Larry Townsend
"Legendary"
27 October 1930 - 29 July 2008

Spill a drop for lost brothers...

"Larry Townsend was the pseudonymous author of dozens of books including Run Little Leather Boy (1970) and The Leatherman..s Handbook (1972) at pioneer erotic presses such as Greenleaf Classics and the Other Traveler imprint of Olympia Press. Growing up as a teenager of Swiss-German extraction in Los Angeles a few houses from Noel Coward and Irene Dunne, he ate cookies with his neighbor Laura Hope Crews who was Aunt Pittypat in Gone with the Wind. He attended the prestigious Peddie School, and was stationed as Staff Sergeant in charge of NCOIC Operations of Air Intelligence Squadrons for nearly five years with the US Air Force in Germany (1950-1954).

Completing his tour of duty, he entered into the 1950s underground of the LA leather scene where he and Montgomery Clift shared a lover.

With his degree in industrial psychology from UCLA (1957), he worked in the private sector and as a

probation officer with the Forestry Service. He began his pioneering activism in the politics of gay liberation in the early 1960s. In 1972, as president of the ..Homophile Effort for Legal Protection.. which had been founded in 1969 to defend gays during and after arrests, he led a group in founding the H.E.L.P. Newsletter, the forebear of Drummer (1975). As a writer and photographer, he was an essential eyewitness of the drama and salon around Drummer in which his novels were often excerpted. His signature "Leather Notebook" column appeared in Drummer for twelve years beginning in 1980, and continued in Honcho to Spring 2008. His last novel, TimeMasters, was published April 2008." This new thumbnail biography, approved and updated by Larry Townsend, is reprinted from the leather-heritage book Gay San Francisco: Eyewitness Drummer which, published June 20, 2008, also includes Larry..s " Eyewitness Introduction," his last published writing.

SIG NEWS

New SIG Forming!!! The Connection and Transcendence SIG

Throughout human history, there has been a recognition that intensity in sensation and behavior can bring about a state of being that seems to separate us from our physical form and pull us into a place where we become connected with the Universe on a whole new level. Many spiritual paths have explored this tendency through sensory deprivation, flagellation, denial, fasting, sweatlodge, and self-inflicted pain, and others have encountered these "flights of spirit" through intense sensation or deprivation inflicted by another (or others) through torture and isolation.

The Lifestyle Connection and Transcendence SIG is an exploration of that connection with the greater Universe and with one another through the protocols and intense interactions in BDSM relationships (both short- and long-term). If you need a phrase to try to grasp what this group might be searching for, the phrase that came to my mind is "Tantric BDSM". Some meetings may be discussion-based, and in others, I hope that we will have the opportunity to learn new tools for bringing about both connection and transcendence through actual hands-on exploration and demonstrations.

The Connection and Transcendence SIG will be held on the 3rd Friday of the Month. To maintain the intimacy and intensity of the group, sessions will be limited to 12-15 people. Topics will be provided on the SIG list, and discussions of subjects covered at meetings will (hopefully) continue on the group list. The first meeting will be held on Friday, June 20, from 8:00pm - ~10:00pm.

In order to facilitate the kinds of intense discussions that may take place with this SIG, I've set up a moderated Yahoo Group for the SIG email group. I am including a [link](#) here.

I look forward to sharing many interesting concepts!

Firestorm Bladewing

Photo SIG

Meets 3:30 1st Sunday of the month.

General info:

PhotoSIG is a great way for photographers to learn more about fetish photography and how to more fully use their cameras.

It's also a great place for models, aspiring models, or scene people who just like dressing up (or down) to meet some of Houston's great photographers and get great shots of their shiny outfits.

The meetings consist of a photography topic discussion, a quick computer editing topic how-to/demo, and then time to apply what you've learned with varied (generally fetish-themed) shooting locations.

All photography will be agreed upon between models and photographers prior to any pictures being taken, except for occasions where the SIG provides a model. In those cases, it is understood that everyone at the SIG is welcome to participate and take pictures.

