### **Editorial Review** – by Citysearch Staff

#### **In Short**

This biker-friendly leather bar features spotless bathrooms and a leather shop with occasional S&M and/or B&D demonstrations. Mostly men frequent this legendary Houston leather bar, home to the infamous yet charitable Brotherhood of Pain. Unescorted women and/or cross-dressers aren't particularly welcome, but male patrons needn't be leathered up to enjoy Ripcord--then again, it doesn't hurt.

\*\*\*\*\*

**HPEP** with the Clubs of H.C.C. (Houston Council of Clubs) is supporting a hosts bar's Leather/Levi night. Members of HPEP that enjoy the Leather/Levi fetish are invited to join in the social festivities. The back section of the bar will be closed off and only those properly attired will be allowed in the fun section. It is requested that those with HPEP shirts wear them with pride at this event.

This does coincide with the DOMinion and subversity meetings, so if you plan on attending the Rip Cord event, plan accordingly.

## **HPEP Bondage SIG**

Our meetings are on the second Sunday afternoon at 3:00 at Travis' house.

Our meetings have different themes and are hands on. We tie people up. We learn something. We socialize. Tops and bottoms always have a good time.

Mark your calendars and plan to join us for future meetings.

## **Report on September Bondage SIG**

Jackal did it again. Everyone who watched and the bottoms who participated were mesmerized by his rhythmic caning techniques. Ask any of the bottoms who have played with Jackal about rhythmic caning. They all love it and would do it again -- any time.

I recognize that some bottoms relish the pain that a caning scene can inflict. But, for most bottoms, the thought of a caning scene strikes fear in their hearts. A rhythmic caning scene is about sensations – not necessarily about delivering pain. Jackal likens it to the process of boiling a frog. If you place a frog in a pot of cold water and gently heat up the water, you can boil the frog. By starting out slowly, and gently, following the rhythms of a good background CD, Jackal gradually builds up the intensity level of his caning. His bottoms loose themselves in head space and just enjoy the multitude and varied sensations that he delivers. A rhythmic caning scene can take a bottom on a head space trip with relatively mild, not particularly harsh cane strokes, or the intensity level of the cane strokes can build up to a rather severe level. Rhythmic caning scenes offer a wide range of possibilities.

Jackal showed us how to evaluate the bottom to decide how to play. He showed us typical kinds of things to look for in body structures. He showed us how to redistribute body fluids that come to the surface during a caning scene and how to avoid breaking the skin. He showed us how to protect the tail bone, the spine and other sensitive body areas. He showed us how to use two canes together to deliver different sensations. He showed us how to hold the canes, how much of a swing and what part of the cane to use at different times to strike the body. His rhythmic caning strikes were applied as much to the upper back as to classic caning targets like the butt and thighs. He showed us how and when to use canes of different diameters. His personal collection includes canes from about 1/8 inch diameter to about 1 ½ inch diameter. You would think using a cane of 1 ½ inch diameter would be like using a club. But in Jackal's hands it seemed like a fine musical instrument.

I have watched Jackal play bottoms in several kinds of positions. At the SIG, first he demonstrated a rhythmic caning scene with a lovely lady lying face down on a massage table. Then he had me stand upright against a wall while I held another lovely lady who leaned against me, facing me with her back and butt exposed. While we held each other in our arms, I felt her multiple reactions and enjoyed some of her head space as Jackal demonstrated a rhythmic caning scene on her. It was good, very good for both of us.

BTW -- Jackal prefers to buy his canes from Prysm. She is based in Austin and is the companion of Oz, who was the leader of DFWBound last year. (Both Prsym and Oz have visited us on several occasions, also teaching interesting techniques at our SIG.) She soaks rattan wood in linseed oil before she fabricates it into fine canes. This process swells and reinforces all of the internal capillaries and fibers as the oil cures. This increases the density and strength, while enhancing flexibility and resilience. Her canes have a

very nice feel and are a pleasure to play with. Her web site is [www.prysmcreations.com](http://www.prysmcreations.com).

Jackal is the leader of the Dallas bondage group, DFWBound. He flew in for the weekend, primarily to lead our Bondage SIG -- for which I am extremely grateful. Thank you very much, Jackal.

It was another good HPEP Bondage SIG, with people learning things and lots of smiles all around. My thanks to all who attended. And, I send special thanks to Travis and Mel for again hosting this SIG in their house. (I noticed Travis paying close attention during this SIG. It was good for him too. He claims the lack of ropes appealed to him. Right!!!)

