like to find out what it is about, you are welcome to attend. So if you're a 'lil boy or girl, toddlers, teenagers, Mommies or Daddies, Aunties or Uncles, or just a bratty young one, you're all welcome to attend.

Hope to see you there and join in the fun and activities! ~ Scottie

DOMinion

Houston and surrounding area Doms and Dommes have a meeting on the Friday before the regular HPEP meeting, at (7:30 pm) .

The purpose of the Dom/Domme meeting is several fold. The meetings serve as a time of social interaction and a good time of exchanging ideas. There are also scheduled educational presentations by members of the group. Frequently, Doms from around the state come and lead our discussions, so we get views a bit different than those of our local friends that we meet with all the time. So, find a comfortable chair, prop up your feet, and talk the talk of beautiful submissive females, doting slavish men, and the pleasures they bring us. need directions or information:

D/s SIG

Eric (bigddy31@aol.com)

To all who have an interest in the D/s SIG, I would like to take this opportunity to profusely thank Sir John for his help with the D/s SIG over the last few months and for graciously volunteering his home for the meetings.

There has been so much that I have wanted to do to my own home (where the D/s SIG used be held) that I have been much more able to accomplish since it now doesn't have to be ready and safe for guests once a month. My banister was rickety enough without my sending you all up the stairs to the restroom without one at all during renovations. LOL Using John's home let's us not have to bounce you all around to varying locations depending on what else is happening. John has also been kind enough to lead excellent discussions on the nights that I am unable to be there and has done a fantastic job. He is quite a guy and I just wanted to take this chance to recognize him for his many contributions to this situation. His many contributions to HPEP in general would take much longer and I'll try to do that in a separate post.

I look forward to future D/s SIGs where, even if my house is covered in sheetrock dust, I can shower it off, grab the ladies, and head over to John's for an evening of the great D/s discussions that we've always had.

Also, for the new or newer folks who haven't had the chance to attend a SIG and have an interest in D/s, please come out and enjoy. I'm certain that you'll have fun and be glad you came since John is an absolute

sweetheart and I only bite when it's been previously negotiated (unless you look like Angelina Jolie, then all bets are off). Email me for any info you need and be sure to join the D/s SIG list as John suggested so that you can get all the info first hand.

Best regards,

HELL to Move to Friday Nights?

HELL has met on the 2nd and 4th Wednesday each month at 7:00 p.m. since Fall of 1998. We have noticed that attendance has waned, many folks cite the middle-of-the-week time and long drive as inconvenient for them on work nights. Movies usually start no later than 8:00 p.m., but with a typical movie being two hours or longer it develops into a long evening for the many early risers among us.

So as we your hosts of HELL have always welcomed your suggestions for books and movies and other activities for the group, we would like some feedback as to whether you would like to change the schedule to meeting the 2nd and 4th Fridays starting in March. Please email me at mwvixen@swbell.net with your comments on this proposed change of time. I will now return you to the usual blurb...

Welcome to HELL !

We enthusiastically welcome suggestions for books and movies related to any aspect of BDSM, alternative sexuality, erotica, erotic thrillers, D/s relationships, fetish, or alternative lifestyles, etc. Feel free to email me with **YOUR** recommendations! Better yet, post them to the NEW Yahoo! List:

HELLbooksandmovies@yahoogroups.com

HELL is a group where those interested in reading about and watching books and movies dealing with all aspects of BDSM, Erotica and alternative Lifestyles can meet in a casual, non-academic environment. A typical HELL evening involves a bit of book discussion (anything anyone is reading or the selected HELL book) and general conversation and socializing. We usually have snacks and beverages on hand, provided by the host and the attendees, to enhance the "movie experience" which starts about 8:00, so the meetings usually go from about 7:00 - 10:00 or 11:00, depending on how much discussion ensues after the movie. You are encouraged to come to HELL if you have an interest in reading more about BDSM, both fiction and non-fiction, and/or viewing a variety of sexually-oriented movies: you do not have to read a book to enjoy HELL ,

(although the Mistress of HELL would strongly encourage you to do so. i and other members can be usually persuaded to lend out books for those who purchasing them is a problem...) Join the HELL mailing list by emailing me at mwvixen@swbell.net or joining the HELL Yahoo group (address above) and keep up with the books and movies currently happening. We have a lot of fun and it is a good forum for getting to know other folks in the Community and engage in spirited conversation with your fellow perverts. So now, when someone tells you to "Go to HELL", it does not have to be a bad thing! :)

March movies will be "9 ½ Weeks " & "Another 9 ½ Weeks".