A map to Ward's house is provided in the files section of the PhotoSIG Yahoo group, or directions can be acquired by emailing the group leader at si_gentleman@yahoo.com

The yahoo group is here:

The HPEP Poly SIG

Dragon's lady, Poly SIG Leader:

The HPEP Poly SIG is a wonderful discussion group for those who are in poly relationships, or are interested in the subject of Poly. It's usually an open topic forum where things have been discussed from coming out to family/children/parents, to what is your ideal poly family structure. You do not have to be poly yourself, or be in a Poly relationship to attend a meeting; just an interest in the topic of being Poly. As a side note we are not a swingers group, nor an orgy. You can visit us on our Yahoo Group at:
http://groups.yahoo.com/group/HPEP_PolySIG
For any questions you can contact the SIG Leader at Poly@hpep.org

The HPEP Age-Play SIG

The Age-play Sig usually held on the THIRD SATURDAY of the month, will meet at the Zoo this month for a picnic. Contact Scottie (painslut_mr@yahoo.com) . **It is currently on hiatus.**

The group has been very active with its meetings and discussions. In the up coming months there will be a pool party night, theme nights, movie nights, discussions and weekend outings. The meetings are being kept non-age specific so that everyone of age-play can come, enjoy themselves, and learn.

Age-play does not and will not involve real children/minors of any kind. But what it does do is involve us adults that act like and pretend to be children! Even if you're not into age-play but would like to find out what it is about, you are welcome to attend. So if you're a 'lil boy or girl, toddlers, teenagers, Mommies or Daddies, Aunties or Uncles, or just a bratty young one, you're all welcome to attend.

Hope to see you there and join in the fun and activities! ~ Scottie

DOMinion

Houston and surrounding area Doms and Dommies have a meeting on the Friday before the Newcomers' meeting, at (7:30 pm) .

The purpose of the Dom/Domme meeting is several fold. The meetings serve as a time of social interaction and a good time of exchanging ideas. There are also scheduled educational presentations by members of the group. Frequently, Doms from around the state come and lead our discussions, so we get views a bit different than those of our local friends that we meet with all the time. So, find a comfortable chair, prop up your feet, and talk the talk of beautiful submissive females, doting slavish men, and the pleasures they bring us. Need directions or information: e-mail the [DOMinion](#)

Subversity

H.E.L.L.

(Houston Erotic Literature Lovers) Book & Movie SIG

<http://groups.yahoo.com/group/HELLbooksandmovies/>

HELL meets at 7:00 p.m. every 2nd Friday night !

Please contact me at mwvixen@swbell.net for directions. Please remember, these meetings are held in a
private home so I will need to know who you are and we prefer you to have attended an HPEP Newcomer's
Meeting prior to coming to the HELL meeting. Newcomer's meetings are held the first Saturday of the
month and you can find the details at www.hpep.org .

We enthusiastically!!! welcome suggestions for books and movies related to ANY aspect of BDSM,
alternative sexuality, erotica, erotic thrillers, D/s relationships, fetish, or alternative lifestyles, etc. Feel
free to e-mail me with **YOUR** recommendations!

HELL is a group where those interested in reading about and watching books and movies dealing with all aspects of BDSM, Erotica and alternative Lifestyles can meet in a casual, non-academic environment. A typical HELL evening involves a bit of book discussion (anything anyone is reading or the selected HELL book) and general conversation and socializing. We usually have snacks and beverages on hand, provided by the host and the attendees, to enhance the "movie experience" which starts about 8:00, so the meetings usually go from about 7:00 - 10:00 or 11:00, depending on how much discussion ensues after the movie. You are encouraged to come to HELL if you have an interest in reading more about BDSM, both fiction and non-fiction, and/or viewing a variety of sexually-oriented movies: you do not have to read a book to enjoy HELL , (although the Mistress of HELL would strongly encourage you to do so. i and other members can be usually persuaded to lend out books for those who purchasing them is a problem...) Join the HELL mailing list by going to the HELL Yahoo group (address above) and keep up with the books and movies currently happening. We have a lot of fun and it is a good forum for getting to know other folks in the Community and engage in spirited conversation with your fellow perverts. So now, when someone tells you to "Go to HELL", it does not have to be a bad thing! :)

HPEP's HELL: BDSM/Erotica books and movies SIG - this is the address for the Yahoo Group: <http://groups.yahoo.com/group/HELLbooksandmovies/>

The H*E*L*L Reading/Movie group, a special interest group with Houston PEP, now offers an Yahoo List option for those interested in keeping up-to-date and discussing alternative-lifestyle, Erotic, Fetish & D/s-related books and movies. i am also occasionally including some information/links on Erotic artwork. Even if you cannot attend our meetings, we want your input and opinions, and would like to share our explorations of literary and cinematic Erotica with you. The range of discussion, and the nature of our club, however, leaves plenty of room for off-topic & humor posts. Movie and book recommendations are always welcome

THREE FETISH AND KINK BOOK REVIEWS!!!

