Dear Members of HPEP,

On Saturday; June 20th we will be electing the 2009/2010 HPEP Board of Directors. I hope you all know how important this meeting is and make plans to attend and participate in this process. It is up to you as Members to make HPEP the organization you want it to be.

Never doubt that a small, group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has.

Margaret Mead

HPEP has been growing consistently and active participation in our SIGs, General Meetings, New Comers Meetings and special events are at their highest in many years. HPEP has been deeply involved in and concerned with the community at large and our goals of providing quality education and support through HPEP and our network of SIGs have been met and improved on.

Individual commitment to a group effort -- that is what makes a team work, a company work, a society work, a civilization work.

Vince Lombardi

Now it's time for the membership to decide who will represent them on the HPEP Board of Directors for the next term. Who do you want to see on the next board? Who do you believe will best carry on the works you are happy with, introduce the new ideas you want to see brought into the organization and continue to make HPEP an organization you are proud to belong to?

It is every man's obligation to put back into the world at least the equivalent of what he takes out of it.

Albert Einstein

Or, would you be the person the members can turn to for leadership? Do you have fresh ideas for HPEP? Do you believe that the community has been there for you so now it's time to give a little back?

A community is like a ship; everyone ought to be prepared to take the helm.

Henrik Ibsen

Who will be your next Board of Directors? Only you can tell us. No one is obligated to accept a nomination to the board. If there is someone you want on the board then now is the time to start vetting them and making sure they will accept your nomination. Maybe you know someone that already wants to be on the next board. If so, talk to them and find out what they have to offer as a board member. There's no harm in doing a little "campaigning" to get who you feel is the right fit elected.

HPEP By Laws Article III; Section 2 - Voting Rights

Each member shall be entitled to one vote on each mailer submitted to a vote of the members. Members must be present to vote. There shall be no proxy voting by members, nor shall there be any voting by mail.

All members are eligible to vote for and to be elected to the board whether you identify as Dom, sub, switch, slave, or kumquat. (reference to "kumquat" is in homage to a previous board chairman and not in direct reference to any individual member of HPEP)

I sincerely hope to see you enforce at the HPEP General meeting being held at Fudruckers, 2745 Kirkwood, Houston on Saturday July 20th at 7:30 PM. The elections judge will be Sir Robert Helms.

Randy - Master Draconis
HPEP Board Chairman 2008/2009

HPEP & the Community

This is a message to HPEP members and the community at large!

Though we all try to avoid "politics" in the lifestyle or at least avoid lifestyle politics, there is one month every year that HPEP must have it on their mind. This is that month.

There are 7 positions on the board of directors and all 7 of them have to be filled next week. I challenge all of our members to attend and take part in this process. Remember that if you have ever been a member of HPEP then you are still a member of HPEP and you are welcome to attend to vote or to accept a nomination if you see fit to do so. Next Saturday, June 20th, HPEP members will meet at Fudruckers; 2745 Kirkwood, Houston, TX at 7:30pm to decide the future of HPEP and, in part, the future of the BDSM community in Houston.

Do you think that's a bit too important a role for only one organization? I don't. Every Leather/BDSM/Fetish club and organization in Houston is connected by a silver thread. When you pull on that thread you can either tighten the knot or unravel the fabric. What each group does for (or to) the community affects us all in subtle and sometimes not so subtle ways.

Those that have been in the community for longer than they care to admit know how the fabric can unravel. One bad apple, poor leadership in any organization, events that cause bad publicity locally or beyond can hurt us all and drive many of us back underground. I won't mention any particular organizations or people but we all have a war story or two. Many of us entered the community years ago and then disappeared because of something or someone putting a bad light on the community as a whole. There was even a period in Houston when just the word "community" was almost a negative word in itself. Thankfully, the fabric never unraveled completely.