WE HAVE SEVERAL + NEW MOVIES NEVER SEEN BEFORE IN HELL!!!!

These include Another 9 ½ Weeks, Body Heat, Wild Orchid, both editions of Lolita, Betty Blue, and more to come.

Switch SIG

Brad (pierced_switch@yahoo.com)

Every Second Saturday of the month a meeting for switches is held. This is a new group and a good chance for switches to meet, socialize, bond, discuss and exchange thoughts, ideas and issues. This will be a fun, social group, who enjoy getting together and talking amongst friends. A wide variety of topics will be covered. There will also be scheduled educational presentations by members of the group. Switches in either top or bottom mode are welcome, Doms, Tops, Daddies, Mistresses, Masters, subs, slaves, bottoms, little girls or boys are strictly prohibited. This is not an attempt to be exclusive, and certainly is not intended to offend anyone, but rather to provide an opportunity for those of us that are switches to be open about their needs and concerns without fear, criticism or retribution. (Remember, everything you say here, stays here. This means that although the general topic of the meeting may be public knowledge, no-one will ever leave this meeting and run tell he said/she said.)

~Toymakers' SIG~

Despite an uncertain future and juggling of a venue, the Toy SIG is alive and well!!!

We meet the third Sunday of the month at 4:30. Our latest project was a St. Andrew's cross!

Texas Latex Party
Coming In March!!!

Fetish and Elegance: A Texas Tradition for Fourteen Years The Texas Latex Party will host its annual celebration of all things fetish in March 2006, in Houston, Texas USA. Initially held as a party to host a small circle of friends seeking a local, upscale fetish event, TLP outgrew the house generously offered in the early years and has been hosted at landmark Houston hotels for almost a decade.

Friends from around the world attend TLP, bringing with them their unique latex, leather, corsets, and fetish outfits, delightful stories about their travels, and imaginative ideas for having fun. Activities include an elegant Dinner with show and dance, a grand Ball with fashion show, and a champagne brunch.

"TLP began as an extension, of sorts, from the wonderful Dressing for Pleasure parties back East," says Vaughn, aka Fetish Agent V. This year's TLP Party Meister continues: "Fetish aficionados from Houston wanted to hold a party in the local area so they began the Texas Latex Party in a private residence. As the attendance grew from a dozen to twenty, to forty people, the party moved to a well-known Houston hotel. Now, with about a hundred fetish revelers, many from out-of-state and country, we have moved to a sophisticated hotel closer to Houston's largest airport."

Vaughn is a "veteran" attendee of ten years' of fetish parties from the West Coast, to the Caribbean, to New York, and throughout Europe, bringing with him a cosmopolitan eye for the right event "feel" catering to fetish enthusiasts.

"I'm fortunate to be able to contribute this to TLP 2006," Vaughn said. "It's really continuing the

outstanding work made by the founders of TLP and other dedicated individuals in this all-volunteer effort. They have crafted an event that stresses elegance and style over loud, head-banging music and crowds. Don't get me wrong -- I love a good, latex-enveloped, large-sized party -- but TLP has a unique flavor that leaves you stronger in lasting friendships and with a voice that's not hoarse from screaming over music!"

The weekend of fetish fun kicks off with a cozy Thursday evening get-together in the spacious Hospitality Suite. Friday's Fetish Happy Hour gets the evening of fun and interesting things to do started, and culminates in an elegant, fine dinner by one of Houston's top chefs. Ceremonies, entertainment, and dancing cap off this special evening.

Saturday includes browsing and buying great outfits from exclusive vendors, followed by the first "official" fetish pool party. Then it's time to put on the finest fetish wear for the Grand Fetish Ball. The Ball is an extravaganza that includes a fashion show, awards for outstanding fetish attire, and a dance -- this can only be described as "scrumptious!"

Finally, TLP winds down at a Sunday champagne brunch and photo opportunity. This is when TLPers say goodbye to friends and make plans to see them again.

"TLP is an invitation-only event," Vaughn mentions, "that has grown through referrals of new friends made at other parties. The TLP Board would love to hear from fellow fetishist interested in learning more. Our website has links to our e-mail and other information: <http://www.texaslatexparty.com>. We have a limited capacity, so don't wait too long to write to us!"