"Hot New Books"

Three hot books are worth mentioning and they are **Brethren** by Andrew McDiarmid, **The Pugilist** by Doc Hoskins and **My Mentor My Guide** by Blade T. Bannon.

Brethren is a series of stories on cigar men. If cigar is your fetish, then Brethren is your book. The Pugilist is raging hot and a lot more with several short stories on the sport of boxing. Lots of

masculinity. Where there's boxing, there's usually sweat and some like that a lot.

Bannon's My Mentor My Guide: A Handbook for Daddies and Boys for the New Generation was compiled for helping the next generation and the older folk to relate. There's plenty of humor and real life stories.

Edge Play SIG

The Edge Play SIG is for anyone interested in learning or teaching techniques in specific forms of sadomasochistic play. This SIG will offer monthly gatherings where demonstrations of and instruction in these techniques and the safety measures needed in their use will be presented.

If you are interested in passing on your knowledge and expertise, learning new ways to inflict pain and pleasure, hone your own play techniques or you're just curious and want to watch something new and exciting then this is the SIG for you.

The Edge Play SIG will meet on the last Friday of each month. Meetings will take place in a private residence. The location will be disclosed to those that express an interest in attending prior to each gathering.

HPEP is a pansexual organization and so are our SIGs so no matter what your orientation or favorite kink, you are welcome here.

Houston-BondageSIG -

As of October 20, 2007, I have acquired ownership of the Houston-BondageSIG which was previously a Special Interest Group (SIG) of HPEP. It is now independent of HPEP, and will continue to be an active bondage group.

Since January 2005, we've had a successful format for the Houston-BondageSIG as a bondage tutorial/training group. The format has worked well, so, we won't change it. We will continue to meet on the second Sunday of the month, at 3:00 PM at Travis' house. We will continue to discuss and experiment with specific topics/themes at each meeting. From time to time, we will continue to have both local and out of town presenters lead a SIG meeting.

Houston-Shibari --

I set up Houston-Shibari as a possible replacement group for the Houston-BondageSIG. But, now that I have acquired ownership of Houston-BondageSIG, there is value in continuing with the Houston-BondageSIG group itself. And Houston-Shibari is not needed as its replacement as a training/tutorial group to explore basic and advanced bondage techniques.

However, many of us appreciate the art and beauty of bondage and photography. So, I've decided to use the Houston-Shibari group to explore those two combined interests.

In Houston, we are also fortunate to have a very good photography group, the Photo SIG, which explores basic and advanced photographic techniques with an emphasis on fetish photography. Its membership includes amateurs as well as professional photographers, and wonderful models. Neil, who runs the Photo SIG, also holds monthly meetings and brings his incredible expertise to the group. Anyone interested in photography can learn a lot by regularly attending the Photo SIG meetings.

The intent of Houston-Shibari is to combine and implement the knowledge and techniques learned in both of these other groups through discussions, exchanges of ideas, and photo shoots.

Members of Houston-Shibari are encouraged to share tips and techniques about bondage and/or photography on its egroup. We'll have a photo shoot every couple of months. I think regular monthly meetings/photo shoots would be too frequent considering all the other activities in Houston.

We've got enough expertise and equipment among our members to produce really nice photographs. In the past, when we had private photo shoots, we've also generated very nice portrait as well as bondage/fetish photographs. It's all good. We'll do it all again.

BONDAGE SIG CANCELLED FOR AUGUST

due to scheduling conflict

Our Houston Bondage SIG is HANDS ON with members demonstrating their techniques, offering advice to each other and answering questions that may arise.

If you are a novice, this will be a great opportunity to learn how to construct basic ties. If you are more advanced,

practice combining the basic ties into more complex positions.

If you are a bondage bottom, let us entertain you with pleasurable positions. If you are a bondage top, learn how to create these interesting ties.

All levels of expertise are welcome. Bring your questions and/or suggestions.

If you wish, bring something to munch on and share with others. We're going to learn something and have fun with each other.

See you there.

COMMUNITY NEWS

CHARITY COMMITTEE

Ok, I don't intend to post about everything we do with this new Houston Charity group on each email group. I especially don't intend to do it on SAF's regular email list, as they have a forum on their website for this sort of thing. But I did, this one time, want to get this out to folks as widely as possible so that anyone with an interest will know where to contact the people they want to contact. And if this email does not make it to a list you want to send it to, then feel free to forward it.