Make your plans to join us for our October SIG, where our theme will be asymmetrical bondage. We will create and practice different asymmetrical bondage ties. We should also be joined by a professional bondage rigger who will participate and give us some pointers based on his experience. Don't miss it.

## October Bondage SIG

**Asymmetrical Bondage** --- Most of us create symmetrical bondage ties. This SIG will try to expand our horizons and explore some asymmetrical ties published by bondage professionals on the Internet.

Asymmetrical bondage breaks the natural relationships of our mind and body, the push-pull and symmetrical reactions of our extremities' movements. It forces the bottom to more fully concentrate on the bondage position.

We'll use several basic ties to build more complex asymmetrical bondage positions. The basic ties include single and double limb ties, frog ties, chest and waist harnesses. We'll also use bamboo poles and partial suspensions in the construction of asymmetrical ties.

If you are a novice, this will be a great opportunity to learn how to construct basic ties. If you are more advanced, practice combining the basic ties into more complex asymmetrical positions.

If you are a bondage bottom, let us entertain you with asymmetrical positions. If you are an "eel" (someone who likes the challenge of trying to escape from a bondage tie) let us construct a tie that distorts the normal push/pull relationships of your mind and body. It should make escape attempts more complicated. If you are a bondage top, learn how to create these interesting ties.

\*\*\*\*\*

Our Bondage SIG is HANDS ON with members demonstrating their techniques, offering advice to each other and answering questions that may arise. If you are a novice, learn how to do basic ties with us. If you are more advanced, learn how to combine basic ties into more complex positions. All levels of expertise are welcome. Bring your questions and/or suggestions

Make your plans and mark your calendars. The next meeting of the Bondage SIG will be on the second Sunday of the month, October 8, at 3:00 PM in Travis' house in Houston, Texas. Directions to Travis' house are in the File Section in the HPEP Bondage SIG egroup. If you wish, bring something to munch on and share with others. We're going to learn something and have fun with each other. See you there

## **HPEP Bondage SIG - Tentative Schedule For October- December 2006**

### **October 8, 2006**

Asymmetrical Bondage --- Most of us create symmetrical ties. This SIG will try to expand our horizons and explore some asymmetrical ties we've seen published by bondage professionals on the Internet. We will combine several basic ties to build these more complex asymmetrical ties.

Asymmetrical bondage breaks the natural relationships of our mind and body, the push-pull and symmetrical reactions of our extremities' movements. It forces the bottom to more fully concentrate on the bondage position.

The basic ties we will use include single and double limb ties, frog ties, chest and waist harnesses.

### **November 12, 2006**

Behind the Scenes of a Bondage Photo/Video Shoot -- Krist Bender is a professional photographer and occasionally appears in bondage videos as a bondage rigger/top. He will lead this SIG, telling us stories as well as tips, and techniques from behind the scenes in a professional bondage photographic session. Kobe Lee, a very beautiful professional bondage model, and perhaps a couple of professional local bondage riggers, photographers and webmasters will assist him.

### **December 10, 2006**

Knots That Don't Slip --- Knowledge of these knots allows you to comfortably restrict limbs as well as to construct support harnesses and slings for partial or full suspensions. We'll demonstrate the boolaboola, the Portuguese bowline, the Foole's Cuff and a bar wrap. We'll show how these knots can be used in full and partial suspensions as well as ties for bondage positions that appeal to bottom's who just enjoy being tied up or those "eels" who want the challenge of trying to escape.

For more information, see the announcements on the HPEP Bondage SIG egroup (<http://groups.yahoo.com/group/houston-bondagesig/>)

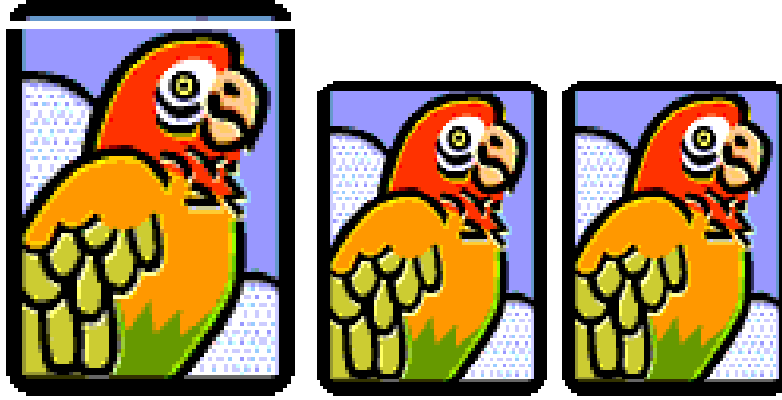

## The HPEP Poly SIG

Sir Ryan, the Dragon, HPEP Board of Directors, HPEP SIG Liaison / Poly SIG Leader:

The HPEP Poly SIG is a wonderful discussion group for those who in poly relationships, or are interested in the subject of being poly. It's usually an open topic forum where things have been discussed from coming out to family/children/parents, to what is your ideal poly family structure. You do not have to be poly yourself, or be in a poly relationship to attend a meeting; just an interest in the topic of being poly. As a side note we are not a swingers group, nor an orgy. You can visit us on our Yahoo Group at:

[http://groups.yahoo.com/group/HPEP\\_PolySIG](http://groups.yahoo.com/group/HPEP_PolySIG).

For any question you can contact the SIG leader at [Poly@hpep.org](mailto:Poly@hpep.org).

(Poly Sig, get it? Hee hee)

## The HPEP Age-Play SIG

The Age-play Sig is now being held on the THIRD SATURDAY of the month. The group has been very active with its meetings and discussions. In the up coming months there will be a pool party night, theme nights, movie nights, discussions and weekend outings. The meetings are being kept non-age specific so that everyone of age-play can come, enjoy themselves, and learn.

Age-play does not and will not involve real children/minors of any kind. But what it does do is involve us adults that act like and pretend to be children! Even if you're not into age-play but would like to find out what it is about, you are welcome to attend. So if you're a 'lil boy or girl, toddlers, teenagers, Mommies or Daddies, Aunties or Uncles, or just a bratty young one, you're all welcome to attend.

Hope to see you there and join in the fun and activities! ~ Scottie

## DOMinion

Houston and surrounding area Doms and Dommies have a meeting on the Friday before the regular HPEP meeting, at (7:30 pm) .

The purpose of the Dom/Domme meeting is several fold. The meetings serve as a time of social interaction and a good time of exchanging ideas. There are also scheduled educational

presentations by members of the group. Frequently, Doms from around the state come and lead our discussions, so we get views a bit different than those of our local friends that we meet with all the time. So, find a comfortable chair, prop up your feet, and talk the talk of beautiful submissive females, doting slavish men, and the pleasures they bring us. need directions or information:

e-mail the [DOMinion](#)

## **Subversity**

This is so exciting... the HPEP Board has approved subversity as an HPEP SIG.... a wonderful private home has been made available for the group, just a few blocks from Dominion. subversity is for all subs, slaves, switches in bottom mode, bois/boys, girls/girlie sissy girls, puppies, kittens, ponies. The group is for ALL Genders... so please don't shy away... There will be planned topics of discussion at the meetings, as well as having a mentoring group to assist anyone who has issues they wish to discuss privately. This group belongs to you... it is here to meet your needs, and interest. Directions will be sent to you privately if you will email me at [lyenakay@yahoo.com](mailto:lyenakay@yahoo.com) in order to protect the privacy of the homeowner. Like all HPEP SIGs the meeting place is smoke free, an area will be provided for the smokers.

Meetings will be held the Friday before the HPEP meeting, either the last Friday of the month, or the first Friday, according to how the calendar falls. In order to attend a subversity meeting you must first attend the HPEP Newcomers Meeting, held the 3rd Saturday night of each month, at the West Gray Cafe. (which, by the way is this evening, so what a good time to come get acquainted) the exception being the long standing HPEP members who already qualify to attend.

The e-group is also available for discussions, and suggestions. The rules are simple, you must have an age on your profile, and no flaming .. . The group is open for any and all discussions, just keep the debating friendly... Feel free to join the group .

Please let me know any ways subveristy can better meet your needs.. did i mention.. this is your group!!

HPEP Board members, thank you for approving subversity as an HPEP SIG.

kaycee

P.S. We will also be working in alliance with the new Sub Social Group **SOS** ( Strength of Submission) Which while not an HPEP SIG will be another resource for our fellow submissives to get together.