Some Historical Background on the Terms "Leather" and "BDSM":

Here's a response I wrote to a novice who asked about an excellent "Leather" event in Dallas called the [SouthPlains LeatherFest](#). (Midori will be there! Yay!)

Perhaps other newcomers might find it informative.

I highly recommend attending these big regional gatherings if your budget can handle it. It gives you a chance to learn from some of the best national workshop presenters. Being around a bunch of fellow leather and BDSM enthusiasts is a great way to overcome the lonely "I'm the only one" feeling.

Some historical background on the terms "Leather" and "BDSM":

Historically, gay servicemen returning from WW I I joined together in motorcycle clubs which formed the core of today's "leather" movement.

Leather is a very practical material to wear to reduce "road rash" when you fall off a motorcycle. These early bike clubs are now sometimes called "Old Guard Leather", often with a nostalgic "Those were the good old days" tone. Most folks who come from this tradition call what they do "SM" or simply "leather." The term "BDSM" has never been in widespread use in the gay community. The NLA (National Leather Association) is an example of a large national group that derives from this tradition. Over time, many lesbians, hets and bisexuals have joined the originally all gay male leather groups, and today people of all orientations are welcomed at events such as Southplains.

By comparison, "BDSM" is a term that originated more recently, in the Internet newsgroup alt.sex.bondage (which evolved into soc.subculture.bondage-bdsm), and in the Human Sexuality Forum on CompuServe, specifically in "Section 7 of HSX" founded by Gloria "Different Loving" Brame in 1987. There was considerable overlap in membership between these two Internet groups. The term "BD/DS/SM" (Bondage & Discipline, Dominance & Submission, Sadism & Masochism) was an effort to create an "umbrella" term that would reconcile several different factions. Some members of these forums felt little identification with the non-consensual torture fantasies of the Marquis de Sade (from whose name "sadism" is derived" or with the fur-fetish slave novel "Venus in Furs" by Leopold von Sacher-Masoch (from whose name we get "masochism"). The term BD/DS/SM was soon shortened to "BDSM" which came into popular use on both alt.sex.bondage and HSX in early 1991. Groups who come from this tradition tend to call themselves "pansexual" rather than "leather." In practice, "pansexual" groups tend to have more hets and fewer gays and lesbians than "leather" groups, where the ratio is reversed. This is less a matter of discrimination than a reflection of the fact that people tend to hang out with those they perceive as being similar to themselves.

I was a member of one of the early gay "leather" clubs and was also one of the early users of the Internet "BDSM" forums, so I feel equally comfortable (or equally out-of-place) in both groups.

Here's part of the welcome message I wrote for the WichitaFalls BDSM Yahoo group.

All sexual orientations are welcome, including gay, bi, het, lesbian, trans, top, bottom, dom, sub, master, slave, switch, inflatable vinyl pool frogs, "undecided" and "other."

Your Humble Jester,
Philip the Foole
Bi Poly Switch. I'm not indecisive -- I'm greedy.

Every other Saturday* Temporarily on Hiatus
(Email masterwh@swbell.net for exact dates)

If you are just learning or are a seasoned pro just come on out. We'll have folks who can give hands on demo's and others who want to learn and yet others who get a sexual thrill from hearing the crack of the whip. (Whip groupies welcome!)

Remember, if we get rained out we have several bullwhip videos we can watch. We discuss topics such as care of the whips, whips websites that are available on the Internet etc. So, there will always be something to do.

Beverages, in the form of coffee, water, sodas etc will be available. If you feel like bringing something, go ahead, we won't turn it down.

Come on out and we will crack some whips, have fun and discuss what we want to get out of these practices.

And if you are interested and want to know more, e-mail me Ken, a.k.a. *Masterwhip at...*

masterwh@swbell.net

Also, vixen and others convinced me that the right thing to do is form a Yahoo Group for all the folks interested in bullwhips, so here is the link to the new Bullwhips in the Backyard Yahoo Group:

<http://groups.yahoo.com/group/Bullwhipsinthebackyard>

This event is open to all Single tail Enthusiasts regardless of Club orientation, yada yada, and all the usual disclaimers. Eye protection and hats are strongly encouraged ☺!

MARILYN MANSON WEDS FETISH BURLESQUE DITA!!!

"December 3, 2005"

Shock rocker Marilyn Manson married his longtime girlfriend Saturday, December 3rd in Ireland. Manson, whose real name is Brian Warner, married 33-year-old Heather Sweet in front of about 60 guests at Castle Gurteen, the home of a friend in Kilsheelan, County Tipperary, the magazine reported.