This past April **NLA-Houston** changed the format of Spring Iniquity to bring Houston the first Leather conference it's seen in over a decade. I don't believe that anyone will deny that the entire community

benefited from this event's great success. Houston is back in the national limelight of the Leather/BDSM/Fetish scene again thanks to the efforts of a few individuals with vision. **The knot tightened.** Groups like **EROS**, and now, **SAF** have gone from being known for great house parties to being known for great house parties and for promoting education in the Fetish arts. **The knot gets tighter.** There isn't a weekend in any month that you can not attend a meeting, play party or presentation being sponsored by **NLA, HPEP, EROS, SAF, WIPS, Elite Suite, Violet Society, The Houston Area Bears, Safari** and so many more that if I try to name them all I will run the real risk of running out of room allowed for a single posting. **The knot continues to tighten.** Thanks to all of the organizations and community leaders that have made me proud to say I am from Houston and to feel that our community is strong.

Two years ago, HPEP was on the verge of being disbanded. This is the oldest pan-sexual BDSM organization in Houston and yet it no longer was serving the community. In the past two years it has turned back towards it's roots. The members spoke and the board of directors listened. HPEP has worked to rebuild bridges for an all inclusive community and to promote education, support and spirit within the organization that so many in Houston saw and still see as a major gateway into the Houston community. HPEP isn't all the way back to where it was eight years ago but it's closer than before and still moving in a positive direction. **The knot has tightened a little more.**

I want to thank the 2008/2009 board of directors for all of their hard work and commitment to the organization and it's members. Ms. Rose (Treasurer), Rachel (Secretary), kaycee (Communications officer), Mo & Lady Gwen (Member liaisons) and yo-yo (our Net Geek). I am proud to have served with them this past year and proud of what they accomplished. It has truly been a privilege and an honor.

I want to thank all of the volunteers, both HPEP members and members of other groups, that donated their time, skills and labor to organization causes and events. There are so many of you that it's impractical to call you all by name but everyone knows who you are. Without members like you HPEP would be lost.

Thank you to all of the committee and SIG leaders that have given their time, knowledge and dedication to the community. Your efforts to give education and support to our members are greatly appreciated.

I am sure I am probably not giving someone the kudos they deserve and have likely gotten a few eye rolls from some of you. I sincerely hope that there are some that truly take this message about community to heart.

Stepping down off of my soapbox now. Who's next?

SIG NEWS

Photo SIG - New Leader!

Meets 3:30 1st Sunday of the month.

General Info:

PhotoSIG is a great way for photographers to learn more about fetish photography and how to more fully use their cameras.

It's also a great place for models, aspiring models, or scene people who just like dressing up (or down) to meet some of Houston's great photographers and get great shots of their shiny outfits.

The meetings consist of a photography topic discussion, a quick computer editing topic how-to/demo, and then time to apply what you've learned with varied (generally fetish-themed) shooting locations.

All photography will be agreed upon between models and photographers prior to any pictures being taken, except for occasions where the SIG provides a model. In those cases, it is understood that everyone at the SIG is welcome to participate and take pictures.

Directions can be acquired by emailing the group leader at info@taboophotoart.com.

The yahoo group is here:
<http://groups.yahoo.com/group/PhotoSIG/>

I am pleased to announce that Pixie, aka: WendyMechelle, has accepted the position of Photo SIG Leader and is now a moderator of the Yahoo Group as well.

Pixie is a wonderful erotic photographer. You can find information on her studio and some examples of her work at <http://taboophotoart.com>.

I am sure she will be making postings soon regarding future meetings and projects for the Photography SIG members.

I hope you all join me in thanking Pixie for taking on this responsibility and I hope you're as enthused as I am that the Photography SIG will soon be active again.

Thank you,

Randy - Master Draconis
HPEP Board Chairman 2008 – 2009

The HPEP Poly SIG

Dragon's lady, Poly SIG Leader:

The HPEP Poly SIG is a wonderful discussion group for those who are in poly relationships, or are interested in the subject of Poly. It's usually an open topic forum where things have been discussed from coming out to family/children/parents, to what is your ideal poly family structure. You do not have to be poly yourself, or be in a Poly relationship to attend a meeting; just an interest in the topic of being Poly. As a side note we are not a swingers group, nor an orgy. You can visit us on our Yahoo Group at:

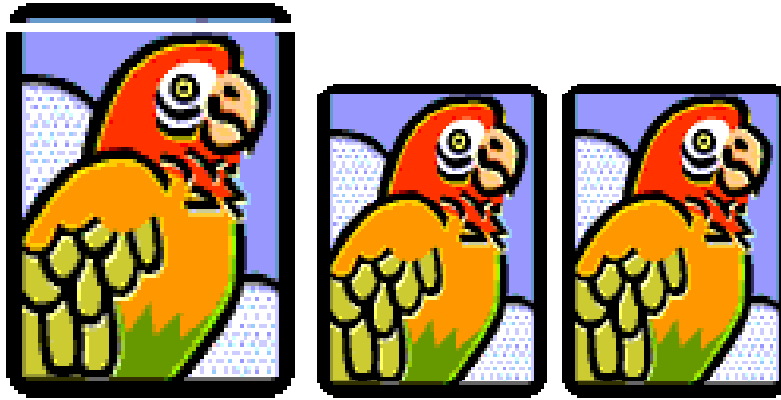

http://groups.yahoo.com/group/HPEP_PolySIG

For any questions you can contact the SIG Leader at Poly@hpep.org

http://groups.yahoo.com/group/HPEP_PolySIG.

For any question you can contact the SIG leader at Poly@hpep.org. Hey everyone!

If you have any questions please email me :-)
dragonslady@yahoo.com

(Poly Sig, get it? Hee hee)

The HPEP Age-Play SIG

The Age-play Sig usually held on the THIRD SATURDAY of the month. Contact Scottie (painslut_mr@yahoo.com) . It is currently on hiatus.

The group has been very active with its meetings and discussions. In the up coming months there will be a pool party night, theme nights, movie nights, discussions and weekend outings. The meetings are being kept non-age specific so that everyone of age-play can come, enjoy themselves, and learn.

Age-play does not and will not involve real children/minors of any kind. But what it does do is involve us adults that act like and pretend to be children! Even if you're not into age-play but would like to find out what it is about, you are welcome to attend. So if you're a 'lil boy or girl, toddlers, teenagers, Mommies or Daddies, Aunties or Uncles, or just a bratty young one, you're all welcome to attend.

Hope to see you there and join in the fun and activities! - Scottie

DOMinion

Houston and surrounding area Doms and Dommes have a meeting on the Friday before the Newcomers' meeting, at (7:30 pm) .The purpose of the Dom/Domme meeting is several fold. The meetings serve as a time of social interaction and a good time of exchanging ideas. There are also scheduled educational presentations by members of the group. Frequently, Doms from around the state come and lead our discussions, so we get views a bit different than those of our local friends that we meet with all the time. So, find a comfortable chair, prop up your feet, and talk the talk of beautiful submissive females, doting slavish men, and the pleasures they bring us. Need directions or information: e-mail the [DOMinion](#)

Subversity

Sub-Versity Meetings are held on the first Friday of the month @ 7:30PM. A wide variety of topics are discussed, including guest speakers and demonstrations. The group is a safe haven if one wishes to discuss private personal issues receiving non judgmental, confidential feed back.

Everyone is asked to bring a small snack or dish to the meetings.

FYI ...HPEP's Dominion is near by and many of the Dom's drop off their Subs and comeback for them later.

NO Doms/Tops/Masters or Tippy Behavior is allowed.

H.E.L.L.

(Houston Erotic Literature Lovers) Book & Movie SIG

<http://groups.yahoo.com/group/HELLbooksandmovies/>

HELL meets at 7:00 p.m. every 2nd Friday night !

Please contact me at mwvixen@swbell.net for directions. Please remember, these meetings are held in a private home so I will need to know who you are and we prefer you to have attended an HPEP Newcomer's Meeting prior to coming to the HELL meeting. Newcomer's meetings are held the first Saturday of the month and you can find the details at www.hpep.org.

We enthusiastically!!! Welcome suggestions for books and movies related to ANY aspect of BDSM, alternative sexuality, erotica, erotic thrillers, D/s relationships, fetish, or alternative lifestyles, etc. Feel free to e-mail me with **YOUR** recommendations!