First off, WOW, what a meeting. This whole thing started when Mistress Krista came back from Chicago. She saw what they were doing as far as charitable outreach, and she wanted to do something like that in Houston. So she started posting. I jumped in, but I jumped into her show. I am just thankful for that chance.

We had over 30 folks show up for a first meeting. Every one of them enthused about the concept of what we wanted to do, and energetic and ready to work. Here is sort of the setup.

Mistress Krista, Safari Mike, and I will be Co-Chairs, and as the saying goes, we are all equal, but Krista is a

little more equal, at least in my mind.

We set up some committees and that is the real reason I wanted to get this note out and about. If you want to contact one of the committees, please do it on the new list they have set up (info below) or contact the specific contact person for that committee. (info below)

1. Charity committee. Chairperson: Mistress Krista. Email address:

MistressKrista@mistresskrista.com

This committee is the one to contact if there is a charity you think we would all want to "adopt". The sense of the meeting last night seemed to be that we wanted a charity that was at least in some way touching on the alternative life communities. And small enough that what monies we raised would have an impact on them that mattered. We all love the National Heart Association, or National Cancer Association, but our money will not make or break those folks or make a huge impact in human terms.

Charities that were already discussed and that will already be investigated are;

1. Camp Hope (summer camp for children with Aids)
2. NCSF (National Coalition for Sexual Freedom)
3. Woodhull Freedom Foundation (similar to NCSF but at a different level, less "immediate response" more "long term legal")
4. Stone Soup in Houston

this will be a "working committee". It will be folks really talking to these charities, actually going out and investigating the charities that are close enough to Houston. We want to make sure that monies that are raised really do go for a good purpose and are things that we can all be very proud of.

2. Fund Raising committee. Wow did this one get folks enthusiastic with ideas out of this world.

Co-chairs: Pebbles, Nancy, Jamie, and Carol. To send them email, contact Nancy at :

sirwingzbaby@yahoo.com

This may be "the fun" committee. Just listening to these women come up with ideas last night was fun. They want small events, medium size events, and large ones. Watch out folks, these ladies mean business.

3. Money. Co-Chairs: Mistress Krista and Marla. Email for Mistress

Krista is : MistressKrista@mistresskrista.com

These are the folks that will help organize us and handle the money. We have already been contacted by representatives of leather clubs that are incorporated to help with this sort of thing and they have offered to help get us going. NEVER trust me with money, but the folks on this committee are professionally trained to deal with funds and keep us on the right and legal path.

4. Communications. Chairperson: Travis. Email is Travisw@pdq.net. It is my job to get the word out when we are doing things and when anyone of the committees needs help.

5. From now on, please join the yahoo group: Houstoncharitycommittee

you can find them at

<http://groups.yahoo.com/search?adult=1&query=Houstoncharitycommittee>

lets try and post committee work stuff as much as possible on that list. For things that we need to send out to the "world" lets use the SAF website forum and not their regular email list, or feel free to post to the Safari club yahoo list. Or give info to me and i will get it out on my list.

We had folks there that were from the SFA, Safari, NLA-Houston, HPEP, and offers of help from the Colt 45's. This was a GREAT start. Thanks to all of you that made last night so much fun and so exciting as a beginning for something special in the Houston community - Travis

GWNN's 15th Year Anniversary Birthday Bash

Austin, Texas

August 22nd, 23rd, and 24th, 2008

www.gwnn.net <<http://www.gwnn.net>> net/>

www.gwnn.org/ Bash/

board@gwnn.net <mailto:board% 40gwnn.net>

Wow, GWNN is 15 years old this year and we're ready to celebrate. We're working hard at planning and organizing one of the best BASH's GWNN has ever seen, and hope you all will be able to attend.

Our 15th Anniversary Birthday Bash will be held on August 22, 23, and 24, 2008 at the beautiful Austin Airport Hilton Hotel. This Bash promises to be one of our best events ever. We have a fantastic line-up of speakers including Jay Wiseman, Travis Wilson, Lady Shivers, Sebastian, Philip the Foole, Harvey, Dr. Stran, Terrel Brown, Elizabeth, Lillith, etc.

As you can see, for this Bash, we will have a great array of some of the best speakers in our lifestyle from all over the U.S., covering a wide array of topics sure to be of interest to nearly everyone in our community. We will have four tracks geared toward different aspects of the lifestyle, or different audiences within our community. One track of presentation topics will be geared specifically to appeal to the more experienced members of our community.

We are still in the process of finalizing our last two or three speakers, our complete presentation line-up and some other details such as the title of the keynote address, etc. There will be a follow-up email when those details get firmed up.