Sweet is a burlesque dancer who uses the stage name Dita Von Teese. They have been dating for four years and Manson proposed at their Los Angeles home in March 2004.

It was the first marriage for both.

Manson, 36, wore a black silk taffeta tuxedo and Von Teese was in royal purple silk taffeta with a corset. They were married in a non-denominational ceremony conducted by underground filmmaker Alejandro Jodorowsky, a friend of Manson.

National Coalition for Sexual Freedom

NCSF adopts Kink Aware Professionals

February 10, 2006 - Race Bannon and NCSF announce the transfer of management of Kink Aware Professionals to NCSF. The National Coalition of Sexual Freedom is proud to continue and grow the Kink Aware Professionals program which was founded and has been managed by Race Bannon for many years.

To find a Kink Aware professional, go to: www.ncsfreedom.org/KAP

"I'm glad Kink Aware Professionals is safely in the hands of an organization that has already proven to serve our communities well," said Race Bannon. "With the acquisition of the KAP web site NCSF continues to prove that they're always looking for additional ways to help us all pursue the sex life of our choosing."

NCSF's mission includes education and outreach to the medical, psychological and legal communities. By building a network of sexually aware professionals we can both support the professionals who respect our values as well as encourage other professionals to learn about our issues.

"An extension of that mission," said NCSF Chairperson Vivienne Kramer, "is helping our members and the community at large find competent legal, psychological, and medical services from professionals who are aware of their adult expressions of sexual freedom, and not only doubt hold it against them, but can help with the special issues and needs that our actions entail."

One might ask why a Kink Aware Professional is needed as opposed to your "normal" professional. There are many circumstances where a doctor or therapist might misdiagnose a patient who has bruises as an abuse victim and then be legally required to fulfill police reporting requirements. Likewise, a lawyer working on a divorce or child custody case might need an understanding of a master/slave dynamic, or a swinging

relationship, in order to correctly handle these issues.

There are still doctors who believe gays should be "cured" and that an interest in sadomasochism is in and of itself, pathological. Likewise polyamorists who seek relationship counseling from unaware counselors sometimes get lectured, judged, and misdiagnosed as sexually and emotionally immature, neurotically fearful of commitment, or sexually addicted.

While many doctors, lawyers, etc. may have passing knowledge of alternative forms of sexual expression, their education is often incomplete. A patient dealing with a difficult life situation deserves a professional who is well versed with the issues that arise from their choices as a sexually free adult. Professionals listed in NCSF/KAP are not necessarily identifying themselves as "kinky", but are stating that they are open minded and aware of some of the behaviors and norms of different expressions of sexuality.

The fight for sexual freedom is fought on many fronts, from Supreme Court cases down to a patient seeing their doctor, finding a lawyer, or working with a therapist. NCSF is proud to continue this important service to the community and thanks Race Bannon for trusting us with this important project.

A joint Project of NCSF and I TCR: The Foundation of NCSF The National Coalition for Sexual Freedom is a national organization committed to creating a political, legal, and social environment in the United States that advances equal rights of consenting adults who practice forms of alternative sexual expression. NCSF is primarily focused on the rights of consenting adults in the SM-leather-fetish, swing, and polyamory communities, who often face discrimination because of their sexual expression.

Club Cave, the new club that is in the same building that Club Chicago (the old meeting space of years ago for HPEP), over just south of Richmond and between Hillcroft and Fountainview, is becoming a bit more Fetish.

FETISH FRIDAY - Okay, it's Fetish Friday, but what does that mean? It's still couples and single females only. All the same Club Rules still apply. <http://groups.yahoo.com/group/bdsmhealth>

S&M Health & Fitness is designed to support lifestyle friendly people who are interested in learning and sharing healthier ways to live. This includes improving ones appearance, weight management, fitness training, and managing health issues. Postings here can focus on sharing health tips, progress reports, daily food logs, recipes and strategies. Please share your thoughts as relates to healthy food intake ,fitness and exercise, healthy intimacy practices, and health as relates to Lifestyle.

The Safari Club holds it's play parties on the first Saturday and third Friday of each month, after TNC munch and THIRD FRIDAY dinner. All interested in BDSM are welcome. The parties officially start at 9 PM and end when the last person leaves.