HELL is a group where those interested in reading about and watching books and movies dealing with all aspects of BDSM, Erotica and alternative Lifestyles can meet in a casual, non-academic environment. A typical HELL evening involves a bit of book discussion (anything anyone is reading or the selected HELL book) and general conversation and socializing. We usually have snacks and beverages on hand, provided by the host and the attendees, to enhance the "movie experience" which starts about 8:00, so the meetings usually go from about 7:00 - 10:00 or 11:00, depending on how much discussion ensues after the movie. You are encouraged to come to HELL if you have an interest in reading more about BDSM, both fiction and non-fiction, and/or viewing a variety of sexually-oriented movies: you do not have to read a book to enjoy HELL,

(although the Mistress of HELL would strongly encourage you to do so. I and other members can be usually persuaded to lend out books for those who purchasing them is a problem...) Join the HELL mailing list by going to the HELL Yahoo group (address above) and keep up with the books and movies currently happening. We have a lot of fun and it is a good forum for getting to know other folks in the Community and engage in spirited conversation with your fellow perverts. So now, when someone tells you to "Go to HELL", it does not have to be a bad thing! ☺

HPEP's HELL: BDSM/Erotica books and movies SIG - this is the address for the Yahoo Group: <http://groups.yahoo.com/group/HELLbooksandmovies/>

The H*E*L*L Reading/Movie group, a special interest group with Houston PEP, now offers an Yahoo List option for those interested in keeping up-to-date and discussing alternative-lifestyle, Erotic, Fetish & D/s-related books and movies. I am also occasionally including some information/links on Erotic artwork. Even if you cannot attend our meetings, we want your input and opinions, and would like to share our explorations of literary and cinematic Erotica with you. The range of discussion, and the nature of our club, however, leaves plenty of room for off-topic & humor posts. Movie and book recommendations are always welcome

Edge Play SIG

The Edge Play SIG is for anyone interested in learning or teaching techniques in specific forms of sadomasochistic play. This SIG will offer monthly gatherings where demonstrations of and instruction in these techniques and the safety measures needed in their use will be presented.

If you are interested in passing on your knowledge and expertise, learning new ways to inflict pain and pleasure, hone your own play techniques or you're just curious and want to watch something new and exciting then this is the SIG for you.

The Edge Play SIG will meet on the last Friday of each month. Meetings will take place in a private residence. The location will be disclosed to those that express an interest in attending prior to each gathering.

HPEP is a pansexual organization and so are our SIGs so no matter what your orientation or favorite kink, you are welcome here.

Please email me directly at pleased_2b_me@yahoo.com to RSVP. Attendance will be limited to 40. If it fills up I will put anyone that did not RSVP in time on a waiting list. As always, first come first served.

Houston-BondageSIG - important news!

Here is a long overdue report on our March 2009 bondage theme play party.

Our hosts, Stephen and Rebecca, were wonderful. They opened their spacious, private, and newly renovated home to us. They have it nicely decorated in an interesting retro look, including 50's style furniture. They also have a very private back yard including a couple of patio areas and pool. We made good use of these settings.

Indoor and outdoor bondage was applied to people who walked around with it as well as to people who were tied to things like a fence, chair, and suspension frame. There was also a suspension and hands-on, one-on-one tutorials.

Approximately 12 folks in our group shared their bondage fetish and kinks with each other. Like previous bondage theme play parties, this group was mostly male tops, interested in tying up female bottoms. There were 8 people who RSVPd but were no shows.

Including some of the friends Stephen and Rebecca invited, there were about 20 people who had a nice time together on a beautiful Sunday afternoon in March. They met old friends and said hello to strangers they just met, new people in their lives who may become new friends.

So, my thanks go out to all of you kinky people who attended. And a very special thank you to our gracious hosts, Stephen and Rebecca.

Those of us who were there had a good time.

Gary

After thinking about this for a long time, I have decided to cancel all future regularly scheduled Houston Bondage SIG play parties.

The attendance at our Houston Bondage SIG play parties has been poor. Only the January play party was well attended. Houston is fortunate to have a very active BDSM community with parties or events regularly scheduled every weekend. While we have a handful of folks who regularly attend our bondage events, it seems most people with an interest in bondage would prefer to attend weekend night parties, socialize and ask for hands on advice there rather than attend a Sunday afternoon bondage party. The lack of support for these parties indicates our Houston community does not need or want a Sunday afternoon bondage play party.