**(Houston Erotic Literature Lovers) Book & Movie SIG**

<http://groups.yahoo.com/group/HELLbooksandmovies/>

**HELL -Now on Friday Nights !!!!!**

HELL has met on the 2nd and 4th Wednesday each month at 7:00 p.m. since Fall of 1998. We have noticed that attendance has waned, many folks city the middle-of-the-week time and long drive as inconvenient for them on work nights. Movies usually start no later than 8:00 p.m., but with a typical movie being two hours or longer it develops into a long evening for the many early risers among us. So after some thought we have move our HELL meetings to the

**2<sup>nd</sup> and 4<sup>th</sup> FRIDAYS** of the month!

**September HELL Report**

For the first meeting of Sept. we met at The River Oaks Theater on Saturday night for the Midnight movie - **The Rocky Horror Picture Show!** We had a great time with a live cast handing out prop bags and the initiation of a RH "virgin" in our midst.

The second meeting was equally special with a guest speaker/author talking about his new book About Ernest Hemingway "Machismo & Masochism" Turns out this famous American author, known for his "manly" tales, had a whole other side to his personality! We also watched a video about Hemingway's life and works. It was a fascinating evening.

Yes and we still read books! Tell us what you would like to discuss! What are you reading?

Also look for Local author Sascha's Website:

<http://shop.renebooks.com/SearchResults.asp?Search=Illyvich>

Sascha Illyvich writing as Alexandria Rayne

Please contact me at [mwvixen@swbell.net](mailto:mwvixen@swbell.net) for directions. Please remember, these meetings are held in a private home so I will need to know who you are and you will *have* to have attended an HPEP Newcomer's Meeting prior to coming to the HELL meeting. Newcomer's meetings are held the third Saturday of the month and you can find the details at [www.hpep.org](http://www.hpep.org).

Now, without further ado:

## Welcome to HELL !

We enthusiastically!!! welcome suggestions for books and movies related to ANY aspect of BDSM, alternative sexuality, erotica, erotic thrillers, D/s relationships, fetish, or alternative lifestyles, etc. Feel free to e-mail me with **YOUR** recommendations! Better yet, post them to the Yahoo List:

[HELLbooksandmovies@yahoogroups.com](mailto:HELLbooksandmovies@yahoogroups.com)

HELL is a group where those interested in reading about and watching books and movies dealing with all aspects of BDSM, Erotica and alternative Lifestyles can meet in a casual, non-academic environment. A typical HELL evening involves a bit of book discussion ( anything anyone is reading or the selected HELL book) and general conversation and socializing. We usually have snacks and beverages on hand, provided by the host and the attendees, to enhance the "movie experience" which starts about 8:00, so the meetings usually go from about 7:00 - 10:00 or 11:00, depending on how much discussion ensues after the movie. You are encouraged to come to HELL if you have an interest in reading more about BDSM, both fiction and non-fiction, and/or viewing a variety of sexually-oriented movies: you do not have to read a book to enjoy HELL , (although the Mistress of HELL would strongly encourage you to do so. i and other members can be usually persuaded to lend out books for those who purchasing them is a problem...) Join the HELL mailing list by going to the HELL Yahoo group ( address above) and keep up with the books and movies currently happening. We have a lot of fun and it is a good forum for getting to know other folks in the Community and engage in spirited conversation with your fellow perverts. So now, when someone tells you to "Go to HELL", it does not have to be a bad thing! :)

## WE HAVE LOTS of NEW MOVIES NEVER SEEN BEFORE IN HELL!!!!

I searched the darkest corners of the Amazon to find both the familiar and esoteric films that I deemed most HELL- worthy. These include **Body Heat, Wild Orchid, Betty Blue, Bitter Moon, The Dreamers,**

**Killing Me Softly, White Palace, Dream Lover, Sex, Lies & Videotape, Two Moon Junction.** I'm as excited as you are to watch these or more, because from what i've read about them they sound really steamy. And I'll always be on the lookout for movies ( like The Pet)coming to local cinemas suitable for field trips.