Friday Evening Movie Screening

Friday evening we will have a Reception with the presenters at the Hotel and during that reception, we also very excited to be holding the Texas Premier Screening of a new documentary film about aspects of the BDSM community entitled: BDSM: It's Not What You Think. For more information on the film visit:

<http://www.erinpalmquist.com/BDSMdocumentary/>

Saturday

Events on Saturday at the Hotel start early with coffee and snacks served from 8:30 to 9:30 am during morning registration.

There will be a total of sixteen, 75 minute presentations during the day Saturday. Presentations will run in four different tracks, across four different times slots - two Presentation time slots before lunch and two after. We will also have a Vendors' area with ten of the area's best vendors selling their unique wares.

Breaks between presentations will offer ample time to visit the Vendors' area to shop.

>From 12:30 to 2:00 we will have our keynote luncheon. Our keynote speaker will deliver the keynote address after lunch. Lunch for all attendees is included in the event ticket price.

After the final presentations in the afternoon, there will be one final chance to visit the Vendors' area for those final purchases of the day.

Saturday Evening Play Party

The GWNN Bash Play Party will be held at our usual play location (The Secret Rural Location, or SRL). 7000

square feet of space with over a dozen play stations. The SRL is rural, secluded, very safe and secure, and GWNN has been partying there for more than 10 years.

Sunday Picnic

This BASH weekend will include a fun filled Sunday picnic. Very late Sunday morning (or early afternoon) we will all meet out at our rural, secluded, clothing optional campground (Eden Cove), for another day of swimming in the pool; hot, outdoor S&M play; some Pony and Puppy play events; and some delicious Texas BBQ and picnic food.

At the Picnic, we'll have some local experts in Pony and Puppy play giving some presentations and there will be several Pony and Puppy events held at the picnic (including Pony cart rides). So if you are a Pony or Puppy (or maybe even a Kitty cat), own one, or if you've been interested in Pony or Puppy play but never tried it, or just like watching the show, then this is your chance. Come on out to the BASH Picnic.

[Upcoming Scandal Book - Printing information - Submission guidelines](#)

Posted by: "Karen Wagner" karenawagner@comcast.net [poetprincessa](#)

Mon May 5, 2008 12:51 am (PDT)

As of right now, I have chosen the most cost affective printing we can get without losing quality. The size will be 5-1/2 x 8-1/2 at least and will include a book cover in Full Color one side with gloss film lamination, the inside text will be printed black and white and will be printed on at least 50# or 60# white offset/ matte paper. PDF format would be best as that is what I'll be using to send to the printer I've currently chosen, but I'll accept any document file. For pictures, art, etc. , please let me know what type of file format you use most so I can make sure it will work with the PDF program I use. Unless there's a problem with the file type (and I'll let you know when you send it), I would choose the format that makes the most of your work when printed. Write me if you're not sure what I mean as I don't want to get too long winded. The books will be perfect bound (paperback style binding) and trimmed to industry standards. If possible,

we might go a bit bigger and have the option for some color pages if need presents itself. Our budget is set around \$300 to \$500 dollars for this project which can get us at least 100 copies to start off with if we have no more than 80 to 100 pages and since we will probably have less than that, we can get more copies, add more color, etc. When submissions are complete, I'd like to hold a meeting to go over the final layout and choose the submissions to include in printing. I have a laptop, so I'm portable.

As suggested, we are still accepting submissions so please let all the Houston and surrounding area Ds related groups you belong to know about this special Anthology of local talent. Interested individuals may choose to join here <http://groups.yahoo.com/group/SCANDAL/join> and submit through the group or submit to poetprincessa@yahoo.com or another moderator without joining. Either way is fine.

Areas of Submission (bdsM - erotic in nature)

Short Stories (1 to 5 pages)

Excerpts from novels (8 to 10 pages)

Poetry and Music Lyrics (no more than 2 pages)

Art of all types and media

Photography - Black and White or Color (please have a model release or permission to use agreement in writing when necessary)
True Stories, biographies, excerpts from diaries, experiences (1 to 5 pages)
short plays/screen plays (each page would equal 1 minute, so stick to a 10-15 minute/page excerpt)

These are just guidelines, email if you have questions about submitting something different. Be sure to keep character names anonymous (including your own).

You may add a website or email address to give readers a way to get more information, read more, etc. if you like. And please let us know what signature you'd like us to include.