Here is the dilemma I tried to solve with these bondage play parties. I took over as Leader of the Houston Bondage SIG in January 2005 and began holding monthly tutorial meetings. They were very successful. Over time, some of us, who attended regularly, learned a lot and developed nice friendships. I had recycled the tutorials a couple of times. By 2007, if I, or others, presented bondage 101 type tutorials, the more experienced people didn't benefit. If I, or others, presented more advanced tutorials, the newbies didn't benefit. In the middle of 2008, I decided to change the structure of our meetings to bondage play parties instead of tutorial meetings. I hoped that regularly scheduled bondage play parties would solve my dilemma by allowing more experienced people to tutor newbies with actual hands-on advice while enjoying rope play themselves. I hoped many people would attend, enjoy playing with each other, and share their expertise. But, it has not worked as I hoped it would.

Like others, I too have both kinky and vanilla demands on my time. When I consider the time required by me and our venue hosts to organize and sponsor a regularly scheduled Bondage SIG play party and the lack of community support for these parties, I have decided not to organize them any more.

We have been fortunate to have had first class venues hosted by wonderful people for the three Bondage SIG play parties we have held. And, I am humbled by the additional offers of first class venues by wonderful hosts in this community. Without any new potential hosts coming forward, I could have arranged regular bondage play parties in different houses well into next year. Happily, arranging venues has not been a problem.

I must thank Travis and Melody again for hosting our regular bondage tutorial meetings from January 2005 to the middle of 2008. Travis' support was a major factor in the success of our Houston Bondage SIG over that time period.

The small group of regulars who have attended our bondage events can and do get together at bondage parties from time to time. I expect these bondage enthusiasts will continue to do so and will continue to satisfy their kink.

So, again, I extend my deepest appreciation to the wonderful people who have hosted and to those who have offered to host our Bondage SIG tutorial meetings and play parties. They have removed one of the major problems typically associated with hosting community events, namely finding suitable venues.

And, I thank those of you who have actively supported our Bondage SIG activities. I know you will continue to get together in one way or another and share your expertise and the fun of rope play.

Perhaps, if there is enough interest for a bondage workshop from time to time, I, or someone else, might organize occasional bondage workshop type events in the future. Or perhaps someone else will organize regular bondage play parties/events/meetings.

For me, I plan on spending more time having fun with pretty models in private shibari and other interesting theme photo shoots. And, I look forward to seeing you around at one party/event or another.

Thank you for all your previous support.

Gary

HPEP Toy SIG!!!

Hi to Everyone in the SIG.

I am Lady Marie and I believe I will be taking over the moderation of this SIG hopefully to the best interest of the members.

I am currently in contact with Patrick (from the meeting last night) and Rene, to try and organize a gathering for the Third Saturday of this month. This will correspond with the Craft Sig so those that wish to do crafts can be offset by the other half which may be more interested in something kink oriented.

Two gentlemen have offered their locations to host us, and I will be inspecting both locations shortly. A semi-private public location has the advantage that the location is not in someone's home, however it also means we have to rely on someone's generosity in providing it.

For this month, I am considering a trip to the Tandy Leather Factory in Missouri City to examine leather types and discuss which types are good for which purpose, somewhat of an educational trip. I must first go down there and make the arrangements. Should this not pan out, I'm sure I can come up with something of interest.

So for the introduction:

Personally, I have been constructing my own leather goods for over 10 years. I have been a member of the Houston community since 1997.

I plan to focus mostly on flogs and other simple toys to start. Furniture items will definitely be part of our purpose, but only on occasion, as most projects should be accomplished in one meeting.

I strongly suggest that those who discover they have the talent, gather their own tools, as the cost is nominal. You may also find that having the tools ready to hand, you may just get an urge, after you are

trained in the basics, to toss together something one afternoon.

I do not concentrate on "pretty" toys. My Toys are functional and provide for long wear and hard use. However that being said I do not have an aversion to pretty, and would look forward to suggestions that provide aesthetic value without losing function.

Yours in Leather Pride,
Lady Marie

COMMUNITY NEWS

I wanted to pass this posting along to the members of HPEP. It is cross posted from the NLA-Houston online discussion boards. Take your time and read this because it has a lot to say about how our community is perceived nationally today.