**OCTOBER'S movies/activities are TBA shortly. Our first meeting is on Friday the 13<sup>th</sup>, so be prepared  
For something evil!!!**

### **Switch SIG**

Every Second Saturday of the month a meeting for switches is held. This is a new group and a good chance for switches to meet, socialize, bond, discuss and exchange thoughts, ideas and issues. This will be a fun, social group, who enjoy getting together and talking amongst friends. A wide variety of topics will be covered. There will also be scheduled educational presentations by members of the group. Switches in either top or bottom mode are welcome, Doms, Tops, Daddies, Mistresses, Masters, subs, slaves, bottoms, little girls or boys are strictly prohibited. This is not an attempt to be exclusive, and certainly is not intended to offend anyone, but rather to provide an opportunity for those of us that are switches to be open about their needs and concerns without fear, criticism or retribution. (Remember, everything you say here, stays here. This means that although the general topic of the meeting may be public knowledge, no-one will ever leave this meeting and run tell he said/she said.)

### **Toymakers' SIG**

Despite an uncertain future and juggling of a venue, the **Toy SIG is alive and well!!!**  
We meet the third Sunday of the month at 4:30. Our latest project was a St. Andrew's crosses

For all those that would love to save some money on Leather Purchases. I have set up with **Tandy Leather** a wholesale club card for HPEP members!!!

Thats right, folks! Leather products, supplies, anything Tandy Leather sell, we can get at Whole sale!!!

Here's how it works, each one of you send me \$1000 in small unmarked, nonsequential bills, I will give you the info as I am boarding a plane to a Carribbean Island that does not have extraditionary laws!! (ps-dont tell the wife!!!) LOL

Just Kidding!! (Lacy, I Love You!!!!!!)

Here is how it really works:

Go into Tandy Leather and tell them that you are a wholesale club card member and you give them the name  
:

Joseph Teufelhund

The name is not a joke but some Marines in the community will get the name!

I believe that this even works on there website: [www.tandyleather.com](http://www.tandyleather.com)

Take care and good shopping!

wand, this is the man that you would want to learn it from! I can't tell you how enjoyable and fascinating it is to watch him work his magic when playing his victim....erm bottom....with this uniquely intriguing tool. Some of you may remember seeing him at my event, May Mentor Madness. People are still talking about that performance!

Our fluffy dominant from Dallas, Jackal has also agreed to come to Wichita Falls for the weekend to teach a demo/class on caning. Canes shoot fear through your bones? Jackal has the talent and skill to show you that not only do you not have to fear them, but will likely transition you to embracing them rather than running from them. He is by far one of the most talented caners that I have had the privilege of seeing play.

Neither of these men are to be missed!

If you would like to make a weekend of it, the WFBDSM group here in Wichita Falls, will be holding their monthly munch and play party on Friday, October 13. Everyone is certainly welcome. There will be a nominal fee of \$20 per person to help cover the costs of the presenters travel expenses and such and munchies/drinks during the presentations.

Please send all RSVP's to shellysparties @ sbcglobal . net (minus the spaces of course). Once the RSVP has been received, I will email you the address to the physical location of the meeting.

Hope to see you all there!

### FOLSOM FILTH WEBSITE!!!

"Titan Media Announces Folsom Events"

Titan Media has just launched [FolsomFilth.com](http://FolsomFilth.com), the promotional and marketing website for the company's Brian Mills-directed film, *Folsom Filth*.

*Filth* is the hardest and edgiest film ever from Titan. It was produced especially for the hardcore leather and fetish crowd of the Folsom Street Fair.

The website features a hardcore trailer, iPod video download, hardcore action images, model photos, and more — all presented in high-end Flash multimedia format.

"Please do not visit the website if hardcore and nasty leather/ fetish sex fantasies are not your thing."

"This is the hardest of hardcore sex ever filmed by a major gay studio.

During the filming of the movie there was one cameraman pass out from what he saw through his lens, and several other crew members had to leave the set during the filming of some of the fetish sequences. The film is sexually shocking, yet visually stunning. *Filth* has never looked so good!"

*Folsom Filth* is the Official Leather/ Fetish Film of the 2006 Folsom Street Fair, the first time in the event's 23-year history that an adult film has been officially recognized by the organization.

In addition, Titan Media is the exclusive Premier Gay Adult Studio sponsor for the 2006 Folsom Street

Fair. Folsom Street is the world's largest leather/ fetish event, with an expected attendance of over 400,000 and over \$280,000 raised for GLBT and HIV/ AIDS-related charities.

*Folsom Filth* will be officially released at the Fair, available for sale on Sunday, September 24, at the TitanMen booth located directly in front of the Powerhouse bar at Dore and Folsom.

The two-disk set contains more than five-and-a-half hours of hardcore entertainment: an uncensored film of over three-and-a-half hours with 12 scenes and 14 models, plus two hours of extended fetish extras and behind-the-scenes "making-of" footage.