Gulf Coast Power Exchange Group (PEG)

In the light of the demise of the TNC Group, I decided to start another group, independent of everyone else. This is strictly an online E-group that is designed to be an outlet for all things related to BDSM in the Houston area and all over this Southeastern section of the state of Texas.

I am fondly (or sadistically) referred to as Ironass because I've been in the Lifestyle for many years and like to be played very heavy, as many can attest. I belong to Pink Dragon Lady (Trellen Russey), who is also a veteran of the Lifestyle. Herself and the late Art Russey (the Toy Maker) used to have the Gulf Coast Power Exchange Group, the original PEG, in Pasadena, Texas for several years until his death.

If you have a BDSM group you are invited to post your activities here. However, this is not a place for SPAM. We are not here to sell anything - there are other groups for that - but to share our experiences with one another as it relates to the BDSM lifestyle.

This group will be moderated by me and will not answer to the demands of any other group. We will honor everyone and are here to pass judgment upon no one. However, there are a few rules:

1. First and foremost, NO SPAMMING! Anyone who tries to spam on this list will be blocked as soon as I discover it, no questions asked and no appeals. By SPAMMING, I mean commercials of any kind for any product or service and asking for money.

If someone is in need or in the hospital, please feel free to post a request. If you wish to announce a play party or an event of your BDSM group, please feel free to do so. If you have a website you wish to share with us relating to the Lifestyle, please feel free to post.

2. I will not tolerate any flaming on this list. Arguing about things is one thing and can be done civilly, but we are not here to pass judgment on anyone or to run anyone down. If I see that on this list I will deal with it in whatever manner seems fair. It is OK, however, to talk about Travis (LOL).

I have found the BDSM community to be one of the most caring and giving communities in the city, but we can be quite vicious at times. I simply ask that we all show some respect for one another and remember that we do not know what anyone is going through at any given moment. It is better to err on the side of humanness than to rip one another's throat out!

3. As to the posting of pictures, please be discreet. We have to be careful of showing private body parts on a public forum such as this. As a member, the pictures you put in a post for this group are at your discretion, but lets try not to make Yahoo nervous - well, more nervous - than it already is.

At the moment, that's the rules, other than to honor the Yahoo guidelines for groups. Post, talk, announce, have fun.

Your Moderator,
Ironass

When you join this group please remember that Yahoo requires you to have your age posted in your profile or they can bump the whole group. They want to know that everyone is over the age of 18. PLEASE REMEMBER THIS!

Gulf Coast-Touch of Leather

A new group is forming on the south east side of town and is having a munch this evening at 7 PM at Noahs Ark Grill in Baycliff. I am forwarding the following with their permission since we have a number of folks who may be interested:

Forwarded Message:

Gulf Coast-Touch of Leather is happy to invite you to our inaugural munch. We'll be getting together at Noah's Ark (located on the water at 4438 Boulevard St, Bacliff). Look for a white stuffed dog on the table and you will know you have found us. Noah's Ark is famous for their burgers and friendly staff. They are really looking forward to having us for our first munch, and hoping we'll become regulars. If you need directions or more information visit www.noahsarkgrill.com

Meeting time is 7:00. Weather permitting, we've asked to be grouped on the side porch, outside. If it's

rainy just keep an eye out for the white plush pup on the table. We encourage you to dress comfy. Jeans and T's are fine. The bar has pub food for us to munch on and drink to help beat the heat. (Anytime we can beat something, it's bound to be a good time.) At this munch we just plan to get to know each other and try to find out what some of the folks from the Coastal region of TX would like to see happening in our Community.

Gulf Coast Touch of Leather is an Alternative Choice gateway organization. The club is hoping to meet some of the needs of the south Houston-to-Galveston corridor residents (though anyone is welcome to attend). As things get rolling we're planning on regular munches, educational forums and demos, and local parties and a yearly weekend retreat. We welcome folks who walk the different paths of our diverse lifestyle, and hope that by being given the chance to share in our diversity we'll become a stronger and more aware Community. The e-list for Gulf Coast Touch of Leather can be found at http://groups.yahoo.com/group/Gulf_Coast_TOL/ And information for our annual camping retreat can be found at <http://groups.yahoo.com/group/WyldFyre> We hope that you'll surf by and stay a while.

Gulf Coast TOL very happy to be holding this munch and taking these first steps of growth. We hope that you'll join us at the munch and give us your input so that we can get the club charted on a steady course for education, awareness, and fun, among the like-minded of our Gulf Coast Community.

See you there,

Stan