The following is posted by permission from Caro, recipient of NLA-International's Lifetime Achievement Award.

Many of the discussions [on a FetLife.com group, "The Guard"] have been about "What is leather?" I spend the most incredible weekend and while the debate continues regarding "What is leather?" at least I can tell say where I found leather this weekend.

"HOUSTON, YOU HAD LEATHER!" It was back, it was black, and it was awesome. Let me first congratulate all the organizers of Spring Iniquity. Kudos to you all. All the classes I attended were fantastic, and what made it even more fantastic was that all the classes I attended were totally mixed, gay men and women, old and young, experienced and not, all colors, shapes and sizes (And what's even a bigger treat is that I'll see many of them/the same presenters this weekend at Beyond Leather, in FLA).

I got to see old friends and I got to meet new friends, and most importantly, I found "tribe" - people that I had never laid eyes on that I just resonated with immediately (it's like an orgasm; if one has to explain it to you, you've never experienced it but if you have, you absolutely know what it is).

I saw honor at work, I saw respect. I saw pride. I saw every "word" used to discuss and describe leather become "flesh." I saw traditions repeated, explained, and re-examined, and I saw a helluva lot of folks having a helluva lot of fun. I saw folks older than I coming together with folks younger than some of my toys. I saw every sexual preference and persuasion standing beside and working with every sexual preference and persuasion. It touched me and it rocked me, and most importantly it renewed me.

From a quiet, intimate, and significant moment with two men I greatly admire and respect (and adore), while one was given his "cover."

I delighted in seeing how various and varied groups can come together IN COMMUNITY to pull off this sort of thing. From classes, to the "meet and greet," to parties, and to puppies delivering coffee in the morning, to vendors with very unique stuff (yeah, ok, I shopped), it was a great event that reflected the tremendous effort put into this event by so many people.

I met people who have been attending events for so long, the programs were translated from the original Sanskrit, and I met people who finally got the courage up to attend an event for the first time, and in all their eyes, I saw excitement and joy.

And once again, I realized that the first place leather lives is in the heart!

To those responsible for Spring Iniquity, to HPEP, and to all chapters and members and officers of NLA-I --
THANK YOU!

Caro

Serpentarium is excited to present Summer Sinfest 2009: Fetish Feast. This year's event will be very different from previous years.

Note: We will NOT be at the Meridian this year!

This year, we are proud to feature a 5-course gourmet meal prepared by the Plaza's culinary staff and served in dinner-theater fashion by community members. During dinner, you will be entertained by various erotic and kinky acts from all over the state. The headliner will be Hardy Haberman performing kinky magic!

After dinner there will be an old-fashioned kick-ass play party in an air-conditioned environment with a full dungeon set up, as well as many other entertaining surprises, so bring your playbag. Rooms will be available at a discounted rate for those who wish to carry the fun on into the wee hours without having to drive home late at night.

As always, the producers of Summer Sinfest want to be able to give back something to the Community. This year, we are featuring a silent auction to benefit *Legacy Community Health Services*. If you are not familiar with this wonderful organization please check them out on their website at www.legacycommunityhealth.org.

Contact us via the Summer Sinfest website if you would like to contribute an item or service for the auction to help raise money for this much-needed community organization. www.summersinfest.com.

Hi all

Over the years I have seen many posts about where to find a scene-friendly therapist. I know there are a few of them out there, but sometimes they are hard to find, and on top of that, therapy can be very expensive.

Legacy (www.legacycommunityhealth.org) recently announced that they are expanding to include mental health services.

Legacy has offered many services on a sliding fee scale for many years. Now that they are planning to address mental issues as well as physical ones. This is going to be a wonderful resource for the community at large.

Here is a link to the article in the Houston Business Journal.

The producers of Summer Sinfest are proud to be supporting this worthy organization. Won't you join us for our Fetish Feast and participate in the silent auction?

Gulf Coast Power Exchange Group (PEG)

In the light of the demise of the TNC Group, I decided to start another group, independent of everyone else. This is strictly an online E-group that is designed to be an outlet for all things related to BDSM in the Houston area and all over this Southeastern section of the state of Texas.