*Folsom Filth* will be available for online streaming and downloading exclusively from [TLAOnDemand.com](http://TLAOnDemand.com) on October 1.

On hand to meet fans and sign autographs at the TitanMen Folsom booth, will be the stars of the film and TitanMen exclusive models Alex Baresi, Tober Brandt, Damien Crosse, Darius Falke, François Sagat, and Diesel Washington. Also appearing will be TitanMen Patrick O'Connor, Brendan Davies, Steve Trevor, RJ, and world-renowned leatherman Joe G.

All the TitanMen will be wearing leather gear provided by [Leatherpost.com](http://Leatherpost.com) and appearing at the Leatherpost.com booth located next to the TitanMen booth.

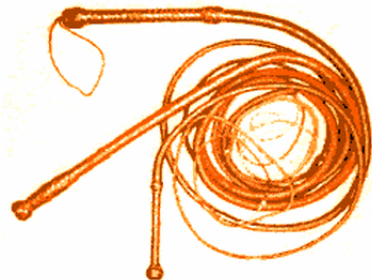

As part of its continued commitment to giving back to the community, TitanMen is once again partnering with BigMuscle.com to co-host the BigMuscle/ TitanMen Folsom Meet and Greet party with all proceeds going to charity. Last year's event raised \$8,000 for the AIDS Emergency Fund and was attended by over 1,100 leathermen.

This year's party, which will feature the premiere of *Folsom Filth*, will be held on Saturday, September 23, from 1 p.m. - 6 p.m. at Mezzanine. Visit [BigMuscle.com](http://BigMuscle.com) for more information and to purchase tickets.

For Moré information about Titan Media, contact Keith Webb at [keith@titanmedia.com](mailto:keith@titanmedia.com) or visit [TitanMen.com](http://TitanMen.com).

### **Bullwhips in the Backyard!**

Stay tuned for Upcoming Announcements  
( Email Ken at [masterwh@swbell.net](mailto:masterwh@swbell.net) for more info.)

If you are just learning or are a seasoned pro just come on out. We'll have folks who can give hands on demo's and others who want to learn and yet others who get a sexual thrill from hearing the crack of the whip. ( Whip groupies welcome!)

Remember, if we get rained out we have several bullwhip videos we can watch. We discuss topics such as care of the whips, whips websites that are available on the Internet etc. So, there will always be something to do.

Beverages, in the form of coffee, water, sodas etc will be available. If you feel like bringing something, go ahead, we won't turn it down.

Come on out and we will crack some whips, have fun and discuss what we want to get out of these practices.

Also, vixen and others convinced me that the right thing to do is form a Yahoo Group for all the folks interested in bullwhips, so here is the link to the new Bullwhips in the Backyard Yahoo Group:

<http://groups.yahoo.com/group/Bullwhipsinthebackyard>

This event is open to all Single tail Enthusiasts regardless of Club orientation, yada yada, and all the usual disclaimers. Eye protection and hats are strongly encouraged ☺!

For information I, (Safari42s), will be the contact. [Safari42S@aol.com](mailto:Safari42S@aol.com)

This Email is to announce the formation of a **new Egroup** to replace the TNC group that has recently died. This group is independent of any other group and is intended to be a gathering place for everyone in the BDSM Lifestyle. I encourage everyone to join and to post your group functions. All I ask is that everyone respect one another and that we refrain from SPAMMING and FLAMING. Below are the links to the Gulf Coast Power Exchange Group. I'm looking forward to hearing from you!

Below is a bit of what this Group is about and some rules:

## **Gulf Coast Power Exchange Group (PEG)**

In the light of the demise of the TNC Group, I decided to start another group, independent of everyone else. This is strictly an online E-group that is designed to be an outlet for all things related to BDSM in the Houston area and all over this Southeastern section of the state of Texas.

I am fondly (or sadistically) referred to as Ironass because I've been in the Lifestyle for many years and like to be played very heavy, as many can attest. I belong to Pink Dragon Lady (Trellen Russey), who is also a veteran of the Lifestyle. Herself and the late Art Russey (the Toy Maker) used to have the Gulf Coast Power Exchange Group, the original PEG, in Pasadena, Texas for several years until his death.

If you have a BDSM group you are invited to post your activities here. However, this is not a place for SPAM. We are not here to sell anything - there are other groups for that - but to share our experiences with one another as it relates to the BDSM lifestyle.