For information I, (Safari42s), will be the contact. Safari42S@aol.com

This Email is to announce the formation of a **new Egroup** to replace the TNC group that has recently died. This group is independent of any other group and is intended to be a gathering place for everyone in the BDSM Lifestyle. I encourage everyone to join and to post your group functions. All I ask is that everyone respect one another and that we refrain from SPAMMING and FLAMING. Below are the links to the Gulf Coast Power Exchange Group. I'm looking forward to hearing from you!

Below is a bit of what this Group is about and some rules:

Gulf Coast **Power Exchange Group (PEG)**

In the light of the demise of the TNC Group, I decided to start another group, independent of everyone else. This is strictly an online E-group that is designed to be an outlet for all things related to BDSM in the Houston area and all over this Southeastern section of the state of Texas.

I am fondly (or sadistically) referred to as Ironass because I've been in the Lifestyle for many years and like to be played very heavy, as many can attest. I belong to Pink Dragon Lady (Trellen Russey), who is also a veteran of the Lifestyle. Herself and the late Art Russey (the Toy Maker) used to have the Gulf Coast Power Exchange Group, the original PEG, in Pasadena, Texas for several years until his death.

If you have a BDSM group you are invited to post your activities here. However, this is not a place for SPAM. We are not here to sell anything - there are other groups for that - but to share our experiences with one another as it relates to the BDSM lifestyle.

This group will be moderated by me and will not answer to the demands of any other group. We will honor everyone and are here to pass judgment upon no one. However, there are a few rules:

1. First and foremost, NO SPAMMING! Anyone who tries to spam on this list will be blocked as soon as I discover it, no questions asked and no appeals. By SPAMMING, I mean commercials of any kind for any product or service and asking for money.

If someone is in need or in the hospital, please feel free to post a request. If you wish to announce a play party or an event of your BDSM group, please feel free to do so. If you have a website you wish to share with us relating to the Lifestyle, please feel free to post.

2. I will not tolerate any flaming on this list. Arguing about things is one thing and can be done civilly, but we are not here to pass judgment on anyone or to run anyone down. If I see that on this list I will deal with it in whatever manner seems fair. It is OK, however, to talk about Travis (LOL).

I have found the BDSM community to be one of the most caring and giving communities in the city, but we can be quite vicious at times. I simply ask that we all show some respect for one another and remember that we do not know what anyone is going through at any given moment. It is better to err on the side of humanness than to rip one another's throat out!

3. As to the posting of pictures, please be discreet. We have to be careful of showing private body parts on a public forum such as this. As a member, the pictures you put in a post for this group are at your discretion, but let's try not to make Yahoo nervous - well, more nervous - than it already is.

At the moment, that's the rules, other than to honor the Yahoo guidelines for groups. Post, talk, announce, have fun.

Your Moderator,
Ironass

When you join this group please remember that Yahoo requires you to have your age posted in your profile or they can bump the whole group. They want to know that everyone is over the age of 18. PLEASE REMEMBER THIS!

New BDSM Women's Group: Just Us/WIK

Max Rulz has started a new group for ALL females in the community regardless of orientation, that will meet once a month on Sunday afternoons for a demo, or presentation, discussion and potluck meal.
JustUsWIK (women in kink) Women's group is going to be an informal meet, greet and eat so to speak. It will be a relaxed gathering of the women in the Houston BDSM community. There will be No play just discussion and support. There will be no Top or bottom hats worn though we will discuss issues relating to both. **JustUs WIK** will be an environment where we can share our experiences and educate in hopes to keep our minds stimulated and our asses safe! There will be workshops. In addition to tapping into the wealth of experience many of the Women have here, I plan on bringing in women I have had the opportunity to meet and learn from over the years, on the 2nd Tuesday of the month. For information please contact; memistress@themistressrulz.com P.S. it is ok to talk about anything here. what we do not want to do is to get into top bashing whether it be male or female. you may not have read this so I will repeat it for you and other new members.
this is not a gay group not a het group not a top group not a bottom group not a switch group.
This is a kinky women's group whose members just may happen to be one or many of the above. What I DO insist of all participants is that this is treated like Las Vegas
what is said here stays here !!!!!!!!!!!!!
We are sisters ----not any ones conscience or the ***king truth police.
Just as a matter of day to day life with WI I TWD one may end up discussing parts or issues stated here --I however see no reason to use *someone's name*--then that goes into the whole conscience thing-----most un-necessary!