I am fondly (or sadistically) referred to as Ironass because I've been in the Lifestyle for many years and like to be played very heavy, as many can attest. I belong to Pink Dragon Lady (Trellen Russey), who is also a veteran of the Lifestyle. Herself and the late Art Russey (the Toy Maker) used to have the Gulf Coast Power Exchange Group, the original PEG, in Pasadena, Texas for several years until his death.

If you have a BDSM group you are invited to post your activities here. However, this is not a place for SPAM. We are not here to sell anything - there are other groups for that - but to share our experiences with one another as it relates to the BDSM lifestyle.

This group will be moderated by me and will not answer to the demands of any other group. We will honor everyone and are here to pass judgment upon no one. However, there are a few rules:

1. First and foremost, NO SPAMMING! Anyone who tries to spam on this list will be blocked as soon as I discover it, no questions asked and no appeals. By SPAMMING, I mean commercials of any kind for any product or service and asking for money.

If someone is in need or in the hospital, please feel free to post a request. If you wish to announce a play party or an event of your BDSM group, please feel free to do so. If you have a website you wish to share with us relating to the Lifestyle, please feel free to post.

2. I will not tolerate any flaming on this list. Arguing about things is one thing and can be done civilly, but we are not here to pass judgment on anyone or to run anyone down. If I see that on this list I will deal with it in whatever manner seems fair. It is OK, however, to talk about Travis (LOL).

I have found the BDSM community to be one of the most caring and giving communities in the city, but we can be quite vicious at times. I simply ask that we all show some respect for one another and remember that we do not know what anyone is going through at any given moment. It is better to err on the side of humanness than to rip one another's throat out!

3. As to the posting of pictures, please be discreet. We have to be careful of showing private body parts on a public forum such as this. As a member, the pictures you put in a post for this group are at your discretion, but lets try not to make Yahoo nervous - well, more nervous - than it already is.

At the moment, that's the rules, other than to honor the Yahoo guidelines for groups. Post, talk, announce, have fun.

Your Moderator,
Ironass

When you join this group please remember that Yahoo requires you to have your age posted in your profile or they can bump the whole group. They want to know that everyone is over the age of 18. PLEASE REMEMBER THIS!

Gulf Coast-Touch of Leather

A new group is forming on the south east side of town and is having a munch this evening at 7 PM at Noahs Ark Grill in Baycliff. I am forwarding the following with their permission since we have a number of folks who may be interested:

Gulf Coast-Touch of Leather is happy to invite you to our inaugural munch. We'll be getting together at

Noah's Ark (located on the water at 4438 Boulevard St, Bacliff). Look for a white stuffed dog on the table and you will know you have found us. Noah's Ark is famous for their burgers and friendly staff. They are really looking forward to having us for our first munch, and hoping we'll become regulars. If you need directions or more information visit www.noahsarkgrill.com

Meeting time is 7:00. Weather permitting, we've asked to be grouped on the side porch, outside. If it's rainy just keep an eye out for the white plush pup on the table. We encourage you to dress comfy. Jeans and T's are fine. The bar has pub food for us to munch on and drink to help beat the heat. (Anytime we can beat something, it's bound to be a good time.) At this munch we just plan to get to know each other and try to find out what some of the folks from the Coastal region of TX would like to see happening in our Community.

Gulf Coast Touch of Leather is an Alternative Choice gateway organization. The club is hoping to meet some of the needs of the south Houston-to-Galveston corridor residents (though anyone is welcome to attend). As things get rolling we're planning on regular munches, educational forums and demos, and local parties and a yearly weekend retreat. We welcome folks who walk the different paths of our diverse lifestyle, and hope that by being given the chance to share in our diversity we'll become a stronger and more aware Community. The e-list for Gulf Coast Touch of Leather can be found at http://groups.yahoo.com/group/Gulf_Coast_TOL/ And information for our annual camping retreat can be found at <http://groups.yahoo.com/group/WyldFyre> We hope that you'll surf by and stay a while.

Gulf Coast TOL very happy to be holding this munch and taking these first steps of growth. We hope that you'll join us at the munch and give us your input so that we can get the club charted on a steady course for education, awareness, and fun, among the like-minded of our Gulf Coast Community.

See you there,
Stan

Travis's Houston BDSM & Fetish Page * New URL