This group will be moderated by me and will not answer to the demands of any other group. We will honor everyone and are here to pass judgment upon no one. However, there are a few rules:

**1.** First and foremost, NO SPAMMING! Anyone who tries to spam on this list will be blocked as soon as I discover it, no questions asked and no appeals. By SPAMMING, I mean commercials of any kind for any product or service and asking for money.

If someone is in need or in the hospital, please feel free to post a request. If you wish to announce a play party or an event of your BDSM group, please feel free to do so. If you have a website you wish to share with us relating to the Lifestyle, please feel free to post.

**2.** I will not tolerate any flaming on this list. Arguing about things is one thing and can be done civilly, but we are not here to pass judgment on anyone or to run anyone down. If I see that on this list I will deal with it in whatever manner seems fair. It is OK, however, to talk about Travis (LOL).

I have found the BDSM community to be one of the most caring and giving communities in the city, but we can be quite vicious at times. I simply ask that we all show some respect for one another and remember that we do not know what anyone is going through at any given moment. It is better to err on the side of humanness than to rip one another's throat out!

**3.** As to the posting of pictures, please be discreet. We have to be careful of showing private body parts on a public forum such as this. As a member, the pictures you put in a post for this group are at your discretion, but let's try not to make Yahoo nervous - well, more nervous - than it already is.

At the moment, that's the rules, other than to honor the Yahoo guidelines for groups. Post, talk, announce, have fun.

Your Moderator,  
Ironass

When you join this group please remember that Yahoo requires you to have your age posted in your profile or they can bump the whole group. They want to know that everyone is over the age of 18. PLEASE REMEMBER THIS!

## **BDSM Women's Group: Just Us/WIK**

**Max Rulz** has started a new group for ALL females in the community regardless of orientation, that will meet once a month on Sunday afternoons for a demo, or presentation, discussion and potluck meal.

**JustUsWIK ( women in kink)** Women's group is going to be an informal meet, greet and eat so to speak. It will be a relaxed gathering of the women in the Houston BDSM community. There will be No play just discussion and support. There will be no Top or bottom hats worn though we will discuss issues relating to both. **JustUs WIK** will be an environment where we can share our experiences and educate in hopes to keep our minds stimulated and our asses safe! There will be workshops. In addition to tapping into the wealth of experience many of the Women have here, I plan on bringing in women I have had the opportunity to meet and learn from over the years, on the 2<sup>nd</sup> Tuesday of the month. As of today **ATR ( A True Rose)** has a **calendar** where you can list your own events throughout the year....

To do that go to the index.php page for some of you will need to go to <http://www.atruerose.com> then enter and you will be at: <http://www.atruerose.com/n/html/index.php>

On the top left hand side of that page the very second link says Calendar, click on that and you will be at: <http://www.atruerose.com/n/html/modules.php?name=Calendar>

From there pick Create an Event (the first listing on the top left of the calendar that will bring you to: <http://www.atruerose.com/n/html/modules.php?name=Calendar&file=submit>

From there for now if the Select Topic does not cover your event pick Misc. Lifestyle things (we will broaden this to be more inclusive for your events; today is the first day we have this to offer all of you so we are still tweaking it a bit, if you have suggestions on what to include just email me....

Just fill in the blanks.... if you want to add an url for more info or an email addy to contact you then you need to know a little html coding....

To add an url in the event description box you would do <a href="http://yoursitehere.com">Name of Site</a>

I. E. for ATR that would have been <a href="http://www.atruerose.com">A True Rose</a>

If you want someone to email you for info. that would be <a href="mailto:yournameaddyhere">your name here</a>

So for me that would be <a href="mailto:cajunrose@atruerose.com">cajunrose</a> If you know html you know you can add a subject line in your email for me that would be <a href="mailto:cajunrose@atruerose.com?subject=The Event Name">cajunrose</a>

Your event will be automatically added without waiting... so if you need help doing this just email us and we will be happy to help....

We hope this calendar open to all, for all events becomes a tool that you can all enjoy... you do not have to join ATR to post an event, it is open to everyone...

Questions, remember we will help anyway we can just email them to me....

To see an event posted for the 8th anny. of ATR go to jump and put the date of June 29, 2006, this is an all day event, so just run your mouse over "view" on the date and in the top right hand corner of the web page you will see a box appear...
